Shadow Warriors - Tom Clancy 2003-02-04

An unconventional war requires unconventional men—the Special Forces. Green Berets • Navy SEALs • Rangers • Air Force Special Operations • PsyOps • Civil Affairs • and other special-mission units The first two Commanders books, Every Man a Tiger and Into the Storm, provided masterly blends of history, biography, you-are-there narrative, insight into the practice of leadership, and plain old-fashioned storytelling. Shadow Warriors is all of that and more, a book of uncommon timeliness, for, in the words of Lieutenant General Bill Yarborough, “there are itches that only Special Forces can scratch.” Now, Carl Stiner—the second commander of SOCOM, the U.S. Special Operations Command—and Tom Clancy trace the transformation of the Special Forces from the

small core of outsiders of the 1950s, through the cauldron of Vietnam, to the rebirth of the SF in the late 1980s and 1990s, and on into the new century as the bearer of the largest, most mixed, and most complex set of missions in the U.S. military. These are the first-hand accounts of soldiers fighting outside the lines: counterterrorism, raids, hostage rescues, reconnaissance, counterinsurgency, and psychological operations—from Vietnam and Laos to Lebanon to Panama, to Saudi Arabia, Kuwait, and Iraq, to the new wars of today...

Jack Ryan Jr. finds that the scars of war can last a lifetime in this entry in Tom Clancy's #1 New York Times bestselling series. Twenty-six years ago, Dr. Cathy Ryan restored the eyesight of a young Bosnian girl who had been injured during an attack in the Bosnian War. Today, her son Jack Ryan, Jr. has agreed to track down the young woman and deliver a letter from his

mother. What he finds shocks them both. The helpless child has grown into a remarkable woman. Aida Curic is a self-possessed beauty with a big heart and an even bigger secret who runs a controversial refugee agency near Sarajevo. Jack finds himself deeply drawn to both her and her country, but soon finds himself in the crosshairs of the seething ethnic tensions and ancient blood feuds of the Balkans, the region of Europe where empires go to die. If Jack can't navigate the world of secret service agencies, special operators and local mafias to save Aida, Sarajevo will prove to be the fuse that lights the next world war.

Voyage of the Devilfish - Michael DiMercurio
2016-10-22

The Kaliningrad stands as the last great triumph of Soviet submarine technology. Now it has put out to sea, lurking beneath the polar ice cap. In command is the most brilliant officer the Soviet fleet has ever produced—Admiral Alexi Novskoy. And in his fanatical hands is the power to turn back the clock to the Cold War...and begin the countdown to doomsday. Opposing him is the killer chase sub USS Devilfish, captained by Commander Michael Pacino—a dogged veteran of the American fleet. His orders are to hunt down and destroy the Russian vessel. But his personal mission is to settle an old score with Novskoy—the man who killed his father. The ultimate undersea duel is about to begin...

Red Crew - Jim Howe 2018-06-15

Red Crew is a first-hand account of U.S. Coast Guard anti-smuggling operations during the early years of the nation's maritime war on drugs. Jim Howe describes his experience as the executive officer of a specialized drug-hunting crew that sailed in then-state-of-the-art "surface effect ships," a small flotilla of high-speed vessels pressed into the drug war on short notice. In the early 1980s, South Florida and the Caribbean were awash in illicit drugs, with hundreds of smuggling organizations bringing huge loads of marijuana, and later cocaine, into the United States. To fight this epidemic, the Reagan administration led a massive effort to disrupt shore-side gangs while bolstering interdiction activity at sea. To increase the number of days at sea for each surface effect ship, a "multi-crewing" concept was employed, with four teams of sixteen sailors—the Red, Blue, Green, and Gold Crews—rotating among three hulls. Through its first-person narrative, Red Crew offers a rare glimpse into the day-to-

day pressures, challenges, failures, and successes of Coast Guard cuttermen as they carried out complex and dangerous missions. Red Crew provides a unique historical view of the early days in the Coast Guard's war on drugs, and is the only book-length history of the diminutive, one-of-a-kind surface effect ship fleet.

Red Metal - Mark Greaney 2019-07-16

A Russian military strike against Europe could change the balance of power in the West. A stunningly realistic view of modern warfare from a battlefield commander and the New York Times bestselling author of The Gray Man. The Russian bear has awakened. Their tanks race across Poland crushing all opposition on a headlong dash for the heart of Germany. Satellite killing missiles blind American forces while Spetznatz teams destroy Allied communications relays. It's all part of a master plan to confuse and defeat America and her allies. Ranged against the Russian attack are a

Marine lieutenant colonel pulled out of a cushy job at the Pentagon and thrown into the fray, a French Special Forces captain and his intelligence operative father, a young Polish female partisan fighter, an A-10 Warthog pilot, and the captain of an American tank platoon who, along with a German sergeant, struggle to keep a small group of American and German tanks in the fight. Operation Red Metal is a nightmare scenario made real but could it just be the first move on the Russian chessboard?

Airframe - Michael Crichton 2011-03-22

The Teeth Of The Tiger - Tom Clancy

2004-07-27

Tom Clancy brings Jack Ryan's son—Jack Ryan, Jr.—to the forefront in this #1 New York Times

bestselling thriller. A man named Mohammed sits in a café in Vienna, about to propose a deal to a Colombian. What if they combined his network of Middle East agents and sympathizers with the Colombian's drug network in America? The potential for profits would be enormous—and the potential for destruction unimaginable. A young man in suburban Maryland who has grown up around intrigue is about to put his skills to the test. Taught the ways of the world firsthand by agents, statesmen, analysts, Secret Servicemen, and black-op specialists, he crosses the radar of "The Campus"—a secret organization set up to identify local terrorist threats and deal with them by any means necessary. His name: Jack Ryan, Jr.

Pride Runs Deep - R. Cameron Cooke

2005-02-22

"A great submarine story, on a par with The Hunt for Red October."—Nelson DeMille
Shattered by surprise attack, the U.S. rebuilds

its fleet at Pearl Harbor. And the badly damaged Submarine Division Seven holds the line against the Japanese Navy. Every enemy ship that slips through means more lives lost. Now it's up to Lt. Commander Jack Tremain to whip into shape a hardluck boat that's returned from what may be the worst patrol in history. The loss of even one more American sub could be devastating. But Tremain is determined to make the Japanese pay. Even if this is his last patrol ever.

Ssn 14 - Ryan Ramsey 2016-03-31

SSN 14 is a dramatic and honest account of a year in the life of HMS Turbulent, the Royal Navy nuclear powered attack submarine led by Ryan Ramsey. During 2011 Turbulent participated in the Libya intervention and passed through the Suez Canal to take up patrol in the Indian Ocean against the extraordinary political backdrop of the Arab Spring, in the period where both Colonel Gaddafi and Osama Bin Laden were killed and piracy and terrorism was rife. Turbulent suffered a catastrophic failure of

its cooling systems. The fight to survive tested Ryans command to its limits. Although the suffering was immense, the entire crew survived intact. Ryan also had to deal with constantly changing crew and transform them into a tight-knit, smoothly functioning team that could meet, and exceed, any challenge thrown at them. This books documents his failures, as well as his successes and offers a unique insight into leadership in the most challenging of environments. No matter where your business battles are fought, this will help you be phenomenal at what you do.

Net Force: Dark Web - Jerome Preisler
2019-11-26

NOW A NATIONAL BESTSELLER The return of the cutting-edge thriller series Net Force, created by Tom Clancy and Steve Pieczenik and written by Jerome Preisler. The number one threat to our nation's security is in cyberspace. The new US president wants to tackle the urgent problem head-on and launches a top secret line of defense: Net Force. But before the organization can be announced, the country is

hit by an unprecedented, two-pronged terror attack. Not yet empowered by Congress nor embraced by a dubious intelligence community, still untested, unproven and officially unnamed, Net Force's elite group of cyber experts and field operatives must lead the fight against the ongoing waves of hacks while tracking down the mastermind. Their failure could mean global catastrophe. Success may lead them to become the highest-level security agency in the United States. A story that seems ripped from tomorrow's headlines, Net Force: Dark Web relaunches one of the most prescient thriller series at a time when cybersecurity is more vital than ever.

DEFCON One - Joe Weber 2012-07-01
From the acclaimed thriller writer, Joe Weber, comes a chilling novel of the Cold War. The United States and Soviet Union are at the brink of war. Fearful of U.S. plans for an anti-missile defense system that could defeat a USSR first strike, the Soviet General Secretary, the

conservative successor to Gorbachev, conceives a plan to act first. Russian Bear bombers violate U.S. airspace, leading to a response by American F-15s. A U.S. Navy battle group is attacked in the North Atlantic. And in orbit, a Soviet hunter killer satellite attacks an American space shuttle. As the world careens towards a nuclear conflict, only a lone CIA operative stands between peace and utter destruction. But can he act in time? Vividly portraying the real world of military hardware and combining it with page-turning action, DEFCON One is the definition of a classic thriller.

[Blind Man's Bluff](#) - Sherry Sontag 2008-03-04

Discover the secret history of America's submarine warfare in this fast-paced and deeply researched chronicle of adventure and intrigue during the Cold War that reads like a spy thriller. *Blind Man's Bluff* is an exciting, epic story of adventure, ingenuity, courage, and disaster beneath the sea. This New York Times bestseller reveals previously unknown dramas, such as: The mission to send submarines wired with self-destruct charges into the heart of Soviet seas to tap crucial underwater telephone cables. How the Navy's own negligence may have been responsible for the loss of the USS *Scorpion*, a submarine that disappeared, all hands lost, in 1968. The bitter war between the CIA and the Navy and how it threatened to sabotage one of America's most important undersea missions. The audacious attempt to steal a Soviet submarine with the help of eccentric billionaire Howard Hughes, and how it was doomed from the start. A magnificent achievement in investigative reporting, *Blind*

Man's Bluff reads like a spy thriller, but with one important difference-everything in it is true.

Arctic Gambit - Larry Bond 2018-05-29

Jerry Mitchell returns in *Arctic Gambit*, an explosive military thriller by New York Times bestselling author Larry Bond. Jerry Mitchell, now the commodore of submarine Development Squadron Five, is dismayed when USS *Toledo* is reported missing in Arctic waters, close to Russian territory. The vessel is captained by his former shipmate and close friend, Lenny Berg. Eager to investigate, Jerry convinces the Navy to redirect one of his squadron's boats to find out what happened. It turns out *Toledo* was sunk just outside of Russian territorial waters by a torpedo launched from a naval mine. Even more disturbing is the discovery that Russia is building a deadly weapon. Engineers have modified the *STATUS-6*, a strategic nuclear-propelled, nuclear armed torpedo that is already operational, into a stealthy first strike weapon: *Drakon*. This new tool would allow the Russians

to launch a completely covert nuclear decapitation strike on the USA. The new Russian president has plans for Europe, and is more than willing to use nuclear blackmail—or an actual attack—to keep the Americans from interfering. To avoid a Russian war in Europe, and a nuclear catastrophe at home, Mitchell must find a way to destroy the Drakon launcher before it's too late.
