**Why Suffering?** - Ravi Zacharias 2014-10-21

Why would a loving and powerful God allow so much pain and suffering?

In WHY SUFFERING? Ravi Zacharias and Vince Vitale carefully walk you through a variety of responses that considered together provide a clear, comprehensive, and convincing answer. Responses like: Where there is the possibility of love, there has to be the reality of freedom, and therefore the possibility of pain. Wishing God had made a different world is to wish yourself out of existence. The cross is the key to a compelling and rational explanation for trusting in God in the face of suffering. In comparison with other world religions, the Christian response is highly distinctive. The reality of evil only makes sense in light of the reality of divine goodness. Relational knowledge about God takes the argument beyond reason to the presence of God amidst suffering. God's decision to allow temporal suffering is understandable when viewed from an eternal perspective. Divine goodness shows how to conquer not in spite of, but even through suffering. Here is a book written with great respect for the complexity of the issue, recognizing that some who read it will be in the trenches of deep suffering themselves and others questioning the very existence of a loving God. WHY SUFFERING? provides an answer to the problem of pain and suffering with emotional sensitivity and intellectual integrity.

**Why Jesus?** - Ravi Zacharias 2012-01-25

The author believes that over the past forty years movements like New Age spirituality and society's obsession with human potential have combined like a "perfect storm" to redefine for popular culture what has been for centuries the classic biblical definition of the person, work, and teaching of Jesus Christ. In WHY JESUS?, Ravi Zacharias looks at the impact of this "storm" by discussing the 60s-70s "Age of Aquarius," actor Shirley MacLaine's book and TV series *Out On a Limb*, author James Redfield (*The Celestine Prophecy*), Rhonda Byrne (*The Secret*), Dan Brown (*The Da Vinci Code*), and other books by Eckart Tolle, Wayne Dyer, Deepak Chopra, the Dalai Lama, and Marianne Williamson. Special attention will be given to the influence of Oprah Winfrey's media platform in reshaping society by introducing and promoting certain books and authors. Major new age and human potential tenets will be discussed like: the belief that we are all gods and have to discover our divinity; Jesus was only a good teacher; Christianity is but one among many ways to eternal life; reincarnation is real; Jesus was married; truth is relative; there is no sin; and perfection is possible. The truth of and the arguments for the bodily resurrection of Jesus will be presented as the most important argument for the exclusive claims about Jesus and Christianity.

You can't be friends with God if the God you believe in doesn't really exist. You can't depend on God if your God is a figment of your imagination. In a world full of gods, how do you know Jesus is real? You **have** probably heard things like: All religions lead to the same God. All faiths teach the same things. It doesn't matter what you believe-just that you believe sincerely. But Jesus said that: He alone is the way to God. He alone shows us the truth of who God is. He alone gives us life close to God. In this youth edition of *Jesus Among Other Gods*, Ravi Zacharias gives solid evidence as to why we should choose Jesus Christ as THE God among all other gods. Zacharias contrasts the truth of Jesus with the founders of Islam, Hinduism, and Buddhism, providing strong descriptions of each faith and solid defenses for the cause of Christ. In addition to the religion comparisons, the book answers questions such as: "What about all the hypocrites at church?" "How scientific is science?" *Jesus Among Secular Gods* Ravi Zacharias 2017-01-03

will provide Christians with the knowledge to articulate why they believe that Jesus stands tall above all other gods.
