Method Infinite: Freemasonry and the Mormon Restoration Cheryl L. Bruno 2022-08-09

While no one thing can entirely explain the rise of The Church of Jesus Christ of Latter-day Saints, the historical influence of Freemasonry on this religious tradition cannot be refuted. Those who study Mormonism have been aware of the impact that Freemasonry had on the founding prophet Joseph Smith during the Nauvoo period, but his involvement in Freemasonry was arguably earlier and broader than many modern historians have admitted. The fact that the most obvious vestiges of Freemasonry are evident only in the more esoteric aspects of the Mormon faith has made it difficult to recognize, let alone fully grasp, the relevant issues. Even those with both Mormon and Masonic experience may not be versed in the nineteenth-century versions of Masonry's rituals, legends, and practices. Without this specialized background, it is easy to miss the Masonic significance of numerous early Mormon ordinances, scripture, and doctrines. *Method Infinite: Freemasonry and the Mormon Restoration* offers a fresh perspective on the Masonic thread present in Mormonism from its earliest days. Smith's firsthand knowledge of and experience with both Masonry and anti-Masonic currents contributed to the theology, structure, culture, tradition, history, literature, and ritual of the religion he founded.

[Physical Body Ascension to the New Earth](#) - Robert E. Pettit, PhD 2010-06-01

There is a place you can go that is free from sickness, crime, and war. That place is not here on this Earth. Instead, it is on the "New Earth." And you can choose to obtain a new body and go there. Drawing upon thirty-three years of University research and fifteen years of "Subtle Energy" manipulations Dr. Pettit discusses relationships between life sciences and spirituality. By understanding the concept "ask and you can receive" he outlines the questions to ask and your responsibilities to create a new body for ascending to the "New Earth" around 2012. Ascension is available for those who choose to move out of duality consciousness with suffering and pain into a new reality of Unity Consciousness with unfathomed joy and peace. Dr. Pettit explains how you can achieve this incredible gift with the following concepts. * Making a choice to ascend with your physical body * Knowing who you are and why you are on Earth * Shifting your dimensional state of consciousness * Avoiding fear, accept change, understand time-space * Releasing false beliefs, sickness, and pain * Understand your Mer-Ka-Ba Energy Field * Universal Laws related to your spirituality * The End Times, "The Shift," and Photon Belt

The Ancient Secret of the Flower of Life, Volume 2 - Drunvalo Melchizedek 2000

The sacred Flower of Life pattern, the primary geometric generator of all physical form, is explored in even more depth in this volume, the second half of the famed Flower of Life workshop. The proportions of the human body, the nuances of human consciousness, the sizes and distances of the stars, planets and moons, even the creations of humankind, are all shown to reflect their origins in this beautiful and divine image. Through an intricate and detailed geometrical mapping, Drunvalo Melchizedek shows how the seemingly simple design of the Flower of Life contains the genesis of our entire third-dimensional existence. From the pyramids and mysteries of Egypt to the new race of Indigo children, Drunvalo presents the sacred geometries of the Reality and the subtle energies that shape our world. We are led through a divinely inspired labyrinth of science and stories, logic and coincidence, on a path of remembering where we come from and the wonder and magic of who we are. Finally, for the first time in print, Drunvalo shares the instructions for the Mer-Ka-Ba meditation, step-by-step techniques for the re-creation of the energy field of the evolved human, which is the key to ascension and the next dimensional world. If done from love, this ancient process of breathing prana opens up for us a world of tantalizing possibility in this dimension, from protective powers to the healing of oneself, of others and even of the planet. Embrace the expanded vision and understanding that Drunvalo offers to the world. Coincidences abound, miracles flourish and the amazing stories of mysteries unveiled arise as the author probes the Ancient Secrets of the Flower of Life.

This book is a compilation of seven books in Sapphire Throne Ministries' Understanding the Order of Melchizedek Series as well as an eighth

book that's a major key for God's people maturing into the fullness of the Order of Melchizedek, the fullness of the Bride of the Messiah, and the fullness of the Heavenly One New Man in the Messiah - Metatron. A very unique chapter called 'Fullness of the Messiah Bodily: Metatron' has been added to the eighth book - Blazing New Wine of Hanukkah - which reveals a vital key for kings and priests being able to grow into the 100-percent fullness of the Messiah bodily. Another major addition is found in 'The Original Melchizedek' Chapter of Book 2 - Practical Keys to Unlocking Melchizedek. This new section is titled 'Assignment of Death.' Here I share my own ascended experience in overcoming an Assignment of Death, as a king and priest of the Most High God. Even though there are additions, modifications and corrections in this edition, the integrity of these previously published books is mostly kept in-tact.

Manual for the Melchizedek Priesthood Classes, 1924 - Council of the Twelve Apostles (Church of Jesus Christ of Latter-day Saints) 1923

The Secret of the Golden Flower JJ Semple 2018-07-23

The first book to examine and extract the workable teachings from the *The Secret of the Golden Flower*. Forget dogma and belief systems... This is DIY meditation method, especially for those individuals tempted to brave the solitary path. It's only limits are your ability to envision and strive for a new YOU. Since the publication of *Deciphering the Golden Flower One Secret at a Time* (ASIN: B001A9TN7Q) in 2008 (DGF), readers have asked for an in-depth guidebook on using *The Secret of the Golden Flower* (SGF) to awaken kundalini in a manner, and with results, similar to those described in JJ Semple's DGF. *The Secret of the Golden Flower: A Kundalini Meditation Method* is that book, a much anticipated interpretive guide to the SGF as well as a sequel to his DGF autobiographical kundalini memoir. Kundalini is the formative, biological life force energy in your body. Most people don't realize that kundalini resides within them; they are simply unaware of its actuality and its potential. Which means, of course, that it may never "re-activate" either spontaneously or otherwise, not unless you learn how to induce a Kundalini awakening through meditation practice. Even then, the outcome is never certain. There's a quantum or karmic aspect to the process. Wilhelm, Cleary, and Jung translated the book and commented on its teachings, but not one of them ever practiced the method. This book compares their translations and commentaries with JJ Semple's empirical practice of the method, using his ultimate success in awakening kundalini as the arbiter of its suitability as a method - in essence, the author identifies where the written word deviates from actual practice. He extracts the workable teachings from the esoteric text of the SGF and shapes them into a practical modern method. By cross-referencing both the Cleary and the Wilhelm versions, the author details each version's contribution to the kundalini awakening process. A chapter comparing Golden Flower Meditation (GFM) to the Microcosmic Orbit (MCO) is also included. Says JJ Semple, "Did I take every word and every passage in the Wilhelm version literally? No more than I take every word or passage in the Bible, or in Cleary's translation, literally. I realized that a successful practice depended on problem solving and detective work, that searching for literal meaning was a waste of time. Success would be found in doing, not in fantasizing." In fact, the SGF has two objectives. One, it's a manual for kundalini meditation, even though the term "kundalini" never appears in the text. Put aside what you may have been told or read about the SGF and accept this as fact - one borne out by centuries of realized practitioners who practiced the method, a fact vetted by contemporaries such as Gopi Krishna. Two, it's an explanation of ontology, which the dictionary defines as: "the branch of metaphysics dealing with the nature of being." Neither objective is readily understood without practicing the method. Sure, it's possible to approach the text as an academic challenge, but the best way to reconcile the two objectives is by practicing the method, which, if you are patient, allows you to "grok" the ontological elements as you move forward. The two are not separated in the text; they're mingled together, which, as you might imagine, makes understanding problematic. Says JJ Semple, "Although the ontological portions obscured the practical aspects to some degree, I decided to forge ahead. Ultimately, once the meditation took its course, once the light started to circulate, I was catapulted out of the limiting duality of the physical world into the metaphysical actuality of 'the great One...which has nothing above it.'" In short, he learned that enlightenment comes with practice.

Martyr's Manual - Wayne Brouwer 2019-05-28

"Faith" gets its most powerful definition from the New Testament book of Hebrews. Yet this anonymous treatise tantalizes with both its lack of contemporary precision about faith's definition and its shrouded original context. There are, however, sufficient clues in Hebrew's text to guide astute investigators toward a strange and yet familiar world of religious challenge in which the deeply significant rituals of ancient Israel, the attractive moral character of first-century Jews in Rome, a crowd of disaffected righteous Romans, and a purported Palestinian messiah converge to produce one of the world's most thoughtful, courageous, and brilliant calls to martyrdom. In this careful pilgrimage along the author's meticulous development of a holy challenge to remain faithful to Jesus (precisely because there are no meaningful alternatives), Brouwer helps us find an inspiring and ever-relevant call to faith--we become the persons we are through the daily choices we make about Jesus and others.

The Order of Melchizedek - Rev. Daniel Chesbro 2010-10-01

The teachings of Melchizedek—a totally balanced, authoritative incarnation of Christ—on topics such as reincarnation, spiritual development, and free will, are presented in this manual that relates a positive approach to the current transitional stage of spiritual evolution. Contending that the unconditional love of God is bombarding the earth in an influx of neutrinos, this account provides a history of Melchizedek, who is a major influence in both the New and Old Testaments but is vastly understudied in most churches. Promoting a harmonious view of religion—where there is one God, understood and worshiped in a variety of different ways, each serving a purpose to those worshipping and to the overall understanding of spirituality—this testament to the Order is both down-to-earth and profound.
