The duties and pressures of running his pride have his libido dead on arrival—until a trip to London to discuss business with the former alpha lands him in the path of a beautiful, bewitching tigress who awakens a passion in him that flares white hot and a need of her that consumes his every moment. Promised at birth to a male she has never met, Maya has left her pride behind to go to the tiger alpha who is to be her mate, but she can't leave without saying goodbye to her older brother, Talon. A stop in London at Underworld to see him one last time turns out far different, and far more dangerous, than how she had imagined it when she sets eyes on an alluring crimson-haired stranger who stirs new, unbidden feelings in her, desires that rouse her fiercest and most frightening instincts and demand she stake a claim on him—her fated mate. Sometimes there's one a week or three in a day, but I need them. She's the only one who keeps me on track, talks me down, and accepts everything I am. We only had three rules. What are the chances? F*ck it. I need to meet her. I just don't expect to hate what I find. Ryen He hasn't written in three months. Something's wrong. Did he die? Get arrested? He could be gone forever. Or right under my nose, and I wouldn't even know it. *Punk 57 is a stand alone New Adult romance. It is suitable for ages 18+.

Goodbye Uni corns - E. L. George 2018-02

"Goodbye, unicorns." "What?" My heart dropped. "What?" was a stupid question. I knew exactly what she meant. Still, it was hardly the kind of thing I expected to hear a seven-year-old girl mumble as she headed out her bedroom door for what would probably be the last time. To an onlooker, it might make sense. Her room was, in fact, a pink and purple web of horned horses she'd spent more than half her life believing in. But I knew the rest of the story. And her words told me this was worse than a kid finding out about Santa. 'Goodbye unicorns' wasn't happening. Not on my watch. The true story of a little girl looking to find a new faith in the world after losing her mother to the drug epidemic, Goodbye Unicorns is a story of love, loss, rebuilding, and what it takes to restore magic for a kid has no reason to believe it exists... Could you have faith again?

Dear Killer - Katherine Ewell 2014-04-01

Full of "can't look away" moments, Dear Killer is a psychological thriller perfect for fans of gritty realistic fiction such as Dan Wells's I Am Not a Serial Killer and Jay Asher's Thirteen Reasons Why, as well as television's Dexter. Rule One—Nothing is right, nothing is wrong. Kit looks like your average seventeen-year-old high school student, but she has a secret—she's London's notorious "Perfect Killer." She chooses who to murder based on letters left in a secret mailbox, and she's good—no, perfect—at what she does. Her moral nihilism—the fact that she doesn't believe in right and wrong—makes being a serial killer a whole lot easier . . . until she breaks her own rules by befriending someone she's supposed to murder, as well as the detective in charge of the Perfect Killer case. As New York Times bestselling author of the Gone series Michael Grant says, Dear Killer is "shocking, mesmerizing, and very smart."
