Sharkman - Steve Alten 2014-10-07

Kwan Wilson was a high school basketball star living in San Diego when a tragic accident changed his life in ways no one could predict. He only looked at his phone for a few seconds, but that was all the time it took to crash his car into a telephone pole, the impact killing his mother while severing his spinal cord and paralyzing him from the waist down. After the accident his father, Admiral Douglas Wilson, sends him away to live with his maternal grandmother in South Florida. Kwan's new principal, anticipating his depression and isolation, tells him about an internship working at a genetics lab in Miami that's testing shark stem cells on rats in an effort to cure cancer and repair spinal injuries. Kwan declines--until he learns the beautiful Anya Patel is an intern at the lab. The good news is that the stem cells are curing their rat subjects; the bad news is it alters their DNA so much it kills them. When a promising breakthrough is made, Kwan risks his life and injects himself with the experimental stem cells--altering his destiny and the lives of millions in the process.

Being Seen - Elsa Sjunneson 2021-10-26

A deafblind writer and professor explores how the misrepresentation of disability in books, movies, and TV harms both the disabled community and everyone else. As a deafblind woman with partial vision in one eye and bilateral hearing aids, Elsa Sjunneson lives at the crossroads of blindness and sight, hearing and deafness--much to the confusion of the world around her. While she cannot see well enough to operate without a guide dog or cane, she can see enough to know when someone is reacting to the visible signs of her blindness and can hear when they're whispering behind her back. And she certainly knows how wrong our one-size-fits-all definitions of disability can be. As a media studies professor, she's also seen the full range of blind and deaf portrayals on film, and here she deconstructs their impact, following common tropes through horror, romance, and everything in between. Part memoir, part cultural criticism, part history of the deafblind experience, Being Seen explores how our cultural concept of disability is more myth than fact, and the damage it does to us all.

The Chill - Scott Carson 2021-02-23

National Bestseller A supernatural force--set in motion a century ago--threatens to devastate New York City in this "terrific horror/suspense/disaster novel" that "grips from the first page" (Stephen King, #1 New York Times bestselling author). Far upstate, in New York's ancient forests, a drowned village lays beneath the dark, still waters of the Chlewuaukee reservoir. Early in the 20th century, the town was destroyed for the greater good: bringing water to the millions living downstate. Or at least that's what the politicians from Manhattan insisted at the time. The local families, settled there since America's founding, were forced from their land, but some didn't leave... Now, a century later, the repercussions of human arrogance are finally making themselves known. An inspector assigned to oversee the dam, dangerously neglected for decades, witnesses something inexplicable. It turns out that more than the village was left behind in the waters of the Chill when it was abandoned. A dark prophecy remained, too, and the time has come for it to be fulfilled--for sacrifices must be made. And as the dark waters begin to inexorably rise, the demand for a

fresh sacrifice emerges from the deep... "A must read for fans of eerie, gripping storytelling" (Dean Koontz, #1 New York Times bestselling author), *The Chill* is "a creepy tale of supernatural terror" (Publishers Weekly, starred review).

Jawbone - Mónica Ojeda 2022-02-08

"Was desire something like being possessed by a nightmare?" Fernanda and Annelise are so close they are practically sisters: a double image, inseparable. So how does Fernanda end up bound on the floor of a deserted cabin, held hostage by one of her teachers and estranged from Annelise? When Fernanda, Annelise, and their friends from the Delta Bilingual Academy convene after school, Annelise leads them in thrilling but increasingly dangerous rituals to a rhinestoned, Dior-scented, drag-queen god of her own invention. Even more perilous is the secret Annelise and Fernanda share, rooted in a dare in which violence meets love. Meanwhile, their literature teacher Miss Clara, who is obsessed with imitating her dead mother, struggles to preserve her deteriorating sanity. Each day she edges nearer to a total break with reality. Interweaving pop culture references and horror concepts drawn from Herman Melville, H. P. Lovecraft, and anonymous "creepypastas," *Jawbone* is an ominous, multivocal novel that explores the terror inherent in the pure potentiality of adolescence and the fine line between desire and fear.

The Defining Decade - Meg Jay 2012-04-17

New York Times bestselling psychologist Dr. Meg Jay uses real stories from real lives to provide smart, compassionate, and constructive advice about the crucial (and difficult) years we cannot afford to miss. Our "thirty-is-the-new-twenty" culture tells us the twentysomething years don't matter. Some say they are a second adolescence. Others call them an emerging adulthood. Dr. Meg Jay, a clinical psychologist, argues that twentysomethings have been caught in a swirl of hype and misinformation, much of which has trivialized what is actually the most defining decade of adulthood. Drawing from almost two decades of work with hundreds of clients and students, *The Defining Decade* weaves the latest science of the twentysomething years with the behind-closed-doors stories from twentysomethings, themselves. The result is a provocative read that provides the tools necessary to make the most of your twenties, and shows us how work, relationships, personality, social networks, identity, and even the brain can change more during this decade than at any other time in adulthood—if we use the time wisely. *The Defining Decade* is a smart, compassionate and constructive book about the years we cannot afford to miss.

The Trench - Steve Alten 2019-04-02

Master of suspense Steve Alten always takes readers to the edge with his non-stop, adrenaline-charged novels. Now, in *The Trench*, Alten shows just how deep fear can run when you don't know what lurks beneath the surface... Its appetite is ravenous. Its teeth, scalpel-sharp. For the first time, the captive twenty-ton Megalodon shark has tasted human blood, and it wants more... On the other side of the world, in the silent depths of the ocean, lies the Marianas Trench, where the Megalodon has spawned since the dawn of time. Paleobiologist Jonas Taylor once dared to enter this perilous cavern. He alone faced a Megalodon shark and cut its heart out. Now, as the body count rises and the horror of a monster's attack grips the California coast, Jonas must begin the hunt again, and return to the waking nightmare of... **THE TRENCH** "A fast-paced thriller with many plot twists." —Booklist "A nail-biting summer read." —Kirkus Reviews

Meg: Origins - Steve Alten 2011-08-23

Commander Jonas Taylor is tasked with piloting the US Navy's most advanced submersible, the DSV *Sea Cliff*, to the bottom of Challenger Deep — 36,000 feet below the surface — into what is very much an undiscovered country. What he finds there — a remnant population of luminous, prehistoric Megalodons — will change the course of the rest of his life. In this prequel to his New York Times Bestseller, *Meg: A Novel of Deep Terror*, Alten sets the stage for the popular suspense series to follow. Fans of *Meg* will find it a must for offering insight into key characters' backstories, but the novella-length work also stands alone as a bite-sized tale of deep-sea suspense.

The Tale of Despereaux - Kate DiCamillo 2009-09-08

A brave mouse, a covetous rat, a wishful serving girl, and a princess named Pea come together in Kate DiCamillo's Newbery Medal-winning tale. Welcome to the story of *Despereaux* Tilling, a mouse who is in

love with music, stories, and a princess named Pea. It is also the story of a rat called Roscuro, who lives in the darkness and covets a world filled with light. And it is the story of Miggery Sow, a slow-witted serving girl who harbors a simple, impossible wish. These three characters are about to embark on a journey that will lead them down into a horrible dungeon, up into a glittering castle, and, ultimately, into each other's lives. What happens then? As Kate DiCamillo would say: Reader, it is your destiny to find out. With black-and-white illustrations and a refreshed cover by Timothy Basil Ering.

Far Far Away- Tom McNeal 2013-06-11

A National Book Award Finalist An Edgar Award Finalist A California Book Award Gold Medal Winner A dark, contemporary fairy tale in the tradition of Neil Gaiman. Jeremy Johnson Johnson hears voices. Or, specifically, one voice: the ghost of Jacob Grimm, one half of The Brothers Grimm. Jacob watches over Jeremy, protecting him from an unknown dark evil whispered about in the space between this world and the next. But Jacob can't protect Jeremy from everything. When coltish, copper-haired Ginger Boultinghouse takes a bite of a cake so delicious it's rumored to be bewitched, she falls in love with the first person she sees: Jeremy. In any other place, this would be a turn for the better for Jeremy, but not in *Never Better*, where the Finder of Occasions—whose identity and evil intentions nobody knows—is watching and waiting, waiting and watching. . . And as anyone familiar with the Brothers Grimm know, not all fairy tales have happy endings. Veteran writer Tom McNeal has crafted a young adult novel at once grim(m) and hopeful, full of twists, and perfect for fans of contemporary fairy tales like Neil Gaiman's *The Graveyard Book* and Holly Black's *Doll Bones*. The recipient of five starred reviews, Publishers Weekly called *Far Far Away* "inventive and deeply poignant."

Meg - Steve Alten 2018-08

MEG: The Graphic Novel A beautifully illustrated graphic novel based on New York Times bestselling author Steve Alten's novel and Soon to Be a Major Motion Picture directed by Jon Turteltaub and starring Jason Statham as Jonas Taylor. Once a Navy deep-sea submersible pilot, now a marine paleontologist, Dr. Jonas Taylor is convinced that a remnant population of Carcharodon Megalodon--prehistoric sharks growing up to 70 feet long, that subsisted on whales--lurks at the bottom of the Mariana Trench. When offered the opportunity to return to those crushing depths in search of the MEG, Taylor leaps at the chance... but the quest for scientific knowledge (and personal vindication) becomes a desperate fight for survival, when the most vicious predator that the earth has ever known is freed to once-again hunt the surface. This graphic novel is illustrated by super star artist Mike S. Miller, artist of George R.R. Martin's *Game of Thrones* prequel "The Hedge Knight" graphic novel and the number 1 bestselling digital comic series, DC Comics "Inhumans."

A Single Stone - Meg McKinlay 2017-03-14

In an isolated society, one girl makes a discovery that will change everything — and learns that a single stone, once set in motion, can bring down a mountain. Jena — strong, respected, reliable — is the leader of the line, a job every girl in the village dreams of. Watched over by the Mothers as one of the chosen seven, Jena's years spent denying herself food and wrapping her limbs have paid off. She is small enough to squeeze through the tunnels of the mountain and gather the harvest, risking her life with each mission. No work is more important. This has always been the way of things, even if it isn't easy. But as her suspicions mount and Jena begins to question the life she's always known, the cracks in her world become impossible to ignore. Thought-provoking and quietly complex, Meg McKinlay's novel unfolds into a harshly beautiful tale of belief, survival, and resilience stronger than stone.

Age of Consent - Amanda Brainerd 2020-07-14

"A total time machine--I loved it." --Maria Semple, New York Times bestselling author of *Where'd You Go, Bernadette* Named One of the Best Books of the Summer by Good Morning America, *Cosmopolitan*, *Harper's Bazaar*, and *PopSugar* A daringly honest, sexy debut novel about three young women coming of age in 1980s New England and New York--a bingeable summer read It's 1983. David Bowie reigns supreme, and downtown Manhattan has never been cooler. But Justine and Eve are stuck at Griswold Academy, a Connecticut boarding school. Griswold is a far cry from Justine's bohemian life in New Haven, where her parents run a theater and struggle to pay the bills. Eve, the sophisticated daughter of status-obsessed Park Avenue parents, also feels like an outsider amidst Griswold's preppy jocks and debutantes. Justine longs for

Eve's privilege, and Eve for Justine's sexual confidence. Despite their differences, they form a deep friendship, together grappling with drugs, alcohol, ill-fated crushes, and predatory male teachers. After a tumultuous school year, Eve and Justine spend the summer in New York City where they join Eve's childhood friend India. Justine moves into India's Hell's Kitchen apartment and is pulled further into her friends' glamorous lives. Eve, under her parents' ever-watchful eye, interns at a SoHo art gallery and navigates the unpredictable whims of her boss. India struggles to resist the advances of a famous artist represented by the gallery. All three are affected by their sexual relationships with older men and the power adults hold over them, even as the young women begin to assert their independence. A captivating, timeless novel about friendship, sex, and parental damage, Amanda Brainerd's *Age of Consent* intimately evokes the heady freedom of our teenage years.

Lucky Us - Amy Bloom 2014

The End of Everything - Megan Abbott 2011-07-07

Thirteen-year old Lizzie Hood and her next door neighbor Evie Verver are inseparable. They are best friends who swap bathing suits and field-hockey sticks, and share everything that's happened to them. Together they live in the shadow of Evie's glamorous older sister Dusty, who provides a window on the exotic, intoxicating possibilities of their own teenage horizons. To Lizzie, the Verver household, presided over by Evie's big-hearted father, is the world's most perfect place. And then, one afternoon, Evie disappears. The only clue: a maroon sedan Lizzie spotted driving past the two girls earlier in the day. As a rabid, giddy panic spreads through the Midwestern suburban community, everyone looks to Lizzie for answers. Was Evie unhappy, troubled, upset? Had she mentioned being followed? Would she have gotten into the car of a stranger? Lizzie takes up her own furtive pursuit of the truth, prowling nights through backyards, peering through windows, pushing herself to the dark center of Evie's world. Haunted by dreams of her lost friend and titillated by her own new power at the center of the disappearance, Lizzie uncovers secrets and lies that make her wonder if she knew her best friend at all.

Read the book that inspired the BLOCKBUSTER MOVIE starring Jason Statham, Li Bingbing, Rainn Wilson, Ruby Rose, Winston Chao, and Cliff Curtis! Seven years ago, and seven miles below the surface of the Pacific Ocean, Dr. Jonas Taylor encountered something that changed the course of his life. Once a Navy deep-sea submersible pilot, now a marine paleontologist, Taylor is convinced that a remnant population of *Carcharodon megalodon* -- prehistoric sharks growing up to 70 feet long, that subsisted on whales -- lurks at the bottom of the Mariana Trench. When offered the opportunity to return to those crushing depths in search of the Megs, Taylor leaps at the chance... but the quest for scientific knowledge (and personal vindication) becomes a desperate fight for survival, when the most vicious predator that the earth has ever known is freed to once-again hunt the surface.

Heart of Darkness

The Shell Game - Steve Alten 2017

September Eleventh . . . war in Iraq . . . turmoil in the Middle East . . . an impending war with Iran. They have one thing in common: oil. And the world is running out. The Shell Game is a thrilling novel that faces the end of oil and the next big attack on American soil. This fictional tale resonates with chilling facts from real-life informants in the oil industry and the U.S. government, piecing together the terrifying truth about a nation addicted to oil. The tale opens in 2007 as the CIA plans a nuclear attack on an American city, blaming the deaths of millions of Americans on Iran and inciting a retaliatory strike that will place the U.S. in control of Iran's oil resources. Five years later, petroleum geologist Ashley "Ace" Futrell discovers that

the world's oil supply is rapidly nearing its end. When his wife—a former national security advisor—is suddenly murdered, Ace finds himself hurtling down a rabbit's hole that leads to the brink of World War III. *The Psychosocial Implications of Disney Movies* - Lauren Dundes 2019-07-11

In this volume of 15 articles, contributors from a wide range of disciplines present their analyses of Disney movies and Disney music, which are mainstays of popular culture. The power of the Disney brand has heightened the need for academics to question whether Disney's films and music function as a tool of the Western elite that shapes the views of those less empowered. Given its global reach, how the Walt Disney Company handles the role of race, gender, and sexuality in social structural inequality merits serious reflection according to a number of the articles in the volume. On the other hand, other authors argue that Disney productions can help individuals cope with difficult situations or embrace progressive thinking. The different approaches to the assessment of Disney films as cultural artifacts also vary according to the theoretical perspectives guiding the interpretation of both overt and latent symbolic meaning in the movies. The authors of the 15 articles encourage readers to engage with the material, showcasing a variety of views about the good, the bad, and the best way forward.

The Senator's Wife - Sue Miller 2009-01-06

Meri is newly married, pregnant, and standing on the cusp of her life as a wife and mother, recognizing with some terror the gap between reality and expectation. Delia—wife of the two-term liberal senator Tom Naughton—is Meri's new neighbor in the adjacent New England town house. Tom's chronic infidelity has been an open secret in Washington circles, but despite the complexity of their relationship, the bond between them remains strong. Soon Delia and Meri find themselves leading strangely parallel lives, as they both reckon with the contours and mysteries of marriage: one refined and abraded by years of complicated intimacy, the other barely begun. With precision and a rich vitality, Sue Miller—beloved and bestselling author of *While I Was Gone*—brings us a highly charged, superlative novel about marriage and forgiveness.

The Big Book of Words You Should Know - David Olsen 2008-12-17

Do you know what "quatrefoil" and "impolitic" mean? What about "halcyon" or "narcolepsy"? This book is a handy, easy-to-read reference guide to the proper parlance for any situation. In this book you will find: Words You Absolutely Should Know (covert, exonerate, perimeter); Words You Should Know But Probably Don't (dour, incendiary, scintilla); Words Most People Don't Know (schlimazel, thaumaturgy, epergne); Words You Should Know to Sound Overeducated (ad infinitum, nugatory, garrulity); Words You Probably Shouldn't Know (priapic, damnatory, labia majora); and more. Whether writing an essay, studying for a test, or trying to impress friends, family, and fellow cocktail party guests with their prolixity, you will achieve magniloquence, ebullience, and flights of rhetorical brilliance.

The Time Traveler's Wife - Audrey Niffenegger 2021-04-30

A most untraditional love story, this is the celebrated tale of Henry DeTamble, a dashing, adventuresome librarian who inadvertently travels through time, and Clare Abshire, an artist whose life takes a natural sequential course. Henry and Clare's passionate affair endures across a sea of time and captures them in an impossibly romantic trap that tests the strength of fate and basks in the bonds of love. "Niffenegger's inventive and poignant writing is well worth a trip" (Entertainment Weekly).

MEG: Nightstalkers - Steve Alten 2016-06-14

In this fifth installment of the New York Times bestselling MEG series, *Nightstalkers* picks up where *MEG: Hell's Aquarium* left off. Bela and Lizzy, the dominant Megalodon siblings from Angel's brood, have escaped the Tanaka Institute to roam the Salish Sea in British Columbia. While Jonas Taylor and his friend Mac attempt to either recapture or kill the "sisters," Jonas's son, David, embarks on his own adventure, motivated by revenge. Having witnessed his girlfriend's gruesome death, David has joined a Dubai Prince's ocean expedition, tracking the 120-foot, hundred-ton *Liopleurodon* that escaped from the Panthalassa Sea.

Haunted by night terrors, David repeatedly risks his life to lure the Lio and other prehistoric sea creatures into the fleet's nets, while battling his own suicidal demons. Steve Alten weaves these storylines together in a page-turning thriller that culminates in a final showdown between the most dangerous predators ever to inhabit the planet. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

MEG: Purgatory - Steve Alten 2021-07-27

Jonas Taylor returns in the latest entry in the bestselling MEG series. Having managed to contain the liopleurodon and captured the megalodon in the Arabian Sea, Jonas soon discovers that there are even more creatures lurking in the deep waters of the world.

A Wrinkle in Time - Madeleine L'Engle 2019-07-18

A Wrinkle in Time is the winner of the 1963 Newbery Medal. It was a dark and stormy night—Meg Murry, her small brother Charles Wallace, and her mother had come down to the kitchen for a midnight snack when they were upset by the arrival of a most disturbing stranger. "Wild nights are my glory," the unearthly stranger told them. "I just got caught in a downdraft and blown off course. Let me sit down for a moment, and then I'll be on my way. Speaking of ways, by the way, there is such a thing as a tesseract." A tesseract (in case the reader doesn't know) is a wrinkle in time. To tell more would rob the reader of the enjoyment of Miss L'Engle's unusual book. A Wrinkle in Time, winner of the Newbery Medal in 1963, is the story of the adventures in space and time of Meg, Charles Wallace, and Calvin O'Keefe (athlete, student, and one of the most popular boys in high school). They are in search of Meg's father, a scientist who disappeared while engaged in secret work for the government on the tesseract problem.

Scar - Michael Cole 2020-10-26

Scar is a killing machine. Born from DNA spliced between the extinct Megalodon and modern day Great White, he has a viciousness that transcends time. His evil is reflected in his eyes, his savagery in his two-inch serrated teeth, his ruthlessness in his trail of death. After escaping captivity, the killer shark travels to the island community Cross Point, where prey is in abundance. With an insatiable appetite, heightened senses, and skin impervious to bullets, Scar kills everything that crosses his path. His reign of terror puts him at war with the island sheriff, Nick Piatt. With the body count rising, Nick vows to protect his island community from the vicious threat. With the aid of a marine biologist, a rookie deputy, and a bad-tempered fisherman, Nick leads a crusade against Scar, as well as the ruthless scientist who created him.

Titanoboa - Jack Brody 2019-09-04

Seating Arrangements - Maggie Shipstead 2012-06-12

NATIONAL BESTSELLER • Winner of the Los Angeles Times Book Prize • The irresistible story of a summer New England wedding weekend gone awry—a deliciously biting satirical glimpse into the lives of the well-bred and ill-behaved, from the bestselling author of Great Circle. The Van Meters have gathered at their family retreat on the island of Waskeke to celebrate the marriage of daughter Daphne—seven months pregnant—to the impeccably appropriate Greyson Duff. The weekend is full of champagne, salt air and practiced bonhomie, but long-buried discontent and simmering lust stir beneath the surface. Winn Van Meter, father of the bride, is not having a good time. Barred from the exclusive social club he's been eyeing since birth, he's also tormented by an inappropriate crush on Daphne's beguiling bridesmaid, Agatha, and the fear that his daughter, Livia—recently heartbroken by the son of his greatest rival—is a too-ready target for the wiles of Greyson's best man. When old resentments, a beached whale and an escaped lobster are added to the mix, the wedding that should have gone off with military precision threatens to become a spectacle of misbehavior.
