Inconvenient Things - Rohan Harris 2007-02
Between September and December of the year 2000, Sebastian James Preiss kept a very in-depth journal. Sebastian is a shore-boy. His father earns more in a month than most families earn in a year. For his eighteenth birthday, he got a brand new black BMW. His mother doesn't work - instead she plays tennis and alternates between various prescription drugs. However, you shouldn't hold all that against him. What you should hold against him is the fact that he's a self-serving, bitter misanthrope with little better to do than play games with people's minds. With an ego like Sebastian's... given enough time, and an interaction with precisely the wrong kind of girl, things are bound to come collapsing

down. Consider this an anti-romance.

Augie's Quest - Augie Nieto 2011-01-15

What happens to "orphan" diseases that aren't big enough profit centers for the pharmaceutical industry or get caught in the web of government funding and academic research? Augie Nieto found out in the spring of 2005: At forty-seven

years old he was diagnosed with ALS.

Devastated, Augie struggled with depression and attempted suicide. When he awoke from a coma, with friends and family surrounding him, his sense of faith and mission were renewed. Fast-forward one year: Augie and his wife, Lynne, were profiled as "Real Heroes" on the Today show. Their determination to beat the disease had already led to major overhauls in the way ALS research was conducted. In partnership with the Muscular Dystrophy Association, Augie had set up a foundation and lab to coordinate and oversee ALS research and testing across the globe. By centralizing operations and championing an entrepreneurial approach to medical research, Augie and his team accomplished remarkable results in less than two years. Part inspiration, part business innovation, Augie's Quest illustrates how one person can make a meaningful difference. Praise for Augie Nieto: George H. W. Bush, former U.S. president: "Your contributions to the fitness industry are well known, and your dedication an inspiration." Lance Armstrong, seven-time "Le Tour de France" champion: "I think it says a lot about Augie, the fact that everybody came together regardless of whether or not it's for competing gyms or competing companies that make equipment. They all say, this is one of our own; this is a guy who's committed his life to our industry and has been dealt a serious blow. We're going to be there for him, we're going to say, we're here for you and we're part of the Quest." Arnold Schwarzenegger, governor of California: "Your success has been incredible. But you are so much more than just a successful businessman. You are the greatest husband, a great father, and a terrific friend. So,

Jim's Book Catherine Moolenschot 2019-02-19
Meet the man and uncover the story behind one of Australia's most recognised brands We all know Jim's. Maybe you just passed a Jim's Mowing trailer on the road; or maybe there's a Jim's Cleaning van parked across the street each Tuesday morning; or maybe your best mate is laughing all the way to the bank after quitting the city and starting his new Jim's Fencing franchise, but do you know the real story behind the Jim's Group and its founder, Jim Penman? Brutally efficient, socially awkward, and a tireless perfectionist, Jim is as complex and fascinating as the Jim's Group. This book is a warts-and-all look at his colourful life that delves deep into how he ignored conventional thinking to turn a few mowing rounds into a corporate juggernaut built on always putting the customer

first. Jim's unique approach revolutionised Australia's business landscape, providing thousands of people the opportunity to create and grow their own businesses. Most Australians know very little about the man who created one of the nation's most famous companies. For all of his success, Jim is remarkably unassuming and approachable. In this authorised biography, author Catherine Moolenschot sat down with Jim and over one hundred people who know him — from franchisees and franchisors, to family, friends, and adversaries — to get up close and personal with the surprising story of one of Australia's biggest brands and the man who made it all happen. Jim's Book tells the fascinating story of the man and the business that bears his name. Equal parts biography, history and philosophy, this book takes readers on a journey through one man's remarkable life. [The Franchise Annual Directory 2000](#) - Ted Dixon 2000
