St. Augustine Answers 101 Questions on Prayer - Augustine 2009
How can I pray better? How do I know God hears my prayers? How can I 'pray always,' as Jesus commands? Why must I ask for things God already knows I need? Such were the questions that perplexed a young North African man, Augustine Aurelius (354-430), whose intense yearning for God led him into a profound and lifelong encounter with Christ in prayer. There Augustine found answers to these questions and to countless more answers not grounded in his own brilliance, but in prayer itself. In time, Augustine became a bishop and a Father of the Church, and has long been numbered among her saints. Yet of all the Church's saints, not one expresses the longing for God more beautifully, or explores the nature of prayer more helpfully, than St. Augustine. His words speak to us today as freshly as they did to his contemporaries. St. Augustine wrote many books, but never one devoted to prayer alone. Indeed, his teachings on prayer are scattered in many places. So from over 200 works, Fr. Cliff Ermatinger has gathered and translated Augustine's teachings on prayer, and now presents them here in a simple question-and-answer format. What emerges is nothing less than a rich new "catechism on prayer" by one of the Church's greatest saints.

Praying Wife - Meltoria a Woodside 2020-11-04

Many of us start out with the will and the desire to pray for our marriage and family. However, before we can see the manifestation of what we are praying for we feel drained, hopeless and lack confidence to persevere in prayer. At this point it seems as if we are experiencing more issues and intense warfare than we started with. As we see all the time, many wives are being defeated in the battle for their marriage. This is not because of the lack of power, but because of the lack of knowledge of the power they possess. The key to this knowledge and walking in the power given to us by the Lord Jesus Christ, is accessed through effective and fervent prayer. Jesus disciples ask Him "Lord teach us to pray"? They understood that there was a pattern to effective prayer, and they needed to learn that pattern. If you are going to be effective in praying for your marriage and family, or in any area of your life you must have the foundational understanding of prayer. The foundation is the strongest part of a structure. Once you have a strong foundation everything else will be solid. In this book "praying wife", is the foundation of effective prayer. The information that I share is what helped me to build a strong prayer life, not only in my marriage but for my entire life.
