The Fleet at Flood Tide - James D. Hornfischer 2017-11-14

NEW YORK TIMES BESTSELLER • The extraordinary story of the World War II air, land, and sea campaign that brought the U.S. Navy to the apex of its strength and marked the rise of the United States as a global superpower Winner, Commodore John Barry Book Award, Navy League of the United States • Winner, John Lehman Distinguished Naval Historian Award, Naval Order of the United States With its thunderous assault on the Mariana Islands in June 1944, the United States crossed the threshold of total war. In this tour de force of dramatic storytelling, distilled from extensive research in newly discovered primary sources, James D. Hornfischer brings to life the campaign that was the fulcrum of the drive to compel Tokyo to surrender—and that forever changed the art of modern war. With a close focus on high commanders, front-line combatants, and ordinary people, American and Japanese alike, Hornfischer tells the story of the climactic end of the Pacific War as has never been done before. Here are the epic seaborne invasions of Saipan, Tinian, and Guam, the stunning aerial battles of the Great Marianas Turkey Shoot, the first large-scale use of Navy underwater demolition teams, the largest banzai attack of the war, and the daring combat operations large and small that made possible the strategic bombing offensive culminating in the atomic strikes on Hiroshima and Nagasaki. From the seas of the Central Pacific to the shores of Japan itself, *The Fleet at Flood Tide* is a stirring, authoritative, and cinematic portrayal of World War II's world-changing finale. Illustrated with original maps and more than 120 dramatic photographs "Quite simply, popular and scholarly military history at its best."—Victor Davis Hanson, author of *Carnage and Culture* "The dean of World War II naval history . . . In his capable hands, the story races along like an intense thriller. . . . Narrative nonfiction at its finest—a book simply not to be missed."—James M. Scott, *Charleston Post and Courier* "An impressively lucid account . . . admirable, fascinating."—*The Wall Street Journal* "An extraordinary memorial to the courageous—and a cautionary note to a world that remains unstable and turbulent today."—Admiral James Stavridis, former Supreme Allied Commander, NATO, author of *Sea Power* "A masterful, fresh account . . . ably expands on the prior offerings of such classic naval historians as Samuel Eliot Morison."—*The Dallas Morning News*

The Lost Fleet: Fearless - Jack Campbell 2007-01-30

Captain John "Black Jack" Geary tries a desperate gamble to lead the Alliance Fleet home through enemy-occupied space in this novel in the thrilling *Lost Fleet* series. Geary is convinced that the Syndics are planning to ambush the fleet and finish it off once and for all. Realizing the fleet's best (and only) chance is to do the unexpected, Geary takes the offensive and orders the fleet to the Sancere system. There, a multitude of possible routes home give the Alliance fleet a better chance of avoiding their pursuers—and an attack on the Sancere shipbuilding facilities could decimate the Syndic war effort. Weary from endless combat, the officers and crew of the Alliance fleet can't see the sense in charging deeper into enemy territory—prompting a mutiny that divides them, and leaving Geary with the odds higher against him than ever before...

Storm from the Shadows - David Weber 2010-04-27

The New York Times Best-Selling Series Continues. First Time in Paperback. A New War for Honor Harrington's Comrades on Manticore. Rear Admiral Michelle Henke was commanding one of the ships in a force led by Honor Harrington in all-out space battle. The odds were against the Star Kingdom forces, and they had to run. But Michelle's ship was crippled, and had to be destroyed to prevent superior Manticoran technology from falling into Havenite hands, and she and her surviving crew were taken prisoner. Much to her surprise, she was repatriated to Manticore, carrying a request for a summit conference between the leaders of the two sides which might end the war. But a condition of her return was that she gave her parole not to fight against the forces of the Republic of Haven until she had been officially exchanged for a Havenite prisoner of war, so she was given a command far away from the war's battle lines. What she didn't realize was that she would find herself on a collision course, not with a hostile government, but with the interstellar syndicate of criminals known as Manpower. And Manpower had its own plans for eliminating Manticore as a possible threat to its lucrative slave trade, deadly plans which remain hidden in the shadows.

The Lost Fleet: Courageous - Jack Campbell 2007-12-18

The *Lost Fleet* continues its perilous journey home. Badly damaged and low on supplies, the Alliance Fleet is raiding Syndic mines for raw materials—and Captain "Black Jack" Geary hopes they can continue to remain one step ahead of their enemies. But the Syndics are the least of Geary's worries when he learns of the existence of aliens with the power to annihilate the human race.

Merchant of Venice - William Shakespeare 1843

Boundless - Jack Campbell 2021-06-15

Admiral John "Black Jack" Geary may have saved the Alliance only to destroy it, in this thrilling and eagerly awaited continuation of the New York Times bestselling series. Geary believed in the Alliance. Even when he uncovered overwhelming evidence that the highest echelons of the government and fleet command were involved in secret programs and prison camps, he believed it was worth saving. And that his duty was to see that justice was served even though some factions feared that revealing the truth would cause the Alliance to crumble. But after narrowly surviving two assassination attempts when he brings evidence of the misdeeds to the capital star system, Geary realizes that some have decided the easiest way to make the Alliance's problems go away is to get rid of him. He finds himself ordered to undertake a perilous new mission outside of the reaches of human-occupied space while the Senate clashes over the evidence. Geary's warships must escort a diplomatic and scientific mission across the dangerous, disintegrating remnants of the Syndicate Worlds empire. But even if he can make it to Midway Star System, the gateway to alien-controlled space, Geary will face former Syndicate officials who have rebelled and regard the Alliance with deep suspicion. And that will be the easy part. . . .

The Lost Stars: Imperfect Sword - Jack Campbell 2015-09-29

"The wait is over. New York Times bestselling author Jack Campbell continues his action-packed spin-off to the *Lost Fleet* series as the Syndicate's civil war threatens to spread even farther into the final frontier ... President Gwen Icen and General Artur Drakon have successfully liberated the Midway Star System—but the former rulers of the Syndicate Worlds won't surrender the region without a fight. The dictatorial regime has ordered the ex-Syndicate CEOs terminated with extreme prejudice and the system's citizens punished

for their defiance. Outnumbered and led by junior officers hastily promoted in the wake of the uprising, Midway's warships are no match for the fleet massing and preparing to strike. But the Syndicate isn't the only threat facing Icen and Drakon. Another former CEO has taken control of the Ulindi Star System, the first calculated move toward establishing his own little empire. With Drakon's ground forces dispatched to Ulindi, Midway erupts in violence as Syndicate agents and other, unknown enemies stoke a renewed revolt against Icen's power-leaving both her and Drakon vulnerable to trusted officers just waiting for an opportune moment to betray them ..."--

The Lost Fleet: Dauntless - Jack Campbell 2006-06-27

The first novel in the New York Times bestselling Lost Fleet series! The Alliance has been fighting the Syndics for a century—and losing badly. Now its fleet is crippled and stranded in enemy territory. Their only hope is a man who's emerged from a century-long hibernation to find he has been heroically idealized beyond belief.... Captain John "Black Jack" Geary's exploits are known to every schoolchild. Revered for his heroic "last stand" in the early days of the war, he was presumed dead. But a century later, Geary miraculously returns and reluctantly takes command of the Alliance Fleet as it faces annihilation by the Syndics. Appalled by the hero-worship around him, Geary is nevertheless a man who will do his duty. And he knows that bringing the stolen Syndic hypernet key safely home is the Alliance's one chance to win the war. But to do that, Geary will have to live up to the impossibly heroic "Black Jack" legend....

[Invincible](#) - Jack Campbell (Naval officer) 2013

When his fleet's hyperspace jump lands them in the midst of a massive, hostile alien armada, Admiral John "Black Jack" Geary tries to find a way to destroy the enemy while questioning the orders that led him right to them.

[Starfist: Force Recon: Pointblank](#) - David Sherman 2006-08-29

A bold new contingent—Force Recon—joins the explosive Starfist space epic of marines at war. A Confederation army is besieged on the planet Ravenette, cut off by and facing destruction at the hands of a dozen Secessionist Coalition worlds arrayed against it. The outnumbered and outgunned forces cling precariously to their foothold, dubbed "Bataan" by the desperate men in their fighting bunkers. Reinforcements are on the way, but will they arrive in time? And even if they do, can they match the well-led, highly motivated enemy determined to destroy them in battle? But the Confederation commander holds a wild card, an elite force armed only with what they carry on their backs and in their heads: a small detachment of Marines who lightly go where others fear to tread, the Fourth Force Recon Company. For anyone else this mission would be suicide, but for these Marines, it's just another day in the maelstrom.

Resolute - Jack Campbell 2022-06-28

Admiral John "Black Jack" Geary must battle dangers both within and without the Alliance, in this exciting continuation of the New York Times bestselling series. Geary knows that some political factions in the Alliance were just trying to get rid of him when he was assigned to escort a diplomatic and scientific mission to the far reaches of humanity's expansion into the galaxy . . . and beyond. But he views his mission as both a duty and an opportunity to make things better wherever he can. And when a crippled Rift Federation ship tumbles out of jump space, Geary leaps into action. But the survivors' story isn't completely adding up. As Geary investigates, he soon finds himself fending off spies and assassins while leading the fleet as it fights its way across space controlled by the mysterious and hostile aliens whom humans call enigmas. Challenges arrive at every turn, including an unknown alien species that invites the fleet to visit one of their star systems. With little information to go on, Geary must weigh the benefits of potential new allies against the possibility of a trap. The fate of the fleet—and perhaps even the future of humanity—will depend on him making the right decision. If he can stay alive long enough to do that.

Killers of the Flower Moon - David Grann 2017-04-18

NATIONAL BOOK AWARD FINALIST • NATIONAL BESTSELLER • A twisting, haunting true-life murder mystery about one of the most monstrous crimes in American history, from the author of The Lost City of Z. In the 1920s, the richest people per capita in the world were members of the Osage Nation in Oklahoma. After oil was discovered beneath their land, the Osage rode in chauffeured automobiles, built mansions, and sent their children to study in Europe. Then, one by one, the Osage began to be killed off. The family of an Osage woman, Mollie Burkhart, became a prime target. One of her relatives was shot. Another was poisoned. And it was just the beginning, as more and more Osage were dying under mysterious circumstances, and many of those who dared to investigate the killings were themselves murdered. As the death toll rose, the newly created FBI took up the case, and the young director, J. Edgar Hoover, turned to a former Texas Ranger named Tom White to try to unravel the mystery. White put together an undercover team, including a Native American agent who infiltrated the region, and together with the Osage began to expose one of the most chilling conspiracies in American history. Look for David Grann's new book, The Wager, coming in April 2023!

Station Eleven - Emily St. John Mandel 2014-09-09

NATIONAL BESTSELLER • An audacious, darkly glittering novel set in the eerie days of civilization's collapse—the spellbinding story of a Hollywood star, his would-be savior, and a nomadic group of actors roaming the scattered outposts of the Great Lakes region, risking everything for art and humanity. Now an original series on HBO Max. Over one million copies sold! Kirsten Raymonde will never forget the night Arthur Leander, the famous Hollywood actor, had a heart attack on stage during a production of King Lear. That was the night when a devastating flu pandemic arrived in the city, and within weeks, civilization as we know it came to an end. Twenty years later, Kirsten moves between the settlements of the altered world with a small troupe of actors and musicians. They call themselves The Traveling Symphony, and they have dedicated themselves to keeping the remnants of art and humanity alive. But when they arrive in St. Deborah by the Water, they encounter a violent prophet who will threaten the tiny band's existence. And as the story takes off, moving back and forth in time, and vividly depicting life before and after the pandemic, the strange twist of fate that connects them all will be revealed. Look for Emily St. John Mandel's new novel, Sea of Tranquility, coming soon!

[Ascendant](#) - Jack Campbell 2019-04-02

A young fleet officer and a Marine stand together to defend their colony in the continuation of the powerful and action-packed Genesis Fleet saga from New York Times bestselling author Jack Campbell. In the three years since former fleet officer Rob Geary and former Marine Mele Darcy led improvised forces to repel attacks on the newly settled world of Glenlyon, tensions have only gotten worse. When one of Glenlyon's warships is blown apart trying to break the blockade that has isolated the world from the rest of human-colonized space, only the destroyer Saber remains to defend it from another attack. Geary's decision to take Saber to the nearby star Kosatka to safeguard a diplomatic mission is a risky interpretation of his orders, to say the least. Kosatka has been fighting a growing threat from so-called rebels--who are actually soldiers from aggressive colonies. When a "peacekeeping force" carrying thousands of enemy soldiers arrives in Kosatka's star system, the people of that world, including Lochan Nakamura and former "Red" Carmen Ochoa, face an apparently hopeless battle to retain their freedom. It's said that the best defense is a good offense. But even if a bold and risky move succeeds, Geary and Darcy may not survive it...

The Lost Fleet: Beyond the Frontier: Dreadnaught - Jack Campbell 2011-04-26

View our feature on Jack Campbell's The Lost Fleet: Beyond the Frontier: Dreadnaught. The New York Times bestselling series that delivers "edge-of- your-seat combat" (Elizabeth Moon, author of the Vatta's War series). The Alliance woke Captain John "Black Jack" Geary from cryogenic sleep to take command of the fleet in the century-long conflict against the Syndicate Worlds. Now Fleet Admiral Geary's victory has earned him the adoration of the people-and the enmity of politicians convinced that a living hero can be a very inconvenient thing. Geary knows that members of the military high command and the government question his loyalty to the Alliance and fear his staging a coup-so he can't help but wonder if the newly christened First Fleet is being deliberately sent to the far side of space on a suicide mission.

Ad Astra - Jack Campbell 2013-02-12

From the author of the New York Times--bestselling Lost Fleet series comes 11 action-packed stories of space exploration. In Jack Campbell's Lost Fleet series, Campbell's hero Captain "Black Jack" Geary explores the furthest reaches of space. Here, Campbell explores what kinds of problems mankind might face as our horizons expand. The third in a series of collections of Campbell's short stories includes some of Campbell's favorite stories, and some of his earliest. A brand-new author's note accompanies each story. "Lady Be Good" is one of Campbell's most popular stories, winner of Analog magazine's "AnLab" reader poll for Best Short Story and cited in Gardner Dozois's Year's Best SF. The Lady Be Good is an old ship, running obscure routes (not all on the right side of the law), with her loyal first officer Kilcannon and

reclusive captain. When Kilcannon decides to rescue the survivors of an attack on a Vestral Company ship, a mysterious new passenger thanks him by asking difficult questions about the Lady, with unexpected answers. In "Kyrie Eleison," the Verio shipwrecked centuries ago on an out-of-the-way planet, and the descendants of the ship's survivors have gotten along as well as they can by following the orders that were passed on to them. But those orders weren't intended to govern life on the planet's surface, and when the Bellegrange arrives on a rescue mission, her captain will have to reckon with the unexpected social order on the planet. In "Do No Harm", a ship is so technologically advanced that it can repair itself—but turning over the keys might not be the best idea. And in "Down the Rabbit Hole," a series of failed attempts at faster-than-light travel lead to a novel approach: sending an untested Naval captain out in a space ship to see if he can figure out what's gone wrong. With eleven stories in all, Ad Astra is the most multi-faceted introduction to the short fiction of Jack Campbell, and an essential complement to his bestselling book-length work.

Dreadnaught - Jack Campbell 2011-09-09

Captain John "Black Jack" Geary woke from a century of survival hibernation to take command of the Alliance fleet in the final throes of its long and bitter conflict against the Syndicate Worlds. Now Fleet Admiral Geary's victory has earned him the adoration of the people and enmity of politicians convinced that a living hero can be a very dangerous thing. Geary is charged with command of the newly christened First Fleet. Its first mission: to probe deep into the territory of the mysterious alien race. Geary knows that members of the military high command and the government fear his staging a coup, so he can't help but wonder if the fleet is being deliberately sent to the far side of space on a suicide mission.

Last Day on Mars - Kevin Emerson 2017-02-14

"Last Day on Mars is thrillingly ambitious and imaginative. Like a lovechild of Gravity and The Martian, it's a rousing space opera for any age, meticulously researched and relentlessly paced, that balances action, science, humor, and most importantly, two compelling main characters in Liam and Phoebe. A fantastic start to an epic new series." —Soman Chainani, New York Times bestselling author of the School for Good and Evil series "Emerson's writing explodes off the page in this irresistible space adventure, filled with startling plot twists, diabolical aliens, and (my favorite!) courageous young heroes faced with an impossible task." —Lisa McMann, New York Times bestselling author of the Unwanteds series It is Earth year 2213—but, of course, there is no Earth anymore. Not since it was burned to a cinder by the sun, which has mysteriously begun the process of going supernova. The human race has fled to Mars, but this was only a temporary solution while we have prepared for a second trip: a one-hundred-fifty-year journey to a distant star, our best guess at where we might find a new home. Liam Saunders-Chang is one of the last humans left on Mars. The son of two scientists who have been racing against time to create technology vital to humanity's survival, Liam, along with his friend Phoebe, will be on the last starliner to depart before Mars, like Earth before it, is destroyed. Or so he thinks. Because before this day is over, Liam and Phoebe will make a series of profound discoveries about the nature of time and space and find out that the human race is just one of many in our universe locked in a dangerous struggle for survival.

The Lost Fleet: Beyond the Frontier: Guardian Campbell 2013-05-07

Admiral Geary's First Fleet of the Alliance has survived the journey deep into unexplored interstellar space, a voyage that led to the discovery of new alien species, including a new enemy and a possible ally. Now Geary's mission is to ensure the safety of the Midway Star System, which has revolted against the Syndicate Worlds empire—an empire that is on the brink of collapse. To complicate matters further, Geary also needs to return safely to Alliance space not only with representatives of the Dancers, an alien species, but also with Invincible, a captured warship that could possibly be the most valuable object in human history. Despite the peace treaty that Geary must adhere to at all costs, the Syndicate Worlds regime threatens to make the fleet's journey back grueling and perilous. And even if Geary escorts Invincible and the Dancers' representatives home unharmed, the Syndics' attempts to spread dissent and political unrest may have already sown the seeds of the Alliance's destruction...

Triumphant - Jack Campbell 2019-05-21

A young fleet officer and a Marine must stand together to defend their neighbors and their colony in this return to the powerful and action-packed Genesis Fleet saga from New York Times bestselling author Jack

Campbell. The recently colonized world of Glenlyon has learned that they're stronger when they stand with other star systems than they are on their own. But after helping their neighbor Kosatka against an invasion, Glenlyon has become a target. The aggressive star systems plan to neutralize Glenlyon before striking again. An attack is launched against Glenlyon's orbital facility with forces too powerful for fleet officer Rob Geary to counter using their sole remaining destroyer, Saber. Mele Darcy's Marines must repel repeated assaults while their hacker tries to get into the enemy systems to give Saber a fighting chance. To survive, Glenlyon needs more firepower, and the only source for that is their neighbor Kosatka or other star systems that have so far remained neutral. But Kosatka is still battling the remnants of the invasion forces on its own world, and if it sends its only remaining warship to help will be left undefended against another invasion. While Carmen Ochoa fights for the freedom of Kosatka, Lochan Nakamura must survive assassins as he tries to convince other worlds to join a seemingly hopeless struggle. As star systems founded by people seeking freedom and autonomy, will Kosatka, Glenlyon and others be able to overcome deep suspicions of surrendering any authority to others? Will the free star systems stand together in a new Alliance, or fall alone?

The Lost Fleet: Valiant - Jack Campbell 2008-06-24

Legendary war hero Captain "Black Jack" Geary fights to stay ahead of his enemies in the fourth novel in Jack Campbell's New York Times bestselling military science fiction series. Deep within Syndicate World space, the Alliance fleet continues its dangerous journey home under the command of Captain John "Black Jack" Geary—revived after a century spent in suspended animation. Geary's victories over the enemy have earned both the respect—and the envy—of his fellow officers... Geary has made many risky decisions as commander of the Alliance fleet, but ordering them back to the Lakota Star System where the Syndics nearly destroyed them has his officers questioning his sanity. It's a desperate gamble that may buy the fleet just enough time to prepare for the Syndics' inevitable return. Even as he struggles to give the fleet a fighting chance at survival, Geary faces dissent from within. An unknown number of officers want a change of command, but Geary knows that the Alliance fleet must stand together, or else the Syndic forces will tear them apart...

Vanguard - Jack Campbell (Naval officer) 2017

Jack Campbell returns to the world of the New York Times bestselling Lost Fleet novels with a new action-packed military science fiction series that explores the founding of the Alliance . . . and the men and women who fought to create it. Earth is no longer the center of the universe. After the invention of the faster-than-light jump drive, humanity is rapidly establishing new colonies. But the vast distances of space mean that the old order of protection and interstellar law offered by Earth has ceased to exist. When a nearby world attacks, the new colony of Glenlyon turns to Robert Geary, a young former junior fleet officer, and Mele Darcy, a onetime enlisted Marine. With nothing but improvised weapons and a few volunteers, Geary and Darcy must face down warships and armored soldiers--or die trying. As battles rage and pirates take an increasing toll throughout the colonies, the only hope for lasting peace lies with Carmen Ochoa, a "Red" from the anarchic world of Mars, and Lochan Nakamura, a failed politician. They have a plan: to lay the groundwork for mutual defense that could someday grow into an alliance. But if their efforts don't succeed,

the growing power of aggressor worlds could turn regions of space founded on freedom into battlefields between the first interstellar empires...

The Histories - Polybius 2019-12-20

Written in the 2nd century by the Greek historian Polybius, "The Histories" is a multi-volume work detailing many of the events, people, and ideas of the Hellenistic Period. While his focus is the space of time in which ancient Rome became a world power from 220 to 167 BC, Polybius also discusses his role as a 'pragmatic historian', a discourse on fate (called tyche), and the superiority of the mixed constitution. Though all forty volumes have not survived to the present day, the complete books extant today cover the affairs of all the important nations of the time, including Egypt, Greece, and Spain, as well as the first and second Punic Wars. Polybius speaks at length on the government of the Romans, citing it as the reason for Rome's success as a force of the world. Though it includes a couple of digressions concerning lesser issues of the time, "The Histories" has proven and continues to be a valuable text when studying the Hellenistic time period and manner of writing. Presented here in this volume are the complete extant histories of Polybius in a translation by W. R. Paton printed on premium acid-free paper.

The Lost Fleet: Victorious - Jack Campbell 2010-04-27

The Lost Fleet: Relentless found its way onto the New York Times bestseller list... Now Victorious leads the charge again-and "Black Jack" Geary is in command... As war continues to rage between the Alliance and Syndicate Worlds, Captain "Black Jack" Geary is promoted to admiral-even though the ruling council fears he may stage a military coup. His new rank gives him the authority to negotiate with the Syndics, who have suffered tremendous losses and may finally be willing to end the war. But an even greater alien threat lurks on the far side of the Syndic occupied space.

The History of Tom Jones : a Foundling - Henry Fielding 1859

Fight the Good Fight - Daniel Gibbs 2018-05-06

A republic under attack. A reluctant soldier. An all-out fight for the galaxy's soul. David Cohen prays he'll live to see the other side of his first deployment. His people thought they had left war behind when they fled Earth centuries ago. Time, though, has not dulled the hatred and intolerance of their erstwhile oppressors. To defend his homeland's freedom, David abandons his dream of becoming a rabbi for the battlefield... and discovers a side of himself he is not sure he can live with. David's focus is clear when the bullets are flying. In the long hours after, he must reckon with the toll that blood and blame bring upon his mind. Can he square the tenets of his faith against his responsibility to crew and country? Nothing has prepared him to make decisions that could cause ruin or an end to generations of conflict... except for trust in God, himself, and those who serve under him. If David Cohen survives it all, who will he be? Echoes of the Past: Fight the Good Fight is the first book in a military sci-fi trilogy that takes an unflinching look at sacrifice, duty, and the scars left on the minds of those who serve. The trials and tactics of a starship commander are only part of the story... because every soldier faces battles within.

Pirate of the Prophecy - Jack Campbell 2020-07-31

On the world of Dematr, the Emperor and his legions rule over the lands on the eastern side of the Sea of Bakre, and the Great Guilds rule over the Emperor and his subjects. The Mechanics Guild, whose members claim they came from the stars, controls technology far beyond that of the swords and sailing ships of the common people, while the Mage Guild wields strange powers that terrify all who face them. Jules, an orphan from the Imperial city of Landfall, has fought her way up to become an officer in training with the Emperor's fleet. But her plans and her life are shattered when a Mage prophesizes that a daughter of her line will one day overthrow the Great Guilds and free the world. In that moment, the prophecy takes over her life. The Mages plot to kill her, the Mechanics try to find ways to use her, and the Emperor seeks to coerce her into having his children. Unwilling to surrender her life to serving the prophecy, Jules makes her escape by joining the crew of a pirate ship. As she fights for her comrades' freedom as well as her own, she learns that the world is finally changing. But if that change triggers all-out war between the Great Guilds and the Empire, it may well devastate the world rather than free it.

The Lost Fleet: Relentless - Jack Campbell 2009-04-28

Captain John "Black Jack" Geary races to save a group of Alliance POWs from certain death in this gripping

novel in New York Times bestselling author Jack Campbell's Lost Fleet series. Alliance prisoners of war are being held at a labor camp in the Heradao star system, which also happens to be the location of the majority of the surviving Syndic warships. Determined not to leave any of his people behind, "Black Jack" Geary orders the fleet to strike hard and fast to rescue the POWs with minimal Alliance losses. The raid is successful, but victory is short-lived. Geary discovers that the Syndics plan to ambush the fleet with their powerful reserve flotilla in an attempt to annihilate it once and for all—but he doesn't know where the enemy is located. And as Geary has the fleet jump from one star system to the next, hoping to avoid the inevitable confrontation, saboteurs contribute to the chaos...

DEFENDING THE ALLIANCE. The search for two missing lieutenants leads Admiral Geary and the crew of Dauntless on a far-flung chase, ultimately ending at the one spot in space from which all humans have been banned: the moon Europa. Any ship that lands there must stay or be destroyed—leaving Geary to face the most profound moral dilemma of his life. As strains on the Alliance grow, Geary is ordered to take a small force to the border of Syndic space. But what he finds there is a danger much greater than anyone expected: a shrewd and powerful enemy that could finally force the Alliance to its knees. Praise for Jack Campbell's The Lost Fleet series: "Once again, the visceral action comes fast and furious... Well up to the high standards established by this intriguing series." Kirkus Reviews "One of the best military science fiction series on the market." Monsters and Critics
