Karma - Sadhguru 2021-04-27

NEW YORK TIMES, USA TODAY, and PUBLISHERS WEEKLY

BESTSELLER "Full of valuable insights to guide you."—WILL SMITH

"Thoughtful and life-affirming . . . a must-read."—TONY ROBBINS "This

book will put you back in charge of your own life."—TOM BRADY A new

perspective on the overused and misunderstood concept of "karma" that

offers the key to happiness and enlightenment, from the world-renowned

spiritual master Sadhguru. What is karma? Most people understand

karma as a balance sheet of good and bad deeds, virtues and sins. The

mechanism that decrees that we cannot evade the consequences of our

own actions. In reality, karma has nothing to do with reward and

punishment. Karma simply means action: your action, your responsibility.

It isn't some external system of crime and punishment, but an internal

cycle generated by you. Accumulation of karma is determined only by

your intention and the way you respond to what is happening to you.

Over time, it's possible to become ensnared by your own unconscious

patterns of behavior. In Karma, Sadhguru seeks to put you back in the

driver's seat, turning you from a terror-struck passenger to a confident

driver navigating the course of your own destiny. By living consciously

and fully inhabiting each moment, you can free yourself from the cycle.

Karma is an exploration and a manual, restoring our understanding of

karma to its original potential for freedom and empowerment instead of a

source of entanglement. Through Sadhguru's teachings, you will learn

how to live intelligently and joyfully in a challenging world.

Adiyogi - Sadhguru 2017-02-23

"Shiva does not spell religion. Shiva spells responsibility -- our ability to

take our very life process in our hands." -- Sadhguru 'Shi-va' is 'that

which is not', a primordial emptiness; Shiva is also the first-ever yogi,

Adiyogi, the one who first perceived this emptiness. Adiyogi is symbol

and myth, historic figure and living presence, creator and destroyer,

outlaw and ascetic, cosmic dancer and passionate lover, all at once. A

book like no other, this extraordinary document is a tribute to Shiva, the

Adiyogi, by a living yogi; a chronicle of the progenitor of mysticism by a

contemporary mystic. Here science and philosophy merge seamlessly, so

do silence and sound, question and answer--to capture the unspeakable

enigma of Adiyogi in a spellbinding wave of words and ideas that will

leave one entranced, transformed.

Flowers on the Path (eBook) - Sadhguru 2012-09-01

The Flowers on the Path series is a bouquet. It comprises articles created

by Sadhguru for the Speaking Tree column of the Times of India. These

articles have, for many years, brought daily infusions of beauty, humour,

clarity and wisdom into lives abraded by mayhem and monotony. In

pages devoted to the changing weather of the stock market and

international affairs, these articles have brought readers moments of

unexpected insight and stillness. Sadhguru's original thoughts,

outspoken comments and references to current affairs have sometimes

provoked controversy. But they have invariably added vitality and color

to a national debate. Like flowers, these articles have inspired and

stimulated readers, wafting into their lives as a gentle fragrance on some

mornings, and on others, startling them awake with fresh perspectives

on age-old ideas and beliefs.

A Midsummer-night's Dream - William Shakespeare 1874

The Mystic Eye - Sadhguru 2008

This is a book for the thirsty. And emphatically not a book for the faint-

hearted. In a series of far-reaching exploratory conversations, Sadhguru

- a living master and mystic of our times - touches on every conceivable

question that a seeker might nurse about the realm of the mystical.

Questions about enlightenment, liberation, death, God and the afterlife.

Also those niggling but ostensibly trifling questions that so many wonder

about, but are hesitant to ask: about spirits, disembodied beings, black

magic, possession and the occult. And in a riveting culmination to the

book, Sadhguru unfolds the story of his life mission, a saga of

extraordinary commitment and courage that spans three lifetimes. The

result is the Dhyanalinga, the dream of countless yogis down the

centuries: a unique energy form which sows the seed of liberation in all

who visit it. This is a book to treasure. It offers an unprecedented

glimpse into the world of a contemporary mystic, a prodigious living

archive of knowledge. In the course of his discussions, Sadhguru probes

the farthest realms of illogic, and yet his unfailingly rational and matter-

of-fact tone lends credibility to the more fantastic aspects of the content.

Eternal Echoes: The Sacred Sounds Through the Mystic - Sadhguru 2002

'Eternal Echoes' is an anthology of poems penned by Sadhguru. Expertly

expressing love, devotion, longing, struggle, seeking and bliss -

Midnights with the Mystic - Cheryl Simone 2008-05-16

"With the elegance of simplicity, this book takes you on an exploration of

consciousness, that will shift you to a higher reality." —Deepak Chopra

Constructed around a series of late night conversations around a camp

fire between Cheryl Simone and Sadhguru Vasudev on an Island in the

middle of a Western North Carolina lake near her mountain home,

Midnights with the Mystic is the most thorough exposition of the

teachings of India's most sought after mystic. Sadhguru challenges us to

embrace the possibility that to each of us is available a higher realm of

reality, a peak of consciousness; an entrée into the realm of freedom and

bliss. Simone, an Atlanta real estate developer, was the typical baby

boomer in search of an authentic spiritual experience. Professionally

successful, yet spiritually arid, she discovered a way into what she was

looking for in the teachings of Sadhguru. Concrete and down-to-earth,

Midnights with the Mystic both provides readers with an introduction to

profound spiritual teaching and a personal glimpse of a charismatic guru.

Midnights with the Mystic - Sadhguru with Cheryl Simone 2010

A series of intimate conversations with a wise and charismatic guru is a

compelling idea. How many times have each of us wished for answers to

life's deep questions? In Midnights with the Mystic, Cheryl Simone

relates her personal experience of learning at the feet of Sadhguru

Vasudev, India's most sought-after mystic. As we share in her profound

experiences, we are challenged to embrace the possibility that to each of

us is available a higher realm of reality, a peak of consciousness, an

entrée into the realm of freedom and bliss. "This book lays bare

Sadhguru's mastery over life." —Indu Jain, Chairperson, Times of India

The Awakening Ground - David Chaim Smith 2016-06-16

Author David Chaim Smith offers a guide to the practice of mystical

contemplation from the perspective of a highly unusual form of non-dual

Kabbalah, unfettered by both religious mythology and psychological

reductionism. The path articulates the ultimate quest for meaning, which

seeks to pass through the clutter of the mind's conceptual associations to

nakedly and directly recognize the innate essentiality of all things known

as the light of En (no) Sof (end), or the Infinite. Most mainstream

conventional schools of Kabbalah hold such a radical aspiration to be

inapproachable at best, and heretical at worst. • The work introduces six stages that articulate how the mind breaks through its own restrictive habitual reflexes to awaken to the ground of En Sof, which is the mind's essential nature • Each stage is illustrated by the author's own original works of art and line diagrams • Draws upon obscure sources such as the 13th-century Kabbalistic text Fountain of Wisdom, various alchemical and gnostic texts, and the writings of Isaac the Blind The author reveals how meaning never remains static--its nature is to move, transmit, and display--yet its precious potential becomes buried under layers of mental constructs. He explains how the mind's habits and reflexes impose structures of containment that try to make sense out of phenomena, but these very structures actually obscure their essence completely. Smith's experiential path to gnostic awakening reveals how, in the wake of the lesser concerns of the conceptual mind, primordial purity shines in resonances of vast poetic beauty, if a sensibility of wonder, awe, and delight is cultivated. Offering a step-by-step analysis to the ecstatic aspects of contemplative revelation, David Chaim Smith explores how to ride the razor's edge of the paradox to coax the mind from the sleep of habituation towards the culmination of gnosis. Although the process is described within the traditional symbol system of kabbalah, its import is a truly radical exponent of extreme mysticism.

The Third Jesus - Deepak Chopra, M.D. 2008-02-19

Who is Jesus Christ? In *The Third Jesus*, bestselling author and spiritual leader Deepak Chopra provides an answer to this question that is both a challenge to current systems of belief and a fresh perspective on what Jesus can teach us all, regardless of our religious background. There is not one Jesus, Chopra writes, but three. First, there is the historical Jesus, the man who lived more than two thousand years ago and whose teachings are the foundation of Christian theology and thought. Next there is Jesus the Son of God, who has come to embody an institutional religion with specific dogma, a priesthood, and devout believers. And finally, there is the third Jesus, the cosmic Christ, the spiritual guide whose teaching embraces all humanity, not just the church built in his name. He speaks to the individual who wants to find God as a personal experience, to attain what some might call grace, or God-consciousness, or enlightenment. When we take Jesus literally, we are faced with the impossible. How can we truly "love thy neighbor as thyself"? But when we see the exhortations of Jesus as invitations to join him on a higher spiritual plane, his words suddenly make sense. Ultimately, Chopra argues, Christianity needs to overcome its tendency to be exclusionary and refocus on being a religion of personal insight and spiritual growth. In this way Jesus can be seen for the universal teacher he truly is--someone whose teachings of compassion, tolerance, and understanding can embrace and be embraced by all of us.

The God of Elijah Cheryl Simone 2011-12-06

Watching my sister slip away into an eternal place and hearing the gratification in her voice as she transformed to the other side is what gives me peace. We walked together in that tunnel. I can't help but wonder what if I would have remained there too. Would I have experienced the same overwhelming joy my sister felt, instead of letting the paralyzing fear take over me causing me to be left behind? What I experienced would make any individual wish that they were dead. Still I continue to hear how blessed I am to be alive. If I knew what I would be faced with when I awakened, I wonder if I would have rather remained asleep... I stopped trying to figure out why I survived and have learned to embrace the encounter I had with The God of Elijah. If you have picked up this book, The God of Elijah desires to have an encounter with you. Jesus said that no man comes to Him, except God draws them. So relax, quiet your soul, and come with me on my journey, as I reveal what happens when the miraculous shows up. Death stared me in the face;

hell was hard on my heels. Up against it, I didn't know which way to turn; then I called out to GOD for help: "Please, GOD!" I cried out. "Save my life!" GOD is gracious it is he who makes things right, our most compassionate God. GOD takes the side of the helpless; when I was at the end of my rope, he saved me. I said to myself, "Relax and rest. GOD has showered you with blessings. Soul, you've been rescued from death; Eye, you've been rescued from tears; and you, Foot, were kept from stumbling." (MSG) Psalm 116: 3-8

Good And Bad Divides The World - Sadhguru (Jaggi Vasudev) 2008

Mind is your Business - Sadhguru 2015-04-30

For most people, the mind seems to be an unruly cacophony, attempting to grasp and shape everything which falls in its purview. In *Mind is your business*, Sadhguru explains that only if we make it "our business" to transform this uncoordinated mess into a well-coordinated symphony, will we be able to use the mind, rather than be used by it. Sadhguru is a yogi and profound mystic of our times. An absolute clarity of perception places him in a unique space in not only matters spiritual but in business, environmental and international affairs, and opens a new door on all that he touches.

Everybody Loves a Good Drought P Sainath 2000-10-14

The human face of poverty The poor in India are, too often, reduced to statistics. In the dry language of development reports and economic projections, the true misery of the 312 million who live below the poverty line, or the 26 million displaced by various projects, or the 13 million who suffer from tuberculosis gets overlooked. In this thoroughly researched study of the poorest of the poor, we get to see how they manage, what sustains them, and the efforts, often ludicrous, to do something for them. The people who figure in this book typify the lives and aspirations of a large section of Indian society, and their stories present us with the true face of development.

Life and Death in One Breath Sadhguru 2013-11-01

For ages, most of humanity has placed "life" and "death" at two ends of the existential spectrum - favoring one, fearing the other and continuously floundering between the two. Only when someone who has consciously traversed between both life and death offers to articulate some aspects of it, does humanity get a glimpse of what lies beyond the horizon of its normal perception. With his extraordinary insights, coming from a profound inner experience, Sadhguru reveals that life and death are, in fact, two sides of the same coin. It is only by embracing both that we can break the shackles of our selfmade struggles and be set free. In his own words, he says: "Death is a cosmic joke. If you get the joke, when you fall on the other side, it will be wonderful. If you don't get the joke, when you are here you fear the other side, and when the other side comes, you just don't know what it is about. If death becomes a laughing matter in your life, life becomes an utterly effortless process - there is no need to restrain yourself in the process of life; you can live your life absolutely, totally." "The distance between your life and death is just one breath, isn't it?" - Sadhguru

Of Mystics & Mistakes - Sadhguru 2012

"THERE ARE ONLY TWO TYPES OF PEOPLE: MYSTICS AND MISTAKES," says Sadhguru, leaving readers in no doubt of the category to which they belong! That sounds damning. But mistakes can thankfully be rectified. And that's the hope this book holds out to seekers. It reminds us that each one of us can make the journey—from confusion to clarity, from error to enlightenment, from self-deception to self-discovery—if only we choose.

Sadhguru, More Than a Life Arundhati Subramaniam 2010

'The thirst to be boundless is not created by you; it is just life longing for itself.' —Sadhguru This is the extraordinary story of Sadhguru—a young agnostic who turned yogi, a wild motorcyclist who turned mystic, a sceptic who turned spiritual guide. Pulsating with his razor-sharp intelligence, bracing wit and modern-day vocabulary, the book empowers you to explore your spiritual self and could well change your life. It seeks

to re-create the life journey of a man who combines rationality with mysticism, irreverence with compassion, ancient wisdom with a provocatively contemporary outlook and a deep knowledge of the self with a contagious love of life. Described as 'a profound mystic, visionary humanitarian and prominent spiritual leader of our times', he is equally at home in a satsangh in rural Tamil Nadu as at the World Economic Forum in Davos. In his early years, Jaggi Vasudev (or Sadhguru as he is now known) was a chronic truant, a boisterous prankster, and later a lover of motorbikes and fast cars. It is evident that the same urgency, passion and vitality echo in his spiritual pursuits to this day, from his creation of the historic Dhyanalinga—the mission of three lifetimes—to his approach as a guru. In Sadhguru's view, faith and reason, spirituality and science, the sacred and the material, cannot be divided into easy binaries. He sees people as 'spiritual beings dabbling with the material rather than the reverse', and liberation as the fundamental longing in every form of life. Truth for him is a living experience instead of a destination, a conclusion, or a matter of metaphysical speculation. The possibility of self-realization, he strongly believes, is available to all. Drawing upon extended conversations with Sadhguru, interviews with Isha colleagues and fellow meditators, poet Arundhati Subramaniam presents an evocative portrait of a contemporary mystic and guru—a man who seems to pack the intensity and adventure of several lifetimes into a single one.

master considered by many to be one of the foremost living yogis on the planet. This is a book for those who stayed behind. Amalgamating discourses and conversations from several yattras, it is a blend of the specific and the timeless. This book is not just about the Himalayas. The autobiography of Paramahansa Yogananda (1893 - 1952) details his search for a guru, during which he encountered many spiritual leaders and world-renowned scientists. When it was published in 1946 it was the first introduction of many westerners to yoga and meditation. The famous opera singer Amelita Galli-Curci said about the book: "Amazing, true stories of saints and masters of India, blended with priceless superphysical information-much needed to balance the Western material efficiency with Eastern spiritual efficiency-come from the vigorous pen of Paramhansa Yogananda, whose teachings my husband and myself have had the pleasure of studying for twenty years."

Emotion & Relationships (2 Books in 1) - Sadhguru 2017-12-07

Emotion "One can make any emotion into a creative force in one's life." - Sadhguru It's not just poetic license that allows us to refer to emotions as "juicy". In a literal sense also, emotions are a chemical cocktail that course through our bodies. But while we have no problems with pleasant emotions, unpleasant emotions are the source of much angst in our lives. In *Emotion: The Juice of Life*, Sadhguru looks at the gamut of human emotions and how to turn them into stepping stones rather than stumbling blocks. Relationships "If you enhance yourself into a very beautiful state, everyone will want to hold a relationship with you." - Sadhguru Human beings constantly make and break relationships. Unfortunately, relationships can make and break human beings too. Why are relationships such a circus for most of us? What is this primal urge within us that demands a bond - physical, mental, or emotional - with another? And how do we keep this bond from turning into bondage? These are the fundamental questions that *Relationships: Bond or Bondage* looks at as Sadhguru shares with us the keys to forming lasting and joyful relationships, whether they are with husband or wife, family and friends, at work, or with the very existence itself. Sadhguru is a yogi and profound mystic of our times. An absolute clarity of perception places him in a unique space in not only matters spiritual but in business, environmental and international affairs, and opens a new door on all that he touches.

Don't Polish Your Ignorance ...It May Shine - Sadhguru 2011

The persistent questions of seekers fill this book. It's all here - the pain, the confusion, the raging gut-level thirst, all that it means to be human and alive and wanting. And through it all are the clear, strong, unwavering tones of a master who reminds us that the only thing that lies between the human and the divine, the finite and the boundless, the seeking and the finding, is choice. What does that choice entail? Not the acquisition of any path-breaking wisdom, but a determined refusal to strengthen one's ignorance, to reinforce one's deceptions, to 'gold-plate one's limitations'. The danger, Sadhguru tells us, does not lie in being in the dark - that can be dispelled for anyone who genuinely desires it - but in settling for an easy brilliance, a spurious radiance. The danger does not lie in seeking urgently, but in arriving cheaply. "Don't polish your ignorance," he warns aphoristically, unforgettably, recurrently in the course of this book. "It may shine."

Born After Midnight - A. W. Tozer 2015-09-22

seeking it. Born After Midnight stirs us toward renewal. Be it in the realm of money, worship, worry, or prayer, A. W. Tozer applies God's high wisdom to our everyday living to show how sin is bitter and Christ is sweet, helping us crave heaven and lose our taste for the world. If you will take God for who He says He is, trust His promises as true, and forsake the world in clutching for heaven, it will cost you everything. But it will give you eternity. Born After Midnight invites you to seek what cannot be lost.
