“More than forty years of history bookend a lifelong love affair with reading for the resilient heroine of [this] novel set in Harvester, Minnesota.”

—Kirkus Reviews A Wall Street Journal Top 10 Book of the Year When Nell Stillman’s boorish husband dies soon after they move to the small town of Harvester, Minnesota, Nell is alone, penniless yet responsible for her beloved baby boy, Hillyard. Not an easy fate in small-town America at the beginning of the twentieth century. In the face of nearly insurmountable odds, Nell finds strength in lasting friendships and in the rich inner life awakened by the novels she reads. She falls in love with John Flynn, a charming congressman who becomes a father figure for Hillyard. She teaches at the local school and volunteers at the public library, where she meets Stella Wheeler and her charismatic daughter Sally. She becomes a friend and confidant to many of the girls in town, including Arlene and

Lark Erhardt. And no matter how difficult her day, Nell ends each evening with a beloved book, in this novel that celebrates the strength and resourcefulness of independent women, the importance of community, and the transformative power of reading. “Sullivan describes small-town life through the eyes of an intelligent, generous narrator who fights off gossip, pettiness and tragedy with compassion, perseverance and forgiveness. Who wouldn’t want to spend a late-summer afternoon or two in the company of such a person?”

—Minneapolis Star-Tribune
“Her novels are a reliably inviting world, full of friendly faces and intimate dramas. However you first make your way to Harvester, you’ll want to return.” —The Wall Street Journal “[An] inspiring novel, which should find its way onto the reading lists of book clubs.”

The Marriage Game - Fern Michaels 2007-04-17

In a dazzling celebration of the power of friendship and love, acclaimed bestselling author Fern Michaels brings her trademark wit and warmth to an action-packed story featuring a group of diverse women who bond Survivor-style under the most unlikely of circumstances...and find romance along the way. When Samantha Rainford—newly wed to Douglas Cosmo Rainford III—returns home from her honeymoon to find divorce papers waiting, she's shocked and heartbroken. Then she discovers that she's not the first to be abandoned—she's one of four (or maybe more) ex-Mrs. Rainfords—and decides it's time to put into practice that old truism: Don't get mad, get even. With the help of her

longtime girlfriend Slick, a glamorous fashion model, Sam gathers together a highly unlikely team: Mrs. Kayla Rainford, an architect who moonlights as an exotic dancer; Mrs. Zoe Rainford, a plumber; and Mrs. Olivia Rainford, a former cheerleader and cartoon artist. Sam and Slick flunked out of FBI training school, but they still learned a few things there—like how to plan a mission. And the fivesome is determined to do whatever it takes to bring down Douglas Rainford III. Whatever it takes means attending a top-secret private special-ops training camp in the North Carolina mountains, where Sam meets fiercely disciplined ex-CIA operative Kollar Havapopulas. Six feet three and handsome as a Greek god, "Pappy" is the best at what he does—transforming civilians into highly skilled fighting teams. What he's less adept at, however, is telling a woman how he feels, and before long he discovers he's developing some very warm feelings for Samantha

Rainford—an attraction that seems fated to be a total disaster. Two personalities as strong as Sam and Pappy are sure to strike sparks, but will the fire that burns between them consume everything in its way?

Now Is the Time to Open Your Heart - Alice Walker

2004-04-20

The Pulitzer Prize-winning author of *The Color Purple*, *Possessing the Secret of Joy*, and *The Temple of My Familiar* now gives us a beautiful new novel that is at once a deeply moving personal story and a powerful spiritual journey. In *Now Is the Time to Open Your Heart*, Alice Walker has created a work that ranks among her finest achievements: the story of a woman's spiritual adventure that becomes a passage through time, a quest for self, and a collision with love. Kate has always been a wanderer. A well-published author, married many times, she has lived a life rich with explorations of the natural world and the human soul. Now, at fifty-seven, she leaves her lover, Yolo, to embark on a new excursion, one that begins on the

Colorado River, proceeds through the past, and flows, inexorably, into the future. As Yolo begins his own parallel voyage, Kate encounters celibates and lovers, shamans and snakes, memories of family disaster and marital discord, and emerges at a place where nothing remains but love. Told with the accessible style and deep feeling that are its author's hallmarks, *Now Is the Time to Open Your Heart* is Alice Walker's most surprising achievement.
