*Fix It Before It Breaks* Sarey Parker 2018-08-24

Rely on this practical, end-to-end guide on cyber safety and online security written expressly for a non-technical audience. You will have just what you need to protect yourself—step by step, without judgment, and with as little jargon as possible. Just how secure is your computer right now? You probably don't really know. Computers and the Internet have revolutionized the modern world, but if you're like most people, you have no clue how these things work and don't know the real threats. Protecting your computer is like defending a medieval castle. While moats, walls, drawbridges, and castle guards can be effective, you'd go broke trying to build something dragon-proof. This book is not about protecting yourself from a targeted attack by the NSA; it's about armoring yourself against common hackers and mass surveillance. There are dozens of no-brainer things we all should be doing to protect our computers and safeguard our data—just like wearing a seat belt, installing smoke alarms, and putting on sunscreen. Author Carey Parker has structured this book to give you maximum benefit with minimum effort. If you just want to know what to do, every chapter has a complete checklist with step-by-step instructions and pictures. The book contains more than 150 tips to make you and your family safer. It includes: Added steps for Windows 10 (Spring 2018) and Mac OS X High Sierra Expanded coverage on mobile device safety Expanded coverage on safety for kids online More than 150 tips with complete step-by-step instructions and pictures What You'll Learn Solve your password problems once and for all Browse the web safely and with confidence Block online tracking and dangerous ads Choose the right antivirus software for you Send files and messages securely Set up secure home networking Conduct secure shopping and banking online Lock down social media accounts Create automated backups of all your devices Manage your home computers Use your smartphone and tablet safely Safeguard your kids online And more! Who This Book Is For Those who use computers and mobile devices, but don't really know (or frankly care) how they work. This book is for people who just want to know what they need to do to protect themselves—step by step, without judgment, and with as little jargon as possible.

*100 Animals That Can F\*cking End You* - Mamadou Ndiaye 2022-07-05

A wittily informative field guide to the deadliest animals on Earth from "AnimalTok" star @mndiaye\_97 Ever wonder how to tell if a moose is about to subtract you? Curious why you should be terrified of cassowaries, the "velociraptor that time forgot?" Questioning whether that cute baby hippo is actually a homicidal maniac in the making? Yea, so was Mamadou Ndiaye . . . and now he's got your answers. *100 Animals That Can F\*cking End You* is the ultimate countdown to merk by animal, featuring everything from tiny bugs that can turn you into a hashtag to animals so massive they can murder you by accident. These include: • The massive Southern elephant seal, which "is built like a truck with the personality of a Spring Break frat boy" • Sperm whales with a call so strong it can vibrate you to death • A golf-ball-sized octopus that can erase twenty-six people with one bite • Hyenas, which have no qualms eating their prey while it is still alive • A snake so quick it can strike you three times before you blink You'll learn not only which animals to avoid, but which ones can beat you in a footrace, which ones create surprisingly high body counts, and which ones will give you a good reason never to venture into the ocean. Mamadou also offers the occasional survival tip, even if it is just to make peace with your higher power. This dynamic, fact-filled, occasionally disturbing book is perfect for animal lovers and anyone perplexed by the natural world.

**The Perfect Cookie** - America's Test Kitchen 2017-08-29

Featured in the New York Times book Review, Real Simple, Huffington Post, Forbes, Parade, and Southern Living. Portable, fun to make, easy to gift, and open to countless flavor variations, cookies are everyone's favorite sweet treat. America's Test Kitchen has years of experience making the very best cookies; in The Perfect Cookie, the test kitchen has collected all of that knowledge in one place for the definitive guide to cookie baking. This comprehensive anthology includes kitchen-tested, never-fail recipes for cookie jar classics, in addition to recipes for rich and chewy brownies, fruit-and-crumble-topped bars, quick no-bake confections, holiday favorites, and even candies like fudge and truffles; they're all included in this gorgeous package, with a full-page photo showing off every recipe. And, as only the test kitchen can, there are tips

and tricks throughout the chapters, as well as an introductory section to get you started with insight on everything from what makes a cookie chewy versus crispy to what baking sheet you should buy so that your cookies bake evenly every time. The result? The perfect cookie.
