Crime and Punishment (Translated by Constance Garnett with an Introduction by Nathan B. Fagin) - Fyodor Dostoyevsky 2017-05
Raskolnikov is an impoverished former student living in Saint Petersburg, Russia who feels compelled to rob and murder Alyona Ivanovna, an elderly pawn broker and money lender. After much deliberation the young man sneaks into her apartment and commits the murder. In the chaos of the crime Raskolnikov fails to steal anything of real value, the primary purpose of his actions to begin with. In the period that follows Raskolnikov is racked with guilt over the crime that he has committed and begins to worry excessively about being discovered. His guilt begins to manifest itself in physical ways. He falls into a feverish state and his actions grow increasingly strange almost as if he subconsciously wishes to be discovered. As suspicion begins to mount towards him, he is ultimately faced with the decision as to how he can atone for the heinous crime that he has committed, for it is only through this atonement that he may achieve some psychological relief. As is common with Dostoyevsky's work, the author brilliantly explores the psychology of his characters, providing the reader with a deeper understanding of the motivations and conflicts that are central to the human condition. First published in 1866, "Crime and Punishment" is one of Fyodor Dostoyevsky's most famous novels, and to this day is regarded as one of the true masterpieces of world literature. This edition is printed on premium acid-free paper, is translated by Constance Garnett, and includes

Approaches to Teaching Dostoevsky's Crime and Punishment - Michael Katz 2022-04-05

Recounting the murder of an elderly woman by a student expelled from university, *Crime and Punishment* is a psychological and political novel that portrays the strains on Russian society in the middle of the nineteenth century. Its protagonist, Raskolnikov, moves in a world of dire poverty, disillusionment, radicalism, and nihilism interwoven with religious faith and utopianism. In Dostoevsky's innovative style, which he called fantastic realism, the narrator frequently reports from within the protagonist's mind. The depiction of the desperate lives of tradespeople, students, alcoholics, prostitutes, and criminals gives readers insight into the urban society of St. Petersburg at the time. The first part of this book offers instructors guidance on Russian editions and English translations, a map of St. Petersburg showing locations mentioned in the novel, a list of characters and an explanation of the Russian naming system, analysis of key scenes, and selected critical works on the novel. In the second part, essays address many of Dostoevsky's themes and consider the role of ethics, gender, money, Orthodox Christianity, and social justice in the narrative. The volume concludes with essays on digital media and film adaptations.

Conversations with Three Russians: Tolstoy, Dostoevsky, Lenin Anatol Rapoport 2005

Dostoevsky - Joseph Frank 2020-03-31

This fifth and final volume of Joseph Frank's justly celebrated literary and cultural biography of Dostoevsky renders with a rare intelligence and grace the last decade of the writer's life, the years in which he wrote *A Raw Youth*, *Diary of a Writer*, and his crowning triumph: *The Brothers Karamazov*. Dostoevsky's final years at last won him the universal approval toward which he had always aspired. While describing his idiosyncratic relationship to the Russian state, Frank also details Dostoevsky's continuing rivalries with Turgenev and Tolstoy. Dostoevsky's appearance at the Pushkin Festival in June 1880, which preceded his death by one

year, marked the apotheosis of his career--and of his life as a spokesman for the Russian spirit. There he delivered his famous speech on Pushkin before an audience stirred to a feverish emotional pitch: "Ours is universality attained not by the sword, but by the force of brotherhood and of our brotherly striving toward the reunification of mankind." This is the Dostoevsky who has entered the patrimony of world literature, though he was not always capable of living up to such exalted ideals. The writer's death in St. Petersburg in January of 1881 concludes this unparalleled literary biography--one truly worthy of Dostoevsky's genius and of the remarkable time and place in which he lived.

Quicklet on Fyodor Dostoyevsky's Crime and Punishment - Sam Kim 2012-05-15

Crime and Punishment is widely held to be one of Dostoyevsky's greatest works, second only to the grandiosity of *The Brothers Karamazov*. Like the latter, our present masterpiece delves into the complex and, at times, paradoxical nature of man's existence and psychological makeup. The novel was originally published in 1866 in a dozen separate installments, and as a single book a year later. The story takes place in mid-nineteenth century St. Petersburg, Russia, and though the title might suggest a typical crime drama, the book is not a simple narrative about a criminal who is brought to justice by lawmen, but about the inner struggle and anguish of a proud intellectual, Raskolnikov, who longs to free himself from mundane existence. To do so, he commits an "extraordinary" act, murder, but finds himself bound by the same guilt, fear, and fate of all other trespassers of justice, no different than the rest.

Plots - Robert L. Belknap 2016-05-17

Robert L. Belknap's theory of plot illustrates the active and passive roles literature plays in creating its own dynamic reading experience. Literary narrative enchants us through its development of plot, but plot tells its own story about the making of narrative, revealing through its structures, preoccupations, and strategies of representation critical details about how and when a work came into being. Through a rich

reading of Shakespeare's *King Lear* and Dostoyevsky's *Crime and Punishment*, Belknap explores the spatial, chronological, and causal aspects of plot, its brilliant manipulation of reader frustration and involvement, and its critical cohesion of characters. He considers Shakespeare's transformation of dramatic plot through parallelism, conflict, resolution, and recognition. He then follows with Dostoyevsky's development of the rhetorical and moral devices of nineteenth-century Russian fiction, along with its epistolary and detective genres, to embed the reader in the murder Raskolnikov commits. Dostoyevsky's reinvention of the psychological plot was profound, and Belknap effectively challenges the idea that the author abused causality to achieve his ideological conclusion. In a final chapter, Belknap argues that plots teach us novelistic rather than poetic justice. Operating according to their own logic, plots provide us with a compelling way to see and order our world.

Dostoyevsky in Context Deborah A. Martinsen 2016-01-05

This volume explores the Russia where the great writer, Fyodor Dostoyevsky (1821–81), was born and lived. It focuses not only on the Russia depicted in Dostoyevsky's works, but also on the Russian life that he and his contemporaries experienced: on social practices and historical developments, political and cultural institutions, religious beliefs, ideological trends, artistic conventions and literary genres. Chapters by leading scholars illuminate this broad context, offer insights into Dostoyevsky's reflections on his age, and examine the expression of those reflections in his writing. Each chapter investigates a specific context and suggests how we might understand Dostoyevsky in relation to it. Since Russia took so much from Western Europe throughout the imperial period, the volume also locates the Russian experience within the context of Western thought and practices, thereby offering a multidimensional view of the unfolding drama of Russia versus the West in the nineteenth century.

Challenging the Bard - Gary Rosenshield 2013-07-08

In this book, the author engages with the critical histories of two literary titans, illuminating how Dostoyevsky reacted to, challenged, adapted, and

ultimately transformed the work of his predecessor Pushkin. Focusing primarily on Dostoevsky's works through 1866 - including *Poor Folk*, *The Double*, *Mr. Prokharchin*, *The Gambler*, and *Crime and Punishment* - the author observes that the younger writer's way to literary greatness was not around Pushkin, but through him.

Crime and Punishment by Fyodor Dostoevsky - Joseph Cowley 2011-09-15

Dostoevsky was the son of a doctor. His parents were hard-working, religious people but poor. His first work, "Poor Folk," was published by the poet Nekrassov, and he found himself an instant

celebrity. A brilliant career seemed opened to him, but in 1849 he was arrested and condemned to death. A member of a group of young men who met to read Fourier and Proudhon, he was accused of "taking part in conversations against the censorship... and of knowing of the intention to use a printing press." After eight months' in jail, he was taken to the Semyonovsky Square to be shot. Suddenly the troops beat a tattoo; they were unbound, and informed that his Majesty had spared their lives. The sentence was commuted to hard labor -- four years of penal servitude in Siberia, where he began "Dead House," and some years in a disciplinary battalion. In 1864 he lost first wife and his brother Mihail. He was in terrible poverty, yet he took upon himself the payment of his brother's debts. Weighed down by debt, he wrote at heart-breaking speed, and is said never to have corrected his work. The later years of his life were much softened by the tenderness and devotion of his second wife. In June 1880 he made his famous speech at the unveiling of the monument to Pushkin in Moscow and was received with demonstrations of love and honor. A few months later he died. He was followed to the grave by a vast multitude of mourners. He is still probably the most widely read writer in Russia. In the words of a Russian critic, "He was one of ourselves, a man of our blood and our bone, but one who has suffered and has seen so much more deeply than we have his insight impresses us as wisdom... that wisdom of the heart which we seek that we may learn from it how to live."

Crime And Punishment - Fyodor Dostoevsky
2021-01-18

A few words about Dostoevsky himself may help the English reader to understand his work. Dostoevsky was the son of a doctor. His parents were very hard-working and deeply religious people, but so poor that they lived with their five children in only two rooms. The father and mother spent their evenings in reading aloud to their children, generally from books of a serious character. Though always sickly and delicate Dostoevsky came out third in the final examination of the Petersburg school of Engineering. There he had already begun his first work, "Poor Folk." This story was published by the poet Nekrassov in his review and was

received with acclamations. The shy, unknown youth found himself instantly something of a celebrity. A brilliant and successful career seemed to open before him, but those hopes were soon dashed. In 1849 he was arrested.

Dimensions of Laughter in Crime and Punishment - John Spiegel 2000

Tolstoy on the Couch - Daniel Rancour-Laferrriere 1998-07-08

In his 1889 novella *The Kreutzer Sonata* Lev Tolstoy declared war on human sexuality. Having fathered thirteen children by his wife and at least two children by peasant women, the great Russian writer now has the arrogance to suggest that people should stop having children. Psychoanalysis of Tolstoy's diaries and other private materials reveals that Tolstoy's anti-sex position was grounded in a sadistic attitude towards women (including his wife Sonia) and a punishing, masochistic attitude towards himself.

These feelings, in turn, were related to the trauma of maternal loss in Tolstoy's early childhood.

Dostoevsky's "Crime and Punishment" - Deborah A. Martinsen 2022-02-22

Crime and Punishment: A Reader's Guide focuses on narrative strategy, psychology, and ideology. Martinsen demonstrates how Dostoevsky first plunges the reader into Raskolnikov's fevered brain, creating sympathy for him, and she explains why most readers root for him to get away from the scene of the crime. Dostoevsky subsequently provides outsider perspectives on Raskolnikov's thinking, effecting a conversion in reader sympathy. By examining the multiple justifications for murder Raskolnikov gives as he confesses to Sonya, Dostoevsky debunks rationality-based theories. Finally, the question of why Raskolnikov and others, including the reader, focus on the murder of the pawnbroker and forget the unintended murder of Lizaveta reveals a narrative strategy based on shame and guilt.

Crime and Punishment: A New Translation - Fyodor Dostoevsky 2017-11-21

A celebrated new translation of Dostoevsky's masterpiece reveals the "social problems facing our own society" (Nation). Published to great acclaim and fierce controversy in 1866, Fyodor Dostoevsky's *Crime and Punishment* has left an indelible mark on global literature and on our modern world. Declared a PBS "Great American Read," Michael Katz's sparkling new translation gives new life to the story of Raskolnikov, an impoverished student who sees himself as extraordinary and therefore free to commit crimes—even murder—in a work that best embodies the existential dilemmas of man's instinctual will to power. Embracing the complex linguistic blend inherent in modern literary Russian, Katz "revives the intensity Dostoevsky's first readers experienced, and proves that *Crime and Punishment* still has the power to surprise and enthrall us" (Susan Reynolds). With its searing and unique portrayal of the labyrinthine universe of nineteenth-century St. Petersburg, this "rare Dostoevsky translation" (William Mills Todd III, Harvard) will captivate lovers of world literature for years to come.

Crime and Punishment - Fyodor Dostoyevsky 2006-03-07

Dostoyevsky's epic masterpiece, unabridged, with an afterword by Robin Feuer Miller One of the world's greatest novels, *Crime and Punishment* is the story of a murder and its consequences—an unparalleled tale of suspense set in the midst of nineteenth-century Russia's troubled transition to the modern age. In the slums of czarist St. Petersburg lives young Raskolnikov, a sensitive, intellectual student. The poverty he has always known drives him to believe that he is exempt from moral law. But when he puts this belief to the test, he suffers unbearably. *Crime and Punishment*, the novel reminds us, grows from the same seed. "No other novelist," wrote Irving Howe of Dostoyevsky, "has dramatized so powerfully the values and dangers, the uses and corruptions of systematized thought." And Friedrich Nietzsche called him "the only psychologist I have anything to learn from." With an Introduction by Leonard J. Stanton and James D. Hardy Jr. and an Afterword by Robin Feuer Miller

Profane Challenge and Orthodox Response in Dostoevsky's "Crime and Punishment" - Janet G. Tucker 2008

Profane Challenge and Orthodox Response in Dostoevsky's Crime and Punishment presents for the first time an examination of this great novel as a work aimed at winning back "target readers", young contemporary radicals, from Utilitarianism, nihilism, and Utopian Socialism. Dostoevsky framed the battle in the context of the Orthodox Church and oral tradition versus the West. He relied on knowledge of the Gospels as text received orally, forcing readers to react emotionally, not rationally, and thus undermining the very basis of his opponents' arguments. Dostoevsky saves Raskol'nikov, underscoring the inadequacy of rational thought and reminding his readers of a heritage discarded at their peril. This volume should be of special interest to secondary and university students, as well as to readers interested in literature, particularly, in Russian literature, and Dostoevsky.

Balancing Privacy and Free Speech - Mark

Tunick 2014-08-21

In an age of smartphones, Facebook and YouTube, privacy may seem to be a norm of the past. This book addresses ethical and legal questions that arise when media technologies are used to give individuals unwanted attention. Drawing from a broad range of cases within the US, UK, Australia, Europe, and elsewhere, Mark Tunick asks whether privacy interests can ever be weightier than society's interest in free speech and access to information. Taking a comparative and interdisciplinary approach, and drawing on the work of political theorist Jeremy Waldron concerning toleration, the book argues that we can still have a legitimate interest in controlling the extent to which information about us is disseminated. The book begins by exploring why privacy and free speech are valuable, before developing a framework for weighing these conflicting values. By taking up key cases in the US and Europe, and the debate about a 'right to be forgotten', Tunick discusses the potential costs of limiting free speech, and points to legal remedies and other ways to develop new social attitudes to privacy in an age of instant information sharing. This book will be of great interest to students of privacy law, legal ethics, internet governance and media law in general.

Dostoevsky's Crime and Punishment - Robert Guay 2019-04-26

The gruesome double-murder upon which the novel *Crime and Punishment* hinges leads its culprit, Raskolnikov, into emotional trauma and obsessive, destructive self-reflection. But Raskolnikov's famous philosophical musings are just part of the full philosophical thought manifest in one of Dostoevsky's most famous novels. This volume, uniquely, brings together prominent philosophers and literary scholars to deepen our understanding of the novel's full range of philosophical thought. The seven essays treat a diversity of topics, including: language

and the representation of the human mind, emotions and the susceptibility to loss, the nature of agency, freedom and the possibility of evil, the family and the failure of utopian critique, the authority of law and morality, and the dialogical self. Further, authors provide new approaches for thinking about the relationship between literary representation and philosophy, and the way that Dostoevsky labored over intricate problems of narrative form in *Crime and Punishment*. Together, these essays demonstrate a seminal work's full philosophical worth—a novel rich with complex themes whose questions reverberate powerfully into the 21st century.

Introducing Bakhtin - Sue Vice 1997

The Russian critic and theorist Mikhail Bakhtin is once again in favor, his influence spreading across many discourses including literature, film, cultural and gender studies. This book provides the most comprehensive introduction to Bakhtin's central concepts and terms. Sue Vice illustrates what is meant by such ideas as carnival, the grotesque body, dialogism and heteroglossia. These concepts are then placed in a contemporary context by drawing out the implications of Bakhtin's writings, for current issues such as feminism and sexuality. Vice's examples are always practically based on specific texts such as the film *Thelma and Louise*, Helen Zahavi's *Dirty Weekend* and James Kelman's *How late it was, how late*.

Crime and Punishment - Fyodor Dostoevsky 2017-09-01

'One death, in exchange for thousands of lives - it's simple arithmetic!' A new translation of Dostoevsky's epic masterpiece, *Crime and Punishment* (1866). The impoverished student Raskolnikov decides to free himself from debt by killing an old moneylender, an act he sees as elevating himself above conventional morality. Like Napoleon he will assert his will and his crime will be justified by its elimination of 'vermin' for the sake of the greater good. But Raskolnikov is torn apart by fear, guilt, and a growing conscience under the influence of his

love for Sonya. Meanwhile the police detective Porfiry is on his trial. It is a powerfully psychological novel, in which the St Petersburg setting, Dostoevsky's own circumstances, and contemporary social problems all play their part.

Written in a conversational style that combines literary analysis and cultural history, *Lectures on Dostoevsky* places the novels and their key characters and scenes in a rich context. Reading Dostoevsky - Victor Terras 1998

In this critical introduction to Dostoevsky's fiction, the author asks readers to draw their own conclusions about the nineteenth-century Russian writer. Discussing psychological, political, mythical, and philosophical approaches, he guides readers through the range of diverse and even contradictory interpretations of Dostoevsky's rich novels.
