*Criminal Law* C. R. Snyman 2008

**Criminal Procedure in Canada** - Steven Penney 2017

**LexisNexis Practice Guide: Michigan Criminal Law** - Brian Zobel 2017-11-24

The purpose of LexisNexis Practice Guide: Michigan Criminal Law is to describe the entire criminal law process in Michigan, from the initial case evaluation to appeals and appellate issues. The publication is targeted at both prosecutors and defense attorneys, as well as at anyone with an interest in criminal law in Michigan. The publication is also targeted at anyone who seeks the most recent knowledge and research on DNA testing and the use of DNA evidence at trial, regardless of jurisdiction. User benefits: Authoritative legal analysis with an expert author's practical insights, distilled from years of litigation and trial practice; Step-by-step guidance on the many procedural issues and topics relevant to Michigan criminal practice; Quickly points to LexisNexis resources that can help build a case; Concise writing style and streamlined chapter format; Many useful examples and case studies; Abundance of checklists and Practice Tips; Multitude of references to leading and related cases; and A valuable guide for the experienced practitioner that is easy to use even for the novice, and for all practitioners who need to know about Michigan criminal law. The author currently is an attorney and independent forensic science consultant specializing in DNA analysis and interpretation, forensic pathology, and forensic chemistry.

*Criminal Defences in Australia* Paul A. Fairall 2017

"[This book analyzes] the defences to criminal prosecutions both at common law and under statute in all jurisdictions of Australia. The various defences are described...together with the circumstances under which they can be raised and how several defences can be combined. The inter-relationship of the defences is also fully explored, with an eye to jurisdictional differences. It also includes additional analysis of Infanticide and Infancy as well as touching upon the Commonwealth Criminal Code."--

**Criminal Constitutional Law** - David Stewart Rudstein 1990

*Tell the Client's Story* - Edward C. Monahan 2018-03-07

This edition is fully up to date with all laws enacted by the General Assembly through Session Laws 2021-162 of the 2021 Regular Session. It also includes a convenient listing of sections affected by 2021 legislation. -- From the foreword.

**Cases and Problems in Criminal Law** - Myron Moskowitz 2012-01-20

A client comes to a lawyer with a difficult legal problem, involving a complex set of facts. The lawyer then researches the legal issues, finding a cluster of cases and statutes - almost all from the jurisdiction in which the problem arises. In order to advise the client (and, if necessary, to litigate the case), the lawyer must analyze, distinguish, reconcile, and interrelate the authorities in the cluster, seeing them as a group indicating the direction of that state's law, as well as seeing them separately. Cases and Problems in Criminal Law contains the caselaw that law students have to know and helps professors to recreate that experience so their students can learn how to handle it. This eBook features links to Lexis Advance for further legal research options.

**Criminal Law** - David Crump 2020

"Criminal Law: Cases, Statutes, and Lawyering Strategies covers all of the traditional criminal law subjects and also contains several special features: explanations and introductions to complex material, a problem approach, an emphasis on reading statutes, current issues such as terrorism, case files, sound coverage of some important areas neglected by other books, and a focus on the realities of the criminal law"-- \$c Provided by publisher.

CRIMINAL LAW STUDY GUIDE provides a set of structured and organised outlines of all main offences and defenses under the Crimes Act 1961. The outlines provide a concise but comprehensive overview of the requirements of the main offences and defenses. Relevant definitions, applicable legal tests and common problems are directly incorporated into the outlines.

*Texas Criminal and Traffic Law Manual 2011-2012* - Lexisnexis 2011-09-01

**Georgia Criminal Law Case Finder** - Donald F. Samuel 1993-01-01

**Understanding Criminal Law** - Joshua Dressler 2001

**Understanding Criminal Procedure: Investigation** - Joshua Dressler 2010-01-01

The fifth edition of Understanding Criminal Procedure is new in many respects. Most significantly, it has been enlarged to two volumes. The first volume is intended for use in criminal procedure courses focusing

primarily or exclusively on police investigatory process. Such courses are variously titled: Criminal Procedure I; Criminal Procedure: Investigation; Criminal Procedure: Police Practices; Constitutional Criminal Procedure; etc. Because some such courses also cover the defendant's right to counsel at trial and appeal, the first volume includes a chapter on this non-police-practice issue. (The latter chapter is also included in Volume Two.) The second volume of *Understanding Criminal Procedure* covers the criminal process after the police investigation ends, and the adjudicative process commences. This book is useful in criminal procedure courses (variously entitled Criminal Procedure II; Criminal Procedure: Adjudication; etc.) that follow the criminal process through the various stages of adjudication, commencing with pretrial issues — such as charging, pretrial release and discovery — and continuing with the trial itself and then post-conviction proceedings: sentencing and appeals. *Understanding Criminal Procedure* is primarily designed for law students. The authors have written the Text so that students can use it with confidence that it will assist them in course preparation, and professors can recommend or assign the volumes to students with confidence that they will improve classroom dialogue. Based on comments that the authors received in the past from students and professors alike, they predict that this new, expanded edition of *Understanding Criminal Procedure* will serve the needs of students and professors even better. Also, based on the experience of prior editions, including citations to this Text in scholarly literature and judicial opinions, we are confident that the two volumes will prove useful to scholars, practicing lawyers, and courts. *Understanding Criminal Procedure* covers the most important United States Supreme Court cases in the field. Where pertinent, the Federal Rules of Criminal Procedure, federal statutes, and lower federal and state court cases are considered. The broad overarching policy issues of criminal procedure are laid out; and some of the hottest debates in the field are considered in depth and, we think, objectively. Readers should find the Text user-friendly. Students who want a thorough grasp of a topic can and should read the relevant chapter in its entirety. However, each chapter is divided into subsections, so that readers with more refined research needs can find answers to their questions efficiently. The authors also include citations to important scholarship, both classic and recent, into which readers may delve more deeply regarding specific topics. And, because so many of the topics interrelate, cross-referencing footnotes are included, so that readers can easily move from one part of the Text to another, if necessary.

LexisNexis Practice Guide: Georgia Criminal Law, 2015 Edition - Robert L. Persse 2015-07-22

With its concise writing style, streamlined chapter format, abundance of checklists and forms, multitude of references to leading and related cases, cross references to relevant analytical content, and extensive and authoritative guidance, you'll find more of everything that makes a practice guide valuable and easy for you to use. Each Practice Guide chapter combines authoritative legal analysis with an expert author's practical insights that have been distilled from years of litigation practice. Georgia Criminal Law includes hundreds of Practice Tips with easy-to-recognize icons that transition smoothly from legal analysis to practical application of a point of law. Chapter parts begin with a detailed practice checklist (more than 60 checklists are included) defining the essentials of a major task, e.g., "Raising Error on Appeal" and "Recognizing, Objecting and Presenting Hearsay". Checklists capture the essential steps (what, when, how) of each task with cross-references to relevant authority, forms, and discussion of the topic within the chapter itself. Highlights: • Expert analysis and practice tips through each phase of a criminal proceeding: Comprehensive analysis of criminal law and procedure in Georgia. Reduces research time and offers a starting point to prosecutors and defense counsel for researching their criminal cases. • Over 60 checklists: Facilitates personalizing and editing of jury instructions and saves practitioner time by providing the text of the jury instructions in electronic format. The eBook versions of this title feature links to Lexis Advance for further legal research options.

**Miscarriages of Justice** - Bibi Sangha 2015-09-08

This work presents an unprecedented and scholarly critique of the post-appeal review phase of the Australian criminal justice system. It offers a unique insight for students and practitioners into a new and developing area of criminal law. The authors identify a fundamental flaw that lies at the heart of the Australian criminal justice system: an inconsistency between what constitutes a miscarriage of justice under substantive law

against what constitutes a miscarriage of justice under procedural law. By examining the problematic nature of the criminal appeal rights in Australia, Sangha and Moles argue that the existing system does not comply with the rule of law provisions or Australia's international human rights obligations. South Australia has introduced a new statutory right of appeal and Tasmania is considering doing the same, to address this issue which represents the first substantive change to the criminal appeal rights in Australia in 100 years. Miscarriages of Justice: Criminal Appeals and the Rule of Law in Australia explains the operation of this legislation and advances a compelling argument for its nationwide adoption. This is achieved through an examination of a number of Australian (and international) wrongful conviction cases as well as discussion of specific legal issues and the problematic area of compensation for wrongful convictions. Features authoritative analysis of leading Australian cases and unique text on a new and developing area of law.
