The Western Review - 1948

Critical Genealogies - Jonathan Arac 1987-12

Reassessing the ancestry of contemporary criticism, Jonathan Arac opens current debates over English studies to a larger understanding of cultural and political history, from romanticism through postmodernism. This work of creative scholarship enlarges our knowledge of the history of criticism while also exemplifying a new practice of writing literary history. Arac draws new lines from Wordsworth, Coleridge, Shelley, and Arnold to their modern successors and to recent developments in Marxism and poststructuralism.

Keats's Odes - Anahid Nersessian 2021-02-10

"When I say this book is a love story, I mean it is about things that cannot be gotten over—like this world, and some of the people in it." In 1819, the poet John Keats wrote six poems that would become known as the Great Odes. Some of them—"Ode to a Nightingale," "To Autumn"—are among the most celebrated poems in the English language. Anahid Nersessian here collects and elucidates each of the odes and offers a meditative, personal essay in response to each, revealing why these poems still have so much to say to us, especially in a time of ongoing political crisis. Her Keats is an unflinching antagonist of modern life—of capitalism, of the British Empire, of the destruction of the planet—as well as a passionate idealist for whom every poem is a love poem. The book emerges from Nersessian's lifelong attachment to Keats's poetry; but more, it "is a love story: between me and Keats, and not just Keats." Drawing on experiences from her own life, Nersessian celebrates Keats even as she grieves him and counts her own losses—and Nersessian, like Keats, has a passionate awareness of the reality of human suffering, but also a willingness to explore the possibility that the world, at least, could still be saved. Intimate and speculative, this brilliant mix of the poetic and the personal will find its home among the numerous fans of Keats's enduring work.

A Routledge Literary Sourcebook on the Poems of John Keats -

John R. Strachan 2003

John Keats was one of the central figures of English Romanticism and is still one of England's most popular poets. This sourcebook brings together texts and documents that provide a gateway towards an understanding of the man, his life and his work.

Lamia - John Keats 1888

Endymion, a Poetic Romance - John Keats 1818

Adonais - Percy Bysshe Shelley 1891

Keats - Andrew Motion 1999-04-15

Andrew Motion's dramatic narration of Keats's life is the first in a generation to take a fresh look at this great English Romantic poet. Unlike previous biographers, Motion pays close attention to the social and political worlds Keats inhabited. Making incisive use of the poet's inimitable letters, Motion presents a masterful account. "Motion has given us a new Keats, one who is skinned alive, a genius who wrote in a single month all the poems we cherish, a victim who was tormented by the best doctors of the age. . . . This portrait, stripped of its layers of varnish and restored to glowing colours, should last us for another generation."—Edmund White, *The Observer* Review "Keats's letters fairly leap off the page. . . . [Motion] listens for the 'freely associating inquiry and incomparable verve and dash,' the 'headlong charge,' of Keats's jazzlike improvisations, which give us, like no other writing in English,

the actual rush of a man thinking, a mind hurtling forward unpredictably and sweeping us along."—Morris Dickstein, *New York Times* Book Review "Scrupulous and eloquent."—Gregory Feeley, *Philadelphia Inquirer*

ODE TO A NIGHTINGALE - John Keats 2017-08-07

This eBook edition of "Ode to a Nightingale" has been formatted to the highest digital standards and adjusted for readability on all devices. "Ode to a Nightingale" is either the garden of the Spaniards Inn, Hampstead, London, or, according to Keats' friend Charles Armitage Brown, under a plum tree in the garden of Keats House, also in Hampstead. According to Brown, a nightingale had built its nest near his home in the spring of 1819. Inspired by the bird's song, Keats composed the poem in one day. It soon became one of his 1819 odes and was first published in *Annals of the Fine Arts* the following July. "Ode to a Nightingale" is a personal poem that describes Keats's journey into the state of Negative Capability. The tone of the poem rejects the optimistic pursuit of pleasure found within Keats's earlier poems and explores the themes of nature, transience and mortality, the latter being particularly personal to Keats. The nightingale described within the poem experiences a type of death but does not actually die. Instead, the songbird is capable of living through its song, which is a fate that humans cannot expect. John Keats (1795-1821) was an English Romantic poet. The poetry of Keats is characterized by sensual imagery, most notably in the series of odes. Today his poems and letters are some of the most popular and most analyzed in English literature.

Pedagogic Criticism - Ben Knights 2017-07-01

This book argues that the history of English Studies is embedded in its classroom practice, and its practice in its history. Some of its foundational struggles are still being lived out today. English is characterized as a 'boundary' subject, active in dialogue across a number of imagined borders, especially those between academic and non-specialized readerships. While the subject discipline maintains strong pedagogic principles, many of its principles and values are obscure or even invisible to students and potential students. The book cross-fertilizes the study of English as a subject with the analysis of selected literary texts read as pedagogic parables. It concludes with a call for a return to the subject's pedagogic roots.

Poetical Sketches - William Blake 1783

The Atlantic Companion to Literature in English - Ed. Mohit K. Ray 2007-09

Intended To Serve The Academic Needs Of The Students Of English Literature, The Companion Is An Ultimate Literary Reference Source, Providing An Up-To-Date, Comprehensive And Authoritative Biographies Of Novelists, Poets, Playwrights, Essayists, Journalists And Critics Ranging From Literary Giants Of The Past To Contemporary Writers Like Peter Burnes (1931-2004), Anthony Powell (1905-2000), Patrick O Brian (1914-2000), Iris Murdoch (1919-1999), Grace Nicholas (1950-) And Douglas Adams (1952-2001). Odes - John Keats 2015-12-31

The Odes of John Keats rank among the great lyric poems in English. In these monumental, inspiring lines, Keats muses on grand Romantic themes: Beauty, Truth, Love, Identity, Soul-making, Nature, Melancholy, and Mortality. Mostly written in the year before his death, Keats' odes set a new standard for lyrical expression, and his work continues to fascinate readers. Collected here are all 10 poems titled or considered to be Odes in Keats' oeuvre, including the great ones: Ode to Psyche, Ode on a Grecian Urn, Ode to a Nightingale, Ode on Melancholy, and To Autumn. This new edition brings them all together as a set of related texts that invite comparison and deep reflection, in a compact format for general readers, creative writers, teachers and students alike. Carolyn P. Henly 2019-09-02

Build confidence in a range of key literary analysis techniques and skills with this practical companion, full of advice and guidance from experienced experts. - Build analysis techniques and skills through a range of strategies, serving as a useful companion throughout the course - from critical-thinking, referencing and citation and the development of a line of inquiry to reflecting on the writing process and constructing essays for Paper 1 and Paper 2 - Develop skills in how to approach a text using literary analysis strategies and critical theory, for both unseen literary texts (the basis of Paper 1) and texts studied in class - Learn how to engage with texts so that you can write convincingly and passionately about literature through active reading, note-taking, asking questions, and developing a personal response to texts - Concise, clear explanations help students navigate the IB requirements, including advice on assessment objectives and how literary analysis weaves through Paper 1, Paper 2, the HL Essay, Individual Oral and the Learner Profile - Engaging activities are provided to test understanding of each topic and develop skills for the exam - guiding answers are available to check responses

La Belle Dame Sans Merci - John Keats 2013

John Keats and the Medical Imagination - Nicholas Roe 2017-12-06

This book presents ten new chapters on John Keats's medical imagination, beginning with his practical engagement with dissection and surgery, and the extraordinary poems he wrote during his 'busy time' at Guy's Hospital 1815-17. The Physical Society at Guy's and the demands of a medical career are explored, as are the lyrical spheres of botany, melancholia, and Keats's strange oxymoronic poetics of suspended animation. Here too are links between surveillance of patients at Bedlam and of inner city streets that were walked by the poet of 'To Autumn'. The book concludes with a survey of multiple romantic pathologies of that most Keatsian of diseases, pulmonary tuberculosis.

So Bright and Delicate: Love Letters and Poems of John Keats to Fanny Brawne - Jane Campion 2009-11-05

Published to coincide with the release of the film *Bright Star*, written and directed by Oscar Winner Jane Campion (*The Piano*, *In the Cut*), starring Abbie Cornish (*Elizabeth: The Golden Age*) and Ben Whishaw (*Brideshead Revisited*, *Perfume*) John Keats died aged just twenty-five. He left behind some of the most exquisite and moving verse and love letters ever written, inspired by his great love for Fanny Brawne.

Although they knew each other for just a few short years and spent a great deal of that time apart - separated by Keats' worsening illness, which forced a move abroad - Keats wrote again and again about and to his love, right until his very last poem, called simply 'To Fanny'. She, in turn, would wear the ring he had given her until her death. *So Bright and Delicate* is the passionate, heartrending story of this tragic affair, told through the private notes and public art of a great poet.

Ecological Literary Criticism - Kroeber 1994

In arguing that literary criticism needs to reestablish connections with a wide range of social activities, Kroeber offers new means to develop mutually enriching interactions between humanistic and scientific modes of assessing humankind's dependence on the natural environment. In this book, he focuses attention on the English Romantic poets who sought to

describe and evaluate the natural origins of human culture. -- book cover.

Kubla Khan - Samuel Coleridge 2015-12-15

Though left uncompleted, "Kubla Khan" is one of the most famous examples of Romantic era poetry. In it, Samuel Coleridge provides a stunning and detailed example of the power of the poet's imagination through his whimsical description of Xanadu, the capital city of Kublai Khan's empire. Samuel Coleridge penned "Kubla Khan" after waking up from an opium-induced dream in which he experienced and imagined the realities of the great Mongol ruler's capital city. Coleridge began writing what he remembered of his dream immediately upon waking from it, and intended to write two to three hundred lines. However, Coleridge was interrupted soon after and, his memory of the dream dimming, was ultimately unable to complete the poem. HarperPerennial Classics brings great works of literature to life in digital format, upholding the highest standards in ebook production and celebrating reading in all its forms. Look for more titles in the HarperPerennial Classics collection to build your digital library.

Critical Writings - Paul De Man

Twenty-five essays and reviews, not available in earlier collections of De Man's work. His subjects include the work of Montaigne, Rousseau, Keats, Goethe, Holderlin, Baudelaire, Mallarme, Sartre, Gide, and Camus.

Literary Education - James Gribble 1983

This book is an attempt to offer a justification for the teaching of literature in schools and universities, and is intended as a contribution to the philosophy of literary education. The issues which Dr Gribble discusses could all be bracketed under the general heading of the relationship between literature and life. The book is written for those readers and teachers of literature who step back from their immediate engagement with a novel, play, or poem and ask such questions as 'What knowledge or understanding, if any, have I gained from the work? Of what significance is the author's intention to my view of the work? What moral value does the work possess? What kinds of feelings or emotions did I experience? How did my identification with certain characters influence my response? In what way did the moral significance or emotional impact depend upon the quality of the writing? What part does critical analysis play in determining the answers to any of these questions?'. Dr Gribble's treatment of these issues is neither technical nor abstract but advanced on the basis of particular examples drawn from a wide range of literature. Written in a lively and lucid style the book will interest all serious readers of literature, although it is primarily directed at those who teach literature in schools, colleges, and universities and who are necessarily concerned with the educative value of reading and discussing literature.

Letters - John Keats 1901

The Romantic Poets - Uttara Natarajan 2008-04-15

This welcome addition to the Blackwell Guides to Criticism series provides students with an invaluable survey of the critical reception of the Romantic poets. Guides readers through the wealth of critical material available on the Romantic poets and directs them to the most influential readings. Presents key critical texts on each of the major Romantic poets - Blake, Wordsworth, Coleridge, Byron, Shelley and Keats - as well as on poets of more marginal canonical standing. Cross-referencing between the different sections highlights continuities and counterpoints

Essays in Literary Interpretation - Hamilton Wright Mabie 1896

The Western Review - Ray Benedict West 1947

The Art of Literary Study - Henry Buckley Charlton 1924

Auden - Refugee Blues * Ted Hughes - Crow Tyrannosaurus * Philip Larkin - The Whitsun Weddings * John Keats - To Autumn * W.B. Yeats - The Second Coming
A Dream Within a Dream - Edgar Allan Poe 2020-10-05

An example of Poe's melancholic and morbid poetic pieces, "A Dream Within a Dream" is a poem that pitifully mourns the passing of time. The poet's own life, teeming with depression, alcoholism, and misery, cannot but exemplify the subject matter and tone of the poem. The constant dilution of reality and fantasy is detrimental to the poetic speaker's ability to hold reality in his hands. The quiet contemplation of the speaker is contrasted with thunderous passing of time that waits for no man. Edgar Allan Poe (1809-1849) was an American poet, author, and literary critic. Most famous for his poetry, short stories, and tales of the supernatural, mysterious, and macabre, he is also regarded as the inventor of the detective genre and a contributor to the emergence of science fiction, dark romanticism, and weird fiction. His most famous works include "The Raven" (1845), "The Black Cat" (1843), and "The Gold-Bug" (1843).

Studies in Literary Criticism - Mohit K. Ray 2001

The Twenty-Five Critical Studies In The Book Which Cover A Wide Spectrum Of Subjects, Authors, Titles And Concepts Across Time And Space, May Be Broadly Classified Into Four Categories : Essays On (I) Critical Theory, (Ii) On Individual Authors, (Iii) In Comparative Literature And (Iv) On Language In Addition To A Culture Study Focussed On The Present Day American Scenario. The Essays Which Encompass The Vast Areas Of Knowledge From Plato To Derrida, From Bharata And Anandavardhana To Bankim, Tagore And Contemporary Indian Literary Criticism As Well As British, French, German, American And Indian Authors Are Yet Remarkable For Profundity Of Thought, Originality Of Approach And Lucidity Of Expression. These Highly Perceptive Explorations Into The Western And The Indian Intellectual Traditions Offer A Rich Aesthetic Experience, And While Scholars Will Immensely Benefit From The Book, The General Readers Will Also Find It Highly Interesting And Enjoyable.

Western Review - 1949

John Keats - Suzie Grogan 2021-03-30

We read fine things but never feel them to the full until we have gone the same steps as the Author.' (John Keats to J.H. Reynolds, Teignmouth May 1818) John Keats is one of Britain's best-known and most-loved poets. Despite dying in Rome in 1821, at the age of just 25, his poems continue to inspire generations who reinterpret and reinvent the ways in which we consume his work. Apart from his long association with Hampstead, North London, he has not previously been known as a poet of 'place' in the way we associate Wordsworth with the Lake District, for example, and for many years readers considered Keats's work remote from political and social context. Yet Keats was acutely aware of and influenced by his surroundings: Hampstead; Guy's Hospital in London where he trained as a doctor; Teignmouth where he nursed his brother

Tom; a walking tour of the Lake District and Scotland; the Isle of Wight; the area around Chichester and in Winchester, where his last great ode, To Autumn, was composed. Far from the frail Romantic stereotype, Keats captivated people with his vitality and strength of character. He was also deeply interested in the life around him, commenting in his many letters and his poetry on historic events and the relationship between wealth and poverty. What impact did the places he visited have on him and how have those areas changed over two centuries? How do they celebrate their 'Keats connection?' Suzie Grogan takes the reader on a journey through Keats's life and landscapes, introducing us to his best and most influential work. In many ways a personal journey following a lifetime of study, the reader is offered opportunities to reflect on the impact of poetry and landscape on all our lives. The book is aimed at anyone wanting to know more about the places Keats visited, the times he lived through and the influences they may have had on his poetry. Utilizing primary sources such as Keats's letters to friends and family and the very latest biographical and academic work, it offers an accessible way to see Keats through the lens of the places he visited and aims to spark a lasting interest in the real Keats - the poet and the man.

The Poems of John Keats - John Keats 1913

The Edinburgh Review - 1808

Keats's Odes and Contemporary Criticism - James L. O'Rourke 1998

James O'Rourke examines the ways in which the modern reception to Keats's major odes reveals the investments made in these poems by successive generations of critical schools, particularly New Criticism, psychoanalysis, deconstruction, and New Historicism. O'Rourke's reading of the odes locates them within the contexts of literary and cultural history and recovers the innovative force of the poems in a way that speaks to the aesthetics and the politics of the present. This study does much to illuminate what Keats's most virtuosic work has to say about history, nature, gender, ourselves, and each other.

A Glossary of Literary Terms - Abrams M H 2004

Alphabetically arranged and followed by an index of terms at the end, this handy reference of literary terms is bound to be of invaluable assistance to any student of English literature.

Theory into Practice: An Introduction to Literary Criticism - Ann B. Dobie 2011-01-03

Beginning with approaches familiar to students and then gradually introducing schools of criticism that are more challenging, THEORY INTO PRACTICE provides extensive step-by-step guidance for writing literary analyses from each of the critical perspectives. This brief, practical introduction to literary theory explores core literary theories in a unique chronological format and includes an anthology of relevant fiction, poetry, and nonfiction to help bring those theories to life for students. Remarkably readable and engaging, the text makes even complex concepts manageable for those beginning to think about literary theory, and example analyses for each type of criticism show how real students have applied the theories to works included in the anthology. Now updated with the latest scholarship, including a full discussion of Ecocriticism and increased emphasis on American multicultural approaches, THEORY INTO PRACTICE provides an essential foundation for thoughtful and effective literary analysis. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

The Odes of Keats and Their Earliest Known Manuscripts - John Keats 1970
