Church Management and Ministerial Ethics Made Simple

- Michael M. Charway
2016-06-10

Managing a church has never been easy, because one is dealing with both the spiritual and the physical, among other things. Most often, the physical aspect is completely neglected, resulting in administrative chaos. At times, ethics is thrown to the background, resulting in moral failures. This book addresses all these issues and is a perfect handbook for any minister.

Restoring the House of God

- Frank Madison Reid 2000

A thief has quietly crept into our churches. This thief has robbed us blind and most of us do not even realize it. Most of what our Lord wants for us has been taken from us by a "spirit of religion". This spirit has caused us to become a self-centered, flesh-serving institution instead of the life-giving, hope-building, Christ-filled Body that Jesus wants to build. Our only hope of

reconnecting with our Lord and the culture around us is to return to the Lord Himself. He will build His own Church, with much less help from us than we realize. This book shows the power of restoring the Church by restoring the intimacy of relationship with our Lord and then with the people God has put into our lives.

Trajectories in the Book of Acts

- April Alexander

2010-01-08

The book of Acts has served as the foundational biblical text for the development of Pentecostal theology and biblical studies since the outpouring of the Spirit at the Azusa Street Revival in 1906. Now, over one hundred years have past since the Azusa Street Revival and the book of Acts is still at the forefront of the Pentecostal dialogue. Trajectories in Acts draws together the work of leading Pentecostal scholars each bringing their expertise to bear in tracing and developing trajectories in Acts. These essays have been brought together as a Festschrift in

order to celebrate the influence, scholarship, and teaching career of John Wesley Wyckoff, a noted figure in the Assemblies of God and a known voice in the Pentecostal dialogue.

[Making Connections](#) - Marilyn Naidoo 2021-11-19

Because of the disconnect within the curriculum and the lack of contextual relevance, African theological education is still searching for appropriate approaches to ministerial training. Integrative theological education refers to systematic attempts to connect major learning experiences appropriate to the education and formation of ministers. It is seen as a solution to connect and transform ministry training. The main premise of this book is that the key to enhancing theological education is the intentional integration of knowing with being and doing, of theory with practice, and of theology with life and ministry. In this way, all aspects of student learning are brought together holistically, highlighting an

educational strategy that is concerned with connections in human experience, thereby supporting student learning. Making Connections offers the opportunity to consider integration as an appropriate pedagogical approach, to create the correct balance in making education more meaningful and fulfilling for the African, revealing humanising education grounded in African philosophy and worldview.

The Holy Spirit and Glory of

God - Jenny Chen 2016-01-20

As Christians, we are the generation where many Bible prophecies are being fulfilled right now. When darkness covers the earth and thick darkness is over the peoples, but the LORD rises upon us and his glory appears over us. We are going to see the knowledge of the glory of God unveiled to His people to its fullness that the earth is filled with the knowledge of the glory of God like the waters cover the sea. The knowledge of the glory of God is the full gospel described in Acts 26:18. It is not only we receive forgiveness of sins as Christians but also receive our heavenly inheritance. The glory of God belongs to spiritually mature Christians. They have grown in the perfection of their salvation from darkness to light and from the power of Satan to the power of God. They are empowered by the Holy Spirit and overcome the evil one and become spiritually mature in Christ. They enter the kingdom of heaven and receive their

eternal life NOW on earth. The eternal life is the eternal glory, which is also our heavenly inheritance to restore God's image and likeness on His children. Through the baptism of the Holy Spirit, Christians shall enter the kingdom of heaven to receive their inheritance through the Christ and continue living a Spirit-empowered life, and being transformed into His likeness with ever-increasing glory just like Jesus who is the image of God. Ultimately, we become victorious and glorious Christians and are prepared ourselves to be the bride churches for Jesus' second coming. In the book, you will find out* The Holy Spirit who is our best teacher and guide. Ontological Mysticism, an Experience of God - Ben

Gilberti 2011-03-01

Mysticism, the full realization of God cannot be attained through thoughts or words. The Archetype of the Story of Exodus provides a paradigm of spiritual development that includes spiritualized intellect symbolized by Moses. Mr. Gilberti's tome is more than his personalized writing, but rather takes you through the maze of thought to new realizations. Using Carl Jung's concept of archetype symbols and Aristotle's method of reasoning you are led to the brink of your mind in An Experience of God. There will be those who will no longer run from the fear, who will go into

free fall, who will begin to trust the world more to be what it always has been and always will be -- God. The taboo against sensuousness, the indictment and conviction of Eros as evil, effectively puts us at odds with the entirety of our creation as the universe, since we know this creation only through our senses.

Freedom, Glorious Freedom -

John J. McNeill 2009

In Freedom, Glorious Freedom, acclaimed author John J.

McNeill shows how lesbian and gay Christians can achieve full spiritual maturity and self-acceptance. McNeill discusses freedom of conscience and discernment of spirits, ancient teachings of the Christian church that have a special urgency for lesbian and gay people who need to free themselves from all the homophobic authorities and deal with God on a direct and personal basis. The liberating process of coming out of the closet is seen as a spirit-filled effort to achieve the glory of God by becoming fully alive. McNeill offers a twelve-step spirituality as a spiritual process of liberation from all addictions in order to experience the love of God in its fullness. The epilogue expresses in detail a philosophical vision, looking both to the past and to the future, of how gay liberation fits into the Spirit-directed evolution of human history and its role in the ongoing struggle for human liberation. For more than thirty-five years, John J. McNeill, an ordained priest and

psychotherapist, has been devoting his life to spreading the good news of God's love for lesbian and gay Christians. Good Pastors, Bad Pastors
Dela Quampah 2014-08-20

The emergence of Pentecostalism in Ghana has attracted a massive following and generated institutions that have significantly impacted Christian discourse and national life. The movement

has produced prominent leaders who have developed exemplary Christian education programs and generated volumes of Christian literature unprecedented in Ghanaian Christianity. Nevertheless, public opinion often upbraids church leaders for unethical conduct. Despite the concern for high moral standards set by Pentecostal church polity and ministerial ethical codes, reports of Pentecostal ministerial misconduct appear regularly in the media.

Although congregation members and perceptive public observers appreciate the constructive moral impact of Pentecostal ministers, instances of promiscuity, power abuse, financial misappropriation, and superstition reveal a gap between ethical ideals and practice. As this research reveals, factors behind unethical ministerial conduct include inadequate training, poor accountability, and a general low level of ethical reflection. *Good Pastors, Bad Pastors* suggests that a

multidimensional approach of responsible reportage, emphatic moral education, appropriate but sympathetic response to moral failure, and peer-review accountability could help uphold a higher standard of ministerial ethics.

The Spirit-filled Pastor's Guide
- Ralph M. Riggs 2004

A Spirit of Laziness - Tawana R. Powell 2015-08-04

One of the hardest habits to break, a spirit of laziness dwells in the lives of many. It is one of the greatest disguises in life, camouflaged by other excuses, yet working at every angle. It is quiet, almost unnoticeable, often times labeled as something else, something more acceptable. It is one of the most deceiving comfort zones, allowing you to feel safe and out of the way of challenges and change. It is a spirit that is always hoping to never be discovered because such a spirit knows that once it's realized or found out and dealt with, there's no stopping anyone who rids of it, sets

goals and aims to succeed.
Tawana R Powell -----

----- I have to admit when I read about the Spirit of Laziness I figured I was exempt because of my drive and passion for results. Reading this line opened my eyes to a deeper meaning "You must be willing to take a mental picture of your life, break it all down, and do the math." Everyone should take a moment and do the math because you may realize the Spirit of Laziness may be in the numbers. I recommend you read the book and figure out what it takes to rid yourself of this spirit. -- Theo Bowling, Management/Financial Services -----

----- As an educator with 22 years of experience in the classroom, I often ask myself, "How can I motivate lazy students?" A SPIRIT OF LAZINESS is a great resource to use in my classroom to help conquer this feat! I will work, along with my students, to set goals that help us eliminate that spirit of laziness! Work

ethics, grades, behavior, self-esteem will improve! I want my students to be able to motivate themselves enough so that they will feel a sense of pride in everything they do. --Tanya Riley, WSFCS 8th grade Math Teacher
