Make the most of your time with The Pocket Rough Guide to New

York City. Now available in ePub format.
[Everyone Loves Live Music](#) - Fabian Holt
2021-01-27

For decades, millions of music fans have gathered every summer in parks and fields to hear their favorite bands at festivals such as Lollapalooza, Coachella, and Glastonbury. How did these and countless other festivals across the globe evolve into glamorous pop culture events, and how are they changing our relationship to music, leisure, and public culture? In *Everyone Loves Live Music*, Fabian Holt looks beyond the marketing hype to show how festivals and other institutions of musical performance have evolved in recent decades, as sites that were once meaningful sources of community and culture are increasingly subsumed by corporate giants. Examining a diverse range of cases across Europe and the United States, Holt upends commonly-held ideas of live music and introduces a pioneering theory of performance institutions. He explores the fascinating history

of the club and the festival in San Francisco and New York, as well as a number of European cities. This book also explores the social forces shaping live music as small, independent venues become corporatized and as festivals transform to promote mainstream Anglophone culture and its consumerist trappings. The book further provides insight into the broader relationship between culture and community in the twenty-first century. An engaging read for fans, industry professionals, and scholars alike, Everyone Loves Live Music reveals how our contemporary enthusiasm for live music is more fraught than we would like to think.

Pocket Rough Guide New York City (Travel Guide eBook) - Rough Guides 2019-04-01

MAKE THE MOST OF YOUR TIME ON EARTH

The Way You Love Me - Donna Hill 2015-02-01
Making a case for love... Struggling law student Bailey Sinclair is working two jobs to make ends meet on the night a charismatic stranger walks into her bar. The attraction between them is instantaneous—and explosive. Until Bailey discovers that her anonymous hunk is none other than Justin Lawson, one of the richest, most hotly pursued bachelors in all of Baton Rouge. Justin is thrilled to discover that the woman managing the bar at his family's celebration at the Lawson mansion is the intriguing beauty he hasn't been able to forget. Now all he wants is to lavish Bailey with gifts and his passionate attention. But she's too proud and independent to accept his help—and determined to make it on her own. They may come from different worlds, but doesn't Bailey realize there are no obstacles to love...if she's

willing to trust him with her heart?

Art of Modern Rock Paul Grushkin 2004-11-04

Products Liability Depositions - Terrance M. Miller 2013-12-01

1 Looseleaf Volume. Forms. Index. Updated Annually. One of the key components of success

in litigating products liability cases is taking effective discovery depositions. Products Liability Depositions is a book entirely devoted to the subject of how to go about preparing for and taking depositions that will provide you with the necessary materials for building a successful case. The book contains sample depositions from actual cases that illustrate the many techniques that can be used to develop useful testimony. It also provides practical and time saving suggestions on how to prepare for taking the important depositions in a products liability case. The book also provides a handy source of quick information regarding the legal doctrines that apply to products liability cases. There is a section briefly describing the substantive law applicable to products cases from each of the 50 states. This section allows quick access to answers such as what affirmative defenses are available to a strict liability claim in a given state. This section alone makes this book a necessary addition to any products liability

lawyers office library.

Rock and Roll Explorer Guide to New York City - Mike Katz 2018-06-01

From the churches and street corners of Harlem and The Bronx to the underground clubs of the East Village, New York City has been a musical mecca for generations, and Rock & Roll Explorer Guide to New York City is the definitive story of its development throughout the five boroughs. Plug in and walk the same streets a young Bob Dylan walked. See where Patti Smith, the Ramones, Beastie Boys, and Jeff Buckley played. Visit on foot the places Lou Reed mentions in his songs or where Paul Simon grew up; where the Strokes drowned their sorrows, Grizzly Bear cut their teeth and Jimi Hendrix found his vision. Rock and Roll Explorer Guide gives fans a behind-the-scenes look at how bands came together, scenes developed, and classic songs were written. Artists come and go, neighborhoods change, venues open and close, but the music lives on. Contents Upper

Manhattan and Harlem Upper West Side The Velvet Underground Upper East Side The Beatles John & Yoko Central Park Patti Smith Midtown West Beastie Boys Midtown East Madonna Chelsea & Hudson Yards Jimi Hendrix & Electric Lady Union Square & Madison Square New York Dolls West Village Bob Dylan East Village Blondie Soho & TriBeCa Sonic Youth Lower East Side The Strokes Brooklyn Talking Heads Queens Ramones Simon & Garfunkel The Bronx Kiss Staten Island Rock & roll may not have been born in New York, but this is one of the places it grew up and blew up and presented itself to the world. From the churches and street corners of Harlem and the Bronx to the underground clubs of the East Village, New York City has been a musical Mecca for generations, and The Rock & Roll Explorer Guide to New York City is an historical journey through its development across all five boroughs. The Rock & Roll Explorer Guide to New York City restores a sense of time and place

to music history by identifying and documenting critical points of interest spanning genres and eras, and delineating the places in New York City critical to its musical development and ultimate triumphs and tragedies. Through this lens, we can see and understand how bands came together, scenes developed, and classic songs were written. In some cases, the buildings are still there, in others only the address remains, but you still get a sense of the history that happened there. Among the many locations in this book are addresses musicians and other key rock & roll figures once called home. In a very few instances we've included current addresses, but only when the location is historically significant and widely known; otherwise, we consciously left current residences out. The Rock & Roll Explorer Guide to New York City is intended as a fun travel guide through music history rather than a means of locating famous musicians. Most New Yorkers understand that everyone has a right to privacy.

That's one of the reasons many of these artists live here. Because of the city's rich history, this book cannot be a comprehensive encyclopedia of music, rock venues, or the music industry; nor do we present the definitive biographies of the musicians included. The artists and locations chosen represent a sometimes broad look at the history of rock & roll in the city, with an eye on those who either grew up or spent their formative years here. But there's so much more we couldn't include, and we hope readers will be inspired to go even further, whether they're hitting the streets themselves or experiencing the city vicariously from afar. Artists come and go, neighborhoods change, venues open and close, but the music lives on.

Musical Performance and the Changing City -
Fabian Holt 2013-09-02

A contribution to the field of urban music studies, this book presents new interdisciplinary approaches to the study of music in urban social life. It takes musical performance as its key

focus, exploring how and why different kinds of performance are evolving in contemporary cities in the interaction among social groups, commercial entrepreneurs, and institutions. From conventional concerts in rock clubs to new genres such as the flash mob, the forms and meanings of musical performance are deeply affected by urban social change and at the same time respond to the changing conditions. Music has taken on complex roles in the post-industrial city where culture and cultural consumption have an unprecedented power in defining publics, policies, and marketing strategies. Further, changes in real estate markets and the penetration of new media have challenged even fairly modern music cultures. At the same time, new music cultures have emerged, and music has become a driver for cultural events and festivals, channeling the dynamics of a society characterized by the social change, media intensity, and the neoliberal forces of post-industrial urban contexts. The volume brings

together scholars from a broad range of disciplines to build a shared understanding of post-industrial contexts in Europe and the United States. Most directly grounded in contemporary developments in music studies and urban studies, its broad interdisciplinary range serves to strengthen the relevance of urban music studies to fields such as anthropology, sociology, urban geography, and beyond. Offering in-depth studies of changing music culture in concert venues, cultural events, and neighborhoods, contributors visit diverse locations such as Barcelona, Berlin, London, New York, and Austin.

Time Out New York - Editors of Time Out
2012-07-13

Now in its 20th edition, Time Out New York provides the inside track on the Big Apple in an exhaustive guide with illuminating features and hundreds of independent unbiased venue reviews covering everything from iconic skyscrapers to buzzing neighborhoods. The

guide offers an exhaustive overview of everything the city has to offer in terms of tourist attractions, eating and drinking, shopping, clubs and the sights — everything from pizza and bagels to shopping green. Comprehensive coverage of the city's incomparable arts and culture scene makes this an invaluable sourcebook for tourists and natives alike. An extensive month-by-month calendar of events is included. Escapes and excursions within relatively easy reach for day or overnight trips are also included.

2015 Songwriter's Market - James Duncan
2014-10-06

New York Magazine - 1996-06-24

New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself, while celebrating New York as both a place and

an idea.

Eliot's Banana - Heather Swain 2003-09-01

Things should be peachy. Junie isn't entirely sure what her problem is. She's just moved into a Brooklyn apartment with her cool longtime boyfriend Leon, a drummer who adores her. She flits through a string of temp jobs in funky thrift store clothes. But beneath her veneer of quirky humor there's a nagging feeling of dissatisfaction about her life. She's about to go bananas. When Junie meets Eliot, who is twice her age, and his cat, Alfie, at the vet's office, she's convinced she's found the zest missing in her life. A burnt-out sci-fi writer in search of a muse, Eliot is apples to Leon's oranges. It's not long before Junie's standing in his kitchen being offered a banana...and then some. Losing herself in the mayhem of a fling, Junie slowly realizes that kinky diversions are a poor distraction from what's really eating her. Only when she stops obsessing about Eliot and starts peeling away the layers of her family's past will she see that

what she really wants has been waiting for her all along...and that her future's ripe with possibilities.

Pocket Rough Guide New York City - Rough Guides 2015-02-02
