Harmonic Analysis for Scale Selection and Chord Substitution -

Curt Sheller 2003-01-01

Applying harmonic analysis principles with harmonized scale charts for scale selection and chord substitution. Harmonic Analysis is the understanding of the functional sequence of chords. It is the process used to analyze the harmonic structure of a progression, song or composition. This analysis is then used to make scale selections for improvisation and chord substitution.

Justin Guitar - Note Reading for Guitarists -

Justin Sandercoe 2017-03-01

(Music Sales America). This book has been specially created for any guitarist who wants to learn note reading, be they beginners or more advanced players who have neglected this part of their musicianship. It starts with the very basics of written music and progressively introduces notes on each string one at a time until all notes in the "open position" (first five frets) of the guitar have been mastered, and up to 8th note rhythm subdivisions have been learned and applied. Also covered are sharps, flats, key signatures, accidentals, repeats and more. Each step

includes practical exercises, handy tips and tricks and a simple repertoire for students to put their reading skills into practice. Spiral open so it lays flat no matter what page you're on.

The Perpetual Beginner Dave Isaacs 2019-08-13

The Perpetual Beginner is part memoir, part musical instruction manual. Relating stories of his experiences as a young musician and music student in 1980's New York, author Dave Isaacs describes the key lessons that shaped his musical life and how they can help any aspiring musician at any age. The title refers to the average music hobbyist with more enthusiasm than skill or time to practice. Many people play for years without developing more than rudimentary abilities, and some become so frustrated by the struggle that they stagnate or quit. The stories in the book and the musical lessons they impart give these "perpetual beginners" the ideas, techniques, and encouragement that will help them begin to progress again. The title also references the Zen concept of "beginner's mind", a way of approaching any endeavor with the openness and zeal of a beginner regardless of experience.

Maintaining a beginner's mindset removes many of the self-limiting beliefs and inhibitions that hold many people back, thus enabling the learning process - hence the book's subtitle, "A musician's path to lifelong learning." Author Dave Isaacs is a musician, performing songwriter, and teacher based in Nashville, where he is known as the "Guitar Guru of Music Row".

108 Rock Star Guitars - Lisa S. Johnson 2016-08

(Book). Armed with a macro lens, an incredible eye for detail, and a truly groundbreaking vision, Lisa Johnson's guitar art is taking the world of fine art photography on a rock-and-roll ride. A compilation of Johnson's stunningly personal and intimate portraits, 108 Rock Star Guitars features the guitars of rock-and-roll luminaries, including Les Paul, Eric Clapton, Jimmy Page, Nancy Wilson, Bonnie Raitt, Chrissie Hynde, and many others. Far from still life, Johnson's work conjures the abstract yet also possesses a very sensual and ethereal feel that intentionally illustrates intimate wear-and-tear details. Her unique presentation personifies and captures a musician's true spirit in these musical extensions of the artist's body. This ultra-deluxe, coffee-table photo book reveals through Johnson's signature macrophotography style the etchings, totems, and personal touches of each featured guitar. It is a rare perspective that few people outside of the musicians' stage crew have seen. Alongside these images, Johnson provides personal anecdotes describing her 17-year journey to photograph these iconic instruments, documenting her travels from the backstage hallways of some the world's most famous concert venues to the artists' private homes. 108 Rock Star Guitars is a music and fine-art photography aficionado's private backstage pass to witness up-close these six-stringed works of art.

"This book will help you find a new relationship with your child, and perhaps, yourself ... It's never too late." Graham Nash

Zen Guitar - Philip Toshio Sudo 2013-08-27

Unleash the song of your soul with Zen Guitar, a contemplative handbook that draws on ancient Eastern wisdom and applies it to music and performance. Each of us carries a song inside us, the song that makes us human. Zen Guitar provides the key to unlocking this song—a series of life lessons presented through the metaphor of music. Philip Sudo offers his own experiences with music to enable us to rediscover the harmony in each of our lives and open ourselves to Zen awareness uniquely suited to the Western Mind. Through fifty-eight lessons that provide focus and a guide, the reader is led through to Zen awareness. This harmony is further illuminated through quotes from sources ranging from Eric Clapton and Jimi Hendrix to Miles Davis. From those who have never strummed a guitar to the more experienced, Zen Guitar shows how the path of music offers fulfillment in all aspects of life—a winning idea and an instant classic.
