Dispelling Wetiko - Paul Levy 2013-01-15

There is a contagious psychospiritual disease of the soul, a parasite of the mind, that is currently being acted out en masse on the world stage via a collective psychosis of titanic proportions. This mind-virus—which Native Americans have called "wetiko"—covertly operates through the unconscious blind spots in the human psyche, rendering people oblivious to their own madness and compelling them to act against their own best interests. Drawing on insights from Jungian psychology, shamanism, alchemy, spiritual wisdom traditions, and personal experience, author Paul Levy shows us that hidden within the venom of wetiko is its own antidote, which once recognized can help us wake up and bring sanity back to our society.

Everything You Need to Know But Have Never Been Told - David Icke 2017-11-18

"I want to make it clear before we start what the title represents.

Everything You Need To Know, But Have Never Been Told does not refer to all that people need to know in terms of information and knowledge. How could you put that between two covers? Religious books claim to do this but they are works of self-delusion and perceptual imprisonment. Everything You Need To Know in this case refers to the information necessary to open entirely new ways of thinking and perceiving reality, both in the seen and unseen, from which everything else will come. This book is a start not a finish. It is written in layers with information placed upon information that together reveals the picture by connecting the parts. The parts are fascinating, but the picture is devastating. Prepare for a perception reboot]] "

[Earth](#) - Barbara Marciniak 1994-11-01

Embraced worldwide as key spiritual teachers of our times, the Pleiadians are back, with another bold and controversial look at our highest purpose on Earth. Earth: Pleiadian Keys to the Living Library is their handbook to inspired living, calling on us to restore and return value to the human being, and to recognize the Goddess energies and the power of blood as connections to our DNA and our heritage. Using wit, wisdom, and deep compassion, they entice us to explore the corridors of time through the concept of the Game Masters; to awaken the crucial codes for multidimensional perspective; and to redream the Living Library of Earth. Their teachings are significantly arranged in twelve chapters to trigger a deeper understanding of our ancestral lineage. Earth probes the memories hidden deep within us to reveal our crucial roles in the transformational process unfolding in our times.

Contemporary Conspiracy Culture - Jaron Harambam 2020-05-26

In this ethnographic study, the author takes an agnostic stance towards the truth value of conspiracy theories and delves into the everyday lives of people active in the conspiracy milieu to understand better what the contemporary appeal of conspiracy theories is. Conspiracy theories have become popular cultural products, endorsed and shared by significant segments of Western societies. Yet our understanding of who these people are and why they are attracted by these alternative explanations of reality is hampered by their implicit and explicit pathologization. Drawing on a wide variety of empirical sources, this book shows in rich detail what conspiracy theories are about, which people are involved, how they see themselves, and what they practically do with these ideas in their everyday lives. The author inductively develops from these concrete descriptions more general theorizations of how to understand this burgeoning subculture. He concludes by situating conspiracy culture in an age of epistemic instability where societal conflicts over knowledge abound, and the Truth is no longer assured, but "out there" for us to grapple with. This book will be an important source for students and scholars from a range of disciplines interested in the depth and complexity of conspiracy culture, including Anthropology, Cultural Studies, Communication Studies, Ethnology, Folklore Studies, History, Media Studies, Political Science, Psychology and Sociology. More broadly, this study speaks to contemporary (public) debates about truth and knowledge in a supposedly post-truth era, including widespread popular distrusts towards elites, mainstream institutions and their knowledge.

The Robots' Rebellion - The Story of Spiritual Renaissance - David Icke 1999-08-26

David Icke's strongest book to date, *The Robots' Rebellion* reveals the alarming extent to which people of all nations are programmed by the ideas fed to them by those in power. We live in a world which is increasingly dominated by technology but, according to Icke, it is we who are the robots. Fearlessly, he tears down the veils of hypocrisy, built up for generations by the corrupt forces of Church, State, science and commerce — and reveals the true pathos of the human condition beneath. He points, too, to the frightening influence wielded throughout the planet by a merciless and manipulative network of secret societies. The existence of long-established links between Earth-bound humanity and beings from other dimensions and planets in the Universe has been suppressed for years, says Icke, by the world's power-broking hierarchy. When ordinary people learn the real role they have to play within a rich and varied cosmic society, rebellion against those who have kept this extraordinary truth from them will, he predicts, be inevitable. The author is no stranger to controversy. Formerly best-known as a TV sports commentator and leading spokesman for the British Green Party, he is gaining increasing authority as a tireless campaigner for truth. His widely-publicised spiritual transformation has given him the courage to speak out fearlessly against lies and deceit. Hidebound politicians, bankers, economists, educationalists, scientists and the leaders of the world's established religions are not going to welcome Icke's challenging book. But it is not intended for those who wield and abuse power. This book is for the world's unwilling robots who, says Icke, in an upbeat conclusion, have it within themselves to rise up — and take control of their own exciting destiny. *The Robots' Rebellion: Table of Contents Introduction Remember Who You Are PART ONE: The Darkness The Takeover Bid Collective Amnesia The Brotherhood of Clans Bible Stories Hell on Earth Arabian Knights The Cracks Appear Eagle Tails The Rule of Science The*

Perceptions of a Renegade Mind - David Icke 2021-06

David Icke has been writing books for decades warning that current events were coming. He has faced ridicule and abuse for saying that the end of human freedom was being planned, how, and by whom. His latest highly topical book, *Perceptions of a Renegade Mind*, is published in very different circumstances with vast numbers of people acknowledging that he has been vindicated by the happenings of the 'Covid' era. His predictions over more than 30 years have been proved stunningly accurate since the turn of 2020 often down to the fine detail. Icke set out only in January 2021, to write a book to quickly bring enormous numbers of people worldwide up to speed and who can now see that something very strange is happening. But they ask, what exactly? What is going on? He answers those questions in his usual dot-connected detail and lays out the background to what he calls the 'Global Cult' which operates across borders to advance a long-planned agenda for total human control. Those who read his section on 'Covid' will view events of 2020 and 2021 in a totally new light as he produces the evidence that humanity has been misled on a scale that defies belief. David Icke's time has come, and *Perceptions of a Renegade Mind* is destined to be an international best seller that could not have been published at a more important and relevant time or with such a now receptive audience to what he has to say.

Healing on Vibrational Frequencies - Sieglinde Martens 2019-10-11

The eternal question of "Who am I, what is my purpose?" has haunted humankind since the beginning. We are multidimensional beings and, through our many lifetimes, we accumulate experiences that are charged Energy particles, forever stored in our cellular structure. But things have gone awry. Mankind has created an environment that artificially impinges on his divine connection, leaving us feeling disconnected and open to contracting diseases or chronic pain. We have lost touch with nature and instead worship artificial gods like social media and mindless competition. It's time to wake up. Over the last several years, the vibration of the earth has shifted, opening an opportunity for us to create a higher vibration. By willingly choosing consciousness, we can get back to basics-and once in balance vibrationally, we can begin to heal on vibrational frequencies. In *Healing on Vibrational Frequencies*, together we will explore the nature of Energy and the vibration of all things. This book will help you understand how to increase your frequency as you ascend to your personal relationship with the God who lives inside your heart.

The Seven Sisters of the Pleiades - Nancy Andrews 2004

The legends of the Seven Sisters of the Pleiades that poets, priests, prophets, shamans, storytellers, artists, singers, and historians have told throughout time are retold in this compilation of the stories that have found their inspiration in nine beautiful stars clustered together in the night sky. While particular attention in this cross-cultural study is paid to the influence of the Pleiades cluster on the living traditions of indigenous people in North America, Australia, Japan, and the Pacific, much ancient mythology passed down through written and visual sources from ancient Egypt, India, Greece, and South America is also explored. Appearances of the myths in the modern world are also mentioned, including American presidential elections, Halloween, Atlantis, the Titanic, and Subaru automobiles. Serious astronomical research complements the variety of mythological explanations for the stars' existence by providing the modern world's scientific understanding of them.

Sion's Army - Jeff Wilkerson 2016-01-04

The historical scope of Sion's Army is quite extraordinary. It starts with the early history of Judaism and ends with the defeat of Napoleon. This book tracks the exploits of the followers of the shadowy Priory of Sion as they scheme to spin a web of intrigue in their pursuit of world domination. In the late sixteenth century, they invent their own form of Freemasonry to be used as their private army. As this book attests, in the eighteenth century the rapidly expanding Freemasonry movement played crucial roles in the conflagrations known as the American and French revolutions. If you really want to discover the mysteries of Freemasonry, you should read this book!

The Secret History of Freemasonry - Paul Naudon 2005-03-28

Explores the hidden history of Freemasonry from ancient Rome, through the Middle Ages, to the present • Shows the close connection between medieval masons and the Knights Templar • Illustrates the sacred nature of Roman and medieval trade associations • Reveals the missing link that connects the lodges of modern Freemasonry to the medieval brotherhoods of builders Historians often make a sharp distinction between the operative Masonry of the Middle Ages and the speculative Masonry of modern times, emphasizing that there is no direct bridge connecting the two. Modern historians also have scoffed at Masonic claims concerning the close relationship between the Lodge and the Temple. Using medieval archives housed throughout Europe, historian Paul Naudon reveals that there was in fact a very intimate connection between the Masons and the Knights Templar. Church records of medieval Paris show that most, if not all, the Masons of that time were residents of the Templar censive, which allowed them to enjoy great exemptions and liberties from both church and state as a result of the protection afforded them by this powerful order. Naudon shows that the origins of Freemasonry can be traced back to the collegia of ancient Rome. He traces the evolution of organizations such as the Comacine Masters, the Arab *turuqs*, and the brotherhoods of builders created under the aegis of the Benedictines and the Knights Templar, all of which provide the vehicle for the transmission of a sacred tradition from pre-Christian times to the modern era. This tradition is the source of Masonic ritual and symbolism, and it provides the missing link in the transformation of the operative Masonry of the medieval cathedral builders to the spiritual principles of modern speculative Masonry.

The Perception Deception - David Icke 2014-02-01

"Icke lays out in dot-connected detail a lifetime of research and insight about our 'computer'-simulated reality, the holographic universe, and the hidden non-human forces that are manipulating human life via hybrid bloodline families and networks into a global Orwellian state of total control"--P. The Shining Ones: The World's Most Powerful Secret Society Revealed - Philip Gardiner Co-Author 2011-12-21

The Shining Ones were members of an advanced culture that was almost lost; but their wisdom and their power survived. They preserved the secrets of their advanced knowledge in mythology and legend; they embedded their secret codes in symbolism in art, architecture, the mystery traditions and literary works - including the Bible. The authors have found traces of the influence of The Shining Ones in all the major religions with roots in the ancient world. Gardiner and Osborn have discovered that their secrets and rituals have been hidden and preserved through the centuries, by the Knights Templar, the Rosicrucians and the Freemasons to the present day. Furthermore, they believe that the evolution of civilization has been manipulated by a secret and powerful group of initiates descended from The Shining Ones. They can identify their influence behind science, religion, mysticism and philosophy - and, of course, in the arena of powerful politics. This is an extraordinary story of intrigue and power play at a very human and political level. But it is also the revelation that the Shining Ones had knowledge of the deep spiritual truth that lies at the heart of mankind's yearning for an understanding of the meaning of life and to achieve salvation.

Heal the World - David Icke 1999-05-24

The Earth is in crisis. Clearly, humanity has lost touch with Nature. We are, every second, committing appalling damage to the environment, to ourselves, to other species and to the home we share. The answers to environmental decline will not come by trying to persuade politicians and industrialists that urgent and fundamental changes are required. They are motivated by the need to get elected and by self-interest. Neither scientists nor the church seem to know what needs to be done either. What can WE do to heal the world? Former television personality turned world visionary, David Icke gives positive suggestions about how to discover our path and recognise that we are part of a larger consciousness, connecting with others and learning how to heal the Earth. He says we have to begin at home. Healing others and healing the world has to start with self-healing, rediscovering self-respect and love in one's own life. Freedom starts with learning and overcoming fear and guilt and releasing our social conditioning. Judging others can become listening and understanding. We need to rediscover Earth's energies and the special places where we can best connect with these energies, and balance the negative and positive. Formerly best-known as a TV sports commentator and leading spokesman for the British Green party, David Icke has gained increasing authority as a tireless campaigner for truth. His widely publicised spiritual transformation has given him the courage to speak out fearlessly against lies and deceit. David's engaging, readable style allows complex ideas to be easily understood. He travels extensively, offering public talks and discussions around the UK and USA about the world transformation.

[Remember who You are](#) - David Icke 2012

"David Icke...has exposed the global network of families behind Big Banking, Big Biotech, Big Food, Big Government, Big Media and Big Pharma in book after book as his awareness has expanded -- and he takes this on to still new levels of exposure in *Remember Who You are*...the key is in the title. We are enslaved because we identify with our body and our name, when these are only vehicles and symbols for what we really are -- Infinite Awareness, Infinite Consciousness. We are imprisoned in the realms of the five senses and 'little me' when we are All That Is, All That Has Been and all That Can Ever Be. To breach the perceptual walls of the Saturn-Moon Matrix and bring an end to mass human enslavement, we need to awaken to our true identity." -- Publisher's description.

Conspiracy Theories - Aaron John Gulyas 2016-01-25

Narratives based on conspiratorial and paranoid thinking have become increasingly prominent throughout the 20th and 21st centuries. From the prosaic to the outlandish, conspiracy theories involve aliens and Nazis, underground bases and mind control technology. They range from sinister tales of malevolent reptilian beings infiltrating our government to fears of the New World Order rounding up patriotic Americans and putting them into internment camps. These stories and their underlying concerns have a long history in the U.S. and have often been bolstered by revelations of real conspiracies and cover-ups by private and public entities. This book examines conspiracy theories and the narratives constructed by those who believe and propagate them, providing a unique view of U.S. history and highlighting fears both founded and unfounded.

[Love Everyone](#) - Parvati Markus 2015-11-10

A celebration of Neem Karoli Baba, one of the most influential spiritual leaders of our time, the divine guru who inspired and led a generation of seekers—including Ram Dass, Daniel Goleman, and Larry Brilliant—on life-changing journeys that have ultimately transformed our world. In 1967, Baba Ram Dass—former American Harvard professor Richard Alpert—left India to share stories of his mysterious guru, Neem Karoli Baba, known as Maharajji. Introducing idealistic Western youth to the possibilities inherent in spiritual development, Ram Dass inspired a generation to turn on and tune in to a reality far different from the one they had known. From the spring of 1970 until Maharajji died on September 11, 1973, several hundred Westerners had his darshan (in Hinduism, the beholding of a deity, revered person, or sacred object).

Those who saw him formed the Maharajji satsang—fellow travelers on the path. Love Everyone tells the stories of those who heard the siren call of the East and followed it to the foothills of the Himalayas. The ways they were called to make the journey, their experiences along the way, and their meeting with Maharajji form the core of this multicultural adventure in shifting consciousness. The contributors share their recollections of Maharajji and how his wisdom shaped their lives. All have attempted to follow Maharajji's basic teaching, his seemingly simple directives: Love everyone, feed everyone, and remember God. All have found their own way to be of service in the world and, in so doing, have collectively touched the hearts and souls of countless others.

If the Universe Is Teeming with Aliens ... WHERE IS EVERYBODY? - Stephen Webb 2002-10-04

In a 1950 conversation at Los Alamos, four world-class scientists generally agreed, given the size of the Universe, that advanced extraterrestrial civilizations must be present. But one of the four, Enrico Fermi, asked, "If these civilizations do exist, where is everybody?" Given the fact that there are perhaps 400 million stars in our Galaxy alone, and perhaps 400 million galaxies in the Universe, it stands to reason that somewhere out there, in the 14 billion-year-old cosmos, there is or once was a civilization at least as advanced as our own. Webb discusses in detail the 50 most cogent and intriguing solutions to Fermi's famous paradox.

The Map of Consciousness Explained - David R. Hawkins, M.D., Ph.D. 2020-10-20

An accessible exploration of best-selling author's most famous work, The Map of Consciousness, that helps readers experience healing and transcendence. We are all born with a level of consciousness, an energetic frequency within the vast field of consciousness. And with The Map of Consciousness, we can truly understand the total spectrum of human consciousness. Using a unique muscle-testing method, Dr. David R. Hawkins conducted more than 250,000 calibrations during 20 years of research to define a range of values, attitudes, and emotions that correspond to levels of consciousness. This range of values—along with a logarithmic scale of 1 to 1,000—became the Map of Consciousness, which Dr. Hawkins first wrote about in his best-selling book, Power vs. Force. With the Map, Dr. David R. Hawkins laid out the entire spectrum of consciousness, from the lower levels of Shame, Guilt, Apathy, Fear, Anger, and Pride; to Courage, Acceptance, and Reason; all the way up to the more expanded levels of Love, Ecstasy, Peace, and Enlightenment. These "higher" energy fields are a carrier wave of immense life energy. An essential primer on the late Dr. David R. Hawkins's teachings on human consciousness and their associated energy fields, The Map of Consciousness Explained offers readers an introduction and deeper understanding of the Map, with visual charts and practical applications to help them heal, recover, and evolve to higher levels of consciousness and energy. This book is a light unto the path of any individual who wants to become more effective in any area of life.

The Truth Agenda - Andy Thomas 2014-12-10

The Truth Agenda explores some of the most famous unexplained mysteries and global cover-ups of recent history. What is the truth about UFOs, pyramids, religious apparitions, psychic phenomena, visions of the future and ancient prophecies, and what is their connection to famous conspiracy theories concerning the Moon landings, 9/11, the New World Order, and claims that the planet is secretly run by a powerful ruling elite? Leading mysteries researcher Andy Thomas pulls the many threads together in an accessible, stimulating and credible overview which suggests that our world may be very different from the picture presented by the establishment. The Truth Agenda shows how we can avoid control manipulations and help to create a more positive future. Why do so many people believe in conspiracy theories, and what is the evidence to support them? What is the basis for the wide belief that we are now in a 'New Era' of massive change and consciousness shift? Why is there such huge but officially undeclared interest in paranormal phenomena from authorities and religions? How does all this tie together and explain the agendas of control and surveillance in the West, and what can we do?

Truth Vibrations - David Icke's Journey from TV Celebrity to World Visionary - David Icke 1999-08-26

Truth Vibrations is the first book in New Age visionary and conspiracy theorist David Icke's series of groundbreaking exposés of the mysteries of life, the possibilities for the future of humanity, and the history of the global conspiracy known as the New World Order. On 29 March 1990, David Icke visited a healer. What happened that day and in the months that followed changed his life forever. The former professional footballer, TV presenter and Green politician found himself on a wondrous, transformative journey of discovery. Guided by master souls from other dimensions, he went to Canada, the United States and all over Britain, meeting sensitives and helping to balance the disturbed earth's energy systems. This journey led David Icke to write the explosive Truth Vibrations, a revelatory book which looks at the great mysteries which for centuries have baffled scientists, doctors and historians were unravelled for David Icke: why are we here? What is the truth about God and Jesus? What happens to us when we die? What are crop circles and who makes them? Did Atlantis exist? Most importantly, David Icke reveals who the Illuminati and the Babylonian Brotherhood are, exposing a global conspiracy that has been controlling the fate of the world's people for century by keeping it in a state of mass hypnosis. But David Icke's Truth Vibrations also offers hope, through his new vision of the world and his prediction for an Age of Aquarius. Through his visions, David Icke has learned what is to befall humanity and what steps we can take to reduce the physical and emotional impact of the enormous changes that are about to confront our planet and all life upon it. During his spiritual journey, he discovered the truth vibration, an energy frequency which can break us out of our hypnotised state and allow us to face the challenges of the twenty-first century. Many of the events he predicted in the eye-opening Truth Vibrations over 20 years ago have since come to pass, making David Icke's extraordinary story and the message that Truth Vibrations brings to every man, woman and child of supreme importance to the future of planet Earth. It is a must-read and will change your view of the New World Order forever.
