Bosnian, Croatian, Montenegrin and Serbian - Željko Vrabec 2021-09-22

Bosnian, Croatian, Montenegrin and Serbian: An Essential Grammar is intended for beginners and intermediate students who need a reference that explains grammar in straightforward terms. It covers all the main areas of the modern single BCMS grammatical system in an accessible way, and free from jargon. When linguistic terminology is used, it is explained in layman's

terms, the logic of a rule is presented simply and near parallels are drawn with English. This book covers all the grammar necessary for everyday communication (reaching B1 and B2 of the CEFR, ACTFL Intermediate-Intermediate- Mid). The book comprises of extensive chapters on all parts of speech, the creation of different word forms (endings for cases in nouns and adjectives, case forms for pronouns, tenses, verbal modes, verbal aspect etc.) and their uses in sentences. Each rule is illustrated with numerous examples from everyday living language used in Bosnia-Herzegovina, Croatia, Montenegro and Serbia. It is a unique reference book in English aimed at this level of language study that treats BCMS as a single grammar system, explaining and highlighting all the small differences between the four variants of this polycentric language.

Croatian Vocabulary Book: A Topic Based Approach - Pinhok Languages 2019-03-12

Croatian vocabulary book + Croatian dictionary This Croatian vocabulary book contains more than 3000 words and phrases which are grouped by topic to make it easier for you to pick what to learn first. On top of that, the index in the second half of the book provides you with a basic Croatian-English as well as English-Croatian dictionary which makes this a great resource for learners of all levels. What you can expect from this book: This Croatian learning resource is a combination of Croatian vocabulary book and a two-way basic Croatian dictionary: Part 1: Topic based Croatian vocabulary book This is the main part of the book and represents a list of chapters each containing Croatian vocabularies for a certain topic. The Croatian vocabularies in the chapters are unsorted on purpose to separate remembering them from a defined alphabetical order. You can start at any chapter and dive directly into the topics that

interest you the most. Part 2: Basic English-Croatian dictionary The index in the second half of the book can be used as a basic Croatian dictionary to look up words you have learned but can't remember or learn new words you need. Part 3: Basic Croatian-English dictionary Easy to use and with just the right amount of words, this third part finishes off with a second index that allows you to look for Croatian words and directly find the English translation How to use this Croatian vocabulary book: Not sure where to start? We suggest you first work your way through the verbs, adjectives and phrases chapters in part one of the book. This will give you a great base for further studying and already enough vocabulary for basic communication. The Croatian dictionaries in part two and three can be used whenever needed to look up words you hear on the street, English words you want to know the Croatian translation for or simply to learn some new words. Some final thoughts: Vocabulary books

have been around for centuries and as with so many things that have been around for some time, they are not very fashionable and a bit boring, but they usually work very well.

Together with the basic Croatian dictionary parts, this vocabulary book is a great resource to support you throughout the process of learning Croatian and comes in particularly handy at times when there is no internet to look up words and phrases.

Bosnian, Croatian, Serbian, a Textbook -

Ronelle Alexander 2010-03

"Three official languages have emerged: Croatian in Croatia, Serbian in Serbia, and both these languages plus Bosnian in Bosnia-Herzegovina. Bosnian, Croatian, Serbian, a Textbook introduces the student to all three. Dialogues and exercises appear in each language, presented side by side for easy comparison; in addition, Serbian is rendered in both its Latin and its Cyrillic spellings. Teachers may choose a single language to use in the classroom, or they may want to familiarize students with all three"--Book jacket.

The Concise Sanskrit-English Dictionary - Vasudeo Govind Apte 2014-01-01

The present Dictionary is designed to meet the long-felt need of the English-knowing reader who is interested in the study of classical as well as modern Sanskrit. It covers a very large field- Epics such as the Ramayana and Mahabharata, Puranas and Upapuranas, Smṛti and Niti

literature, Darśanas or Systems of Philosophy, such as Nyaya, Vedānta, Mīmāṃsā, Sāṅkhya and Yoga, Grammar, Rhetoric, Poetry in all its branches, Dramatic and Narrative Literature, Mathematics, Medicine, Botany, Astronomy, Music and other technical or scientific branches of learning. Thus, it embraces all words occurring in the general post-Vedic literature. It includes most of the important terms in Grammar. It gives quotations and references to the peculiar and remarkable meanings of words, especially such as occur in books prescribed for study in the Indian and foreign universities. It also renders an explanation of important technical terms occurring in different branches of Sanskrit learning. To add to its usefulness the work includes three appendices. There are in existence no doubt excellent Sanskrit-English dictionaries compiled by eminent scholars like Monier Williams, H.H. Wilson, V. S. Apte and L. R. Vaidya, but their bulkiness and cost prohibit a large number of users from enjoying an

advantage so necessary in their study of Sanskrit. There is, therefore, a crying need for one which supplies everything required by an average reader and which is at the same time characterized by brevity and cheapness. The present compilation is intended to serve this purpose. The author in this handy work has kept out Sanskrit words that are less commonly used and has tried to avoid all technicalities as well as words that can easily be seen as simple derivatives of some given words. Thus he has been able to reduce the bulk of the dictionary without compromising its usefulness.
