Shopaholic & Sister - Sophie Kinsella

2004-09-28

“Kinsella’s heroine is blessed with the resilience of ten women, and her damage-limitation brain waves are always good for a giggle.”—Glamour (U.K.) What’s a round-the-world honeymoon if you can’t buy the odd souvenir to ship back home? Like the twenty silk dressing gowns

Becky Brandon (née Bloomwood) finds in Hong Kong, or the hand-carved dining table from Sri Lanka, or the, um, huge wooden giraffes from Malawi (that her husband expressly forbade her to buy). Only now Becky and Luke have returned home to London, where two truckloads of those souvenirs have cluttered up their loft. The bills are outrageous, Luke is furious, and Becky’s

feeling rather blue—until her parents deliver some incredible news. She has a long-lost sister! Becky is convinced her sister will be a true soulmate. They'll go shopping together, drink cappuccinos together, get manicures together. Then Becky meets Jessica and receives the shock of her life. Surely the shopaholic's own sister can't hate shopping? Praise for Sophie Kinsella "Kinsella has a genuine gift for comic writing."—The Boston Globe "Kinsella's Bloomwood is plucky and funny. . . . You won't have to shop around to find a more winning protagonist."—People "Faster than a swiping Visa, more powerful than a two-for-one coupon, able to buy complete wardrobes in a single sprint through the mall—it's Shopaholic!"—The Washington Post

[Crazy Rich Asians](#) - Kevin Kwan 2013-06-11

Crazy Rich Asians is the outrageously funny debut novel about three super-rich, pedigreed Chinese families and the gossip, backbiting, and scheming that occurs when the heir to one of the

most massive fortunes in Asia brings home his ABC (American-born Chinese) girlfriend to the wedding of the season. When Rachel Chu agrees to spend the summer in Singapore with her boyfriend, Nicholas Young, she envisions a humble family home, long drives to explore the island, and quality time with the man she might one day marry. What she doesn't know is that Nick's family home happens to look like a palace, that she'll ride in more private planes than cars, and that with one of Asia's most eligible bachelors on her arm, Rachel might as well have a target on her back. Initiated into a world of dynastic splendor beyond imagination, Rachel meets Astrid, the It Girl of Singapore society; Eddie, whose family practically lives in the pages of the Hong Kong socialite magazines; and Eleanor, Nick's formidable mother, a woman who has very strong feelings about who her son should--and should not--marry. Uproarious, addictive, and filled with jaw-dropping opulence, Crazy Rich Asians is an insider's look at the

Asian JetSet; a perfect depiction of the clash between old money and new money; between Overseas Chinese and Mainland Chinese; and a fabulous novel about what it means to be young, in love, and gloriously, crazily rich.

Christmas Shopaholic - Sophie Kinsella

2019-10-17

Celebrate Christmas with the ultimate Shopaholic! A Sunday Times bestseller. The brilliant laugh-out-loud festive novel from the Number One bestselling author. Becky Brandon (née Bloomwood) adores Christmas. It's always the same - Mum and Dad hosting, carols playing, Mum pretending she made the Christmas pudding, and the next-door neighbours coming round for sherry in their terrible festive jumpers. And now it's even easier with online bargain-shopping sites - if you spend enough you even get free delivery. Sorted! But this year looks set to be different. Unable to resist the draw of craft beer and smashed avocado, Becky's parents are moving to ultra-trendy Shoreditch and have

asked Becky if she'll host Christmas this year. What could possibly go wrong? With sister Jess demanding a vegan turkey, husband Luke determined that he just wants aftershave again, and little Minnie insisting on a very specific picnic hamper - surely Becky can manage all this, as well as the surprise appearance of an old boyfriend and his pushy new girlfriend, whose motives are far from clear . . . Will chaos ensue, or will Becky manage to bring comfort and joy to Christmas? ***** EVERYBODY LOVES CHRISTMAS SHOPAHOLIC: ***** 'Becky and Christmas is just the perfect combination, and this book is funnier and more loveable than ever' Jenny Colgan 'A perfect Christmas read, laced with humor, with plenty to empathise with. A joyful, funny novel' Catherine Alliott 'As sparkly as a Christmas tree and full of festive joy, this one's a total cracker' Lucy Diamond 'A brilliant, laugh-out-loud read' Woman's Weekly
The Enforcement of Morals - Patrick Devlin
2010-01-31

Are morals always relative? Are private actions--among consenting adults--always beyond the law? Or are there some behaviors which so weaken a society that common beliefs about right and wrong must be enforced to protect the common good? In opposing the decriminalization of private acts of homosexuality in Britain, Patrick Devlin maintained that not only is it reasonable to allow popular morality to influence lawmaking, it is imperative: ". . . For a society is not something that is kept together physically; it is held by the invisible bonds of common thought." Some sidestep this controversial issue by asserting that the law should not be used to enforce any morality. Others invoke John Stuart Mill's doctrine that the only purpose for laws governing any member of society is to prevent harm to others, chiefly physical harm. But, Devlin argued, while breaches of shared morality do not cause harm to other individuals in the way that murder and assault do, they do harm society by undermining its moral structure.

Patrick Devlin (1905-1992) studied history and law at Cambridge University and became a successful lawyer.

Christmas Shopaholic - Sophie Kinsella

2019-10-15

The #1 New York Times bestselling author of *The Party Crasher* and *Love Your Life* returns with a festive *Shopaholic* adventure filled with holiday cheer and unexpected gifts. "Sophie Kinsella keeps her finger on the cultural pulse, while leaving me giddy with laughter."—Jojo Moyes, author of *The Giver of Stars* and *The Last Letter from Your Lover* 'Tis the season for change and Becky Brandon (née Bloomwood) is embracing it, returning from the States to live in the charming village of Letherby and working with her best friend, Suze, in the gift shop of Suze's stately home. Life is good, especially now that Becky takes time every day for mindfulness—even if that only means listening to a meditation tape while hunting down online

bargains. Things are looking cheerier than ever, until Becky's parents announce they're moving to ultra-trendy Shoreditch—unable to resist the draw of craft beer and smashed avocados—and ask Becky if she'll host this year. What could possibly go wrong? Becky's sister demands a vegan turkey, her husband insists that he just wants aftershave (again), and little Minnie needs a very specific picnic hamper: Surely Becky can manage all this, as well as the surprise appearance of an old boyfriend-turned-rock star and his pushy new girlfriend, whose motives are far from clear. The Party Crasher - Sophie Kinsella

2022-07-12

NATIONAL BESTSELLER • From the #1 New York Times bestselling author of *Love Your Life* comes a humorous and heartwarming novel about family and finding a second chance at love, set against the backdrop of the most fabulous party you've ever snuck into. "Sophie Kinsella keeps her finger on the cultural pulse, while leaving me giddy with laughter."—Jojo Moyes, author of *The Giver of Stars* and *The Last Letter from Your Lover* It's been almost two years since Effie's beloved parents got divorced, destroying the image of the happy, loving childhood she thought she had. Since then, she's become estranged from her father and embarked on a feud with his hot (and much younger) girlfriend, Krista. And now, more earth-shattering news: They've sold Greenoaks, the rambling Victorian country house Effie has always called home. When Krista decides to throw a grand "house-cooling" party, Effie is

originally left off the guest list—and then receives a last-minute “anti-invitation” (maybe it’s because she called Krista a gold-digger, but Krista totally deserved it, and it was mostly a joke anyway). Effie declines, but then remembers a beloved childhood treasure is still hidden in the house. Her only chance to retrieve it is to break into Greenoaks while everyone is busy celebrating. As Effie sneaks around the house, hiding under tables and peeping through trapdoors, she realizes the secrets Greenoaks holds aren’t just in the dusty passageways and hidden attics she grew up exploring. Watching how her sister, brother, and dad behave when they think no one is looking, Effie overhears conversations, makes discoveries, and begins to see her family in a new light. Then she runs into Joe—the love of her life, who long ago broke her heart, and who’s still as handsome and funny as ever—and even more truths emerge. But will Effie act on these revelations? Will she stay hidden or step out into the party and take her

place with her family? And truthfully, what did she really come back to Greenoaks for? Over the course of one blowout party, Effie realizes that she must be honest with herself and confront her past before she’ll ever be able to face her future.
