**Switched on Pop** - Nate Sloan 2019-12-13

Pop music surrounds us - in our cars, over supermarket speakers, even when we are laid out at the dentist - but how often do we really hear what's playing? Switched on Pop is the book based on the eponymous podcast that has been hailed by NPR, Rolling Stone, The Guardian, and Entertainment Weekly for its witty and accessible analysis of Top 40 hits. Through close studies of sixteen modern classics, musicologist Nate Sloan and songwriter Charlie Harding shift pop from the background to the foreground, illuminating the essential musical concepts behind two decades of chart-topping songs. In 1939, Aaron Copland published *What to Listen for in Music*, the bestseller that made classical music approachable for generations of listeners. Eighty years later, Nate and Charlie update Copland's idea for a new audience and repertoire: 21st century pop, from Britney to Beyoncé, Outkast to Kendrick Lamar. Despite the importance of pop music in contemporary culture, most discourse only revolves around lyrics and celebrity. Switched on Pop gives readers the tools they need to interpret our modern soundtrack. Each chapter investigates a different song and artist, revealing musical insights such as how a single melodic motif follows Taylor Swift through every genre that she samples, André 3000 uses metric manipulation to get listeners to "shake it like a Polaroid picture," or Luis Fonsi and Daddy Yankee create harmonic ambiguity in "Despacito" that mirrors the patterns of global migration. Replete with engaging discussions and eye-catching illustrations, Switched on Pop brings to life the musical qualities that catapult songs into the pop pantheon. Readers will find themselves listening to familiar tracks in new ways and not just those from the Top 40. The timeless concepts that Nate and Charlie define can be applied to any musical style. From fanatics to skeptics, teenagers to octogenarians, non-musicians to professional composers, every music lover will discover something ear-opening in Switched on Pop.

**100 Songs** - Bob Dylan 2017-10-31

"Dylan remains the rare singer whose work is worth reading on the page. His words are consistently funny, alive to the sound of language, and of course appealingly cryptic." —The New York Times Book Review A new collection of Bob Dylan's most essential lyrics—one hundred songs that represent the Nobel Laureate's incredible range through the entirety of his career so far. Bob Dylan is one of the most important cultural figures of our time, and the first American musician in history to win the Nobel Prize for Literature. 100 Songs is an intimate and carefully curated collection of his most important lyrics that spans from the beginning of his career through the present day. Perfect for students who may be new to Dylan's work as well as longtime fans, this portable, abridged volume of these singular lyrics explores the depth, breadth, and magnitude of

one of the world's most enduring bodies of work.

**Night Out in London** - Richard de Clare 2002-09

**The Song Machine: Inside the Hit Factory** - John Seabrook 2015-10-05

"An utterly satisfying examination of the business of popular music." —Nathaniel Rich, The Atlantic There's a reason today's ubiquitous pop hits are so hard to ignore—they're designed that way. The Song Machine goes behind the scenes to offer an insider's look at the global hit factories manufacturing the songs that have everyone hooked. Full of vivid, unexpected characters—alongside industry heavy-hitters like Katy Perry, Rihanna, Max Martin, and Ester Dean—this fascinating journey into the strange world of pop music reveals how a new approach to crafting smash hits is transforming marketing, technology, and even listeners' brains. You'll never think about music the same way again. A Wall Street Journal Best Business Book

**Girl from the North Country** - Conor McPherson 2017-11-20

"The idea is inspired and the treatment piercingly beautiful . . . Two formidable artists have shown respect for the integrity of each other's work here and the result is magnificent." —Independent "Bob Dylan's back catalogue is used to glorious effect in Conor McPherson's astonishing cross-section of hope and stoic suffering . . . It is the constant dialogue between the drama and the songs that makes this show exceptional." —Guardian "Beguiling and soulful and quietly, exquisitely, heartbreaking. A very special piece of theatre." —Evening Standard "A populous, otherworldly play that combines the hard grit of the Great Depression with something numinous and mysterious." —Telegraph Duluth, Minnesota. 1934. A community living on a knife-edge. Lost and lonely people huddle together in the local guesthouse. The owner, Nick, owes more money than he can ever repay, his wife Elizabeth is losing her mind, and their daughter Marianne is carrying a child no one will account for. So when a preacher selling bibles and a boxer looking for a comeback turn up in the middle of the night, things spiral beyond the point of no return . . . In *Girl from the North Country*, Conor McPherson beautifully weaves the iconic songbook of Bob Dylan into a show full of hope, heartbreak and soul. It premiered at the Old Vic, London, in July 2017, in a production directed by the author. Conor McPherson is an award-winning Irish playwright. His best-known works include *The Weir* (Royal Court; winner of the 1999 Olivier Award for Best New Play), *Dublin Carol* (Atlantic Theater Company) and *The Seafarer* (National Theatre). Bob Dylan, born in Duluth, Minnesota, in 1941, is one of the most important songwriters of our time. Dylan was awarded the Nobel Prize for Literature in 2016. He released his thirty-ninth studio album, *Triplicate*, in April 2017, and continues to tour worldwide.

**Joel Whitburn Presents the Billboard Hot 100 Charts** - Joel Whitburn 2011-04-01

(Book). Check out all original 520 "Hot 100" charts published by Billboard from 2000 through 2009, including the non-published, electronic year-end charts! The charts are scanned in black and white at about 70% of their original size. The 2000s decade brought a lot of excitement to the "Hot 100"! In 2005, Billboard redesigned the chart to include a trivia column showing thumbnail photos of the newest and hottest artists and the "Between The Bullets" column. Chart by chart, music history will unfold before your eyes. Watch TV's hit-making power in American Idol stars like Carrie Underwood and Daughtry, with Disney Channel's High School Musical sensation and the Glee cast's resurrection of past hits. You will see the dominance of the decade's

debuters like Beyonce, Black Eyed Peas, Miley Cyrus, Rihanna and Lady Gaga alongside veterans such as Tim McGraw, Green Day, Jay-Z and Mariah Carey. Dive in and discover more!

The Nineties - Chuck Klosterman 2022-02-08

An instant New York Times bestseller! From the bestselling author of *But What if We're Wrong*, a wise and funny reckoning with the decade that gave us slacker/grunge irony about the sin of trying too hard, during the greatest shift in human consciousness of any decade in American history. It was long ago, but not as long as it seems: The Berlin Wall fell and the Twin Towers collapsed. In between, one presidential election was allegedly decided by Ross Perot while another was plausibly decided by Ralph Nader. In the beginning, almost every name and address was listed in a phone book, and everyone answered their landlines because you didn't know who it was. By the end, exposing someone's address was an act of emotional violence, and nobody picked up their new cell phone if they didn't know who it was. The 90s brought about a revolution in the human condition we're still groping to understand. Happily, Chuck Klosterman is more than up to the job. Beyond epiphenomena like "Cop Killer" and Titanic and Zima, there were wholesale shifts in how society was perceived: the rise of the internet, pre-9/11 politics, and the paradoxical belief that nothing was more humiliating than trying too hard. Pop culture accelerated without the aid of a machine that remembered everything, generating an odd comfort in never being certain about anything. On a 90's Thursday night, more people watched any random episode of *Seinfeld* than the finale of *Game of Thrones*. But nobody thought that was important; if you missed it, you simply missed it. It was the last era that held to the idea of a true, hegemonic mainstream before it all began to fracture, whether you found a home in it or defined yourself against it. In *The Nineties*, Chuck Klosterman makes a home in all of it: the film, the music, the sports, the TV, the politics, the changes regarding race and class and sexuality, the yin/yang of Oprah and Alan Greenspan. In perhaps no other book ever written would a sentence like, "The video for 'Smells Like Teen Spirit' was not more consequential than the reunification of Germany" make complete sense. Chuck Klosterman has written a multi-dimensional masterpiece, a work of synthesis so smart and delightful that future historians might well refer to this entire period as *Klostermanian*.

Pop Goes the Decade: The 2000s - Richard A. Hall 2021-04-30

Pop Goes the Decade: The 2000s comprehensively examines popular culture in the 2000s, placing the culture of the decade in historical context and showing how it not only reflected but also influenced its times. Pop Goes the Decade: The 2000s starts with a timeline of major historical pop culture events of the 2000s, followed by an introduction describing what the U.S. was like at the beginning of the new millennium and how it would change throughout the decade. Next come chapters broken down by medium: television, sports, music, movies, literature, technology, media, and fashion and art. A chapter on controversies in popular culture is followed by a chapter on game-changers, featuring 20 individuals who made a major impact on the U.S. in the 2000s. Finally, a conclusion shows the impact that pop culture in the 2000s has had on the U.S. in the years since. This volume serves as a comprehensive resource for high school and college students studying popular culture in the 2000s. It provides a summary of total impact, plus specific insights into each individual topic. It also includes a wide swath of the scholarship produced on the subject to date. Covers the people, events, and ideas whose impact is still felt in the years since the 2000s, rather than simply telling the history of a decade Offers a detailed understanding of the variety of strands composing the culture of the decade Covers the personalities who helped to shape the decade Suggests areas of further exploration for students of popular culture

**Big Book Of 90s Songs (PVG)** - Wise Publications 2014-03-07

The 90s was the decade of a long-running feud between Oasis and Blur as well as the rise of Britney Spears. It began with Sinead O'Connor

taking time out from expressing opinions to remind us that she had an angelic voice with Prince's 'Nothing Compares 2 U'. It proved a vintage decade for Canadians with Alanis Morissette's hit album Jagged Little Pill, Bryan Adams' 'Everything I Do (I Do It For You)' and Shania Twain's 'You're Still The One'. Take That dominated the first six years of the decade, then Robbie Williams defected and had his own memorable hit with 'Angels'. The Spice Girls came and went and 'Goodbye' became their farewell song even though it pre-dated their breakup by two years. Live it all again with this great song selection. Alright (Supergrass) Angels (Robbie Williams) ...Baby One More Time (Britney Spears) Back For Good (Take That) Barbie Girl (Aqua) Beautiful Stranger (Madonna) Common People (Pulp) Don't Speak (No Doubt) (Everything I Do) I Do It For You (Bryan Adams) Flying Without Wings (Westlife) Goodbye (Spice Girls) How Do I Live (LeAnn Rimes) Ironic Alanis (Morissette) Linger (The Cranberries) Live Forever (Oasis) Love Is All Around (Wet Wet Wet) More Than Words (Extreme) The Most Beautiful Girl In The World (Prince) Never Ever (All Saints) No Matter What (Boyzone) Nothing Compares 2 U (Sinead O'Connor) Old Red Eyes Is Back (The Beautiful South) Popsicle (Blur) Runaway (The Corrs) Show Me Heaven (Maria McKee) Torn (Natalie Imbruglia) Why Does It Always Rain On Me? (Travis) Wild Wood (Paul Weller) You're Still The One (Shania Twain)
