Born Sinner - S. L. Jennings 2016-08-09

Twenty-two years ago, I was cut from a cold, sodden womb, and cradled in the filth and poverty of Chicago's concrete arms. Statistically, I wasn't supposed to survive these streets past the age of eighteen. Fate had a different plan. I was bred for one purpose and one purpose only: to unleash death and destruction on my world. My thoughts are power. My words are weapons. Evil created me then grace tried to save me. But first... they tried to kill me. They call themselves the Seven. They are sin and salvation, and everything we've feared from the beginning of time. And their leader is the deadliest of them all. He doesn't lose. He doesn't compromise. And most importantly, he doesn't distract himself with mortal weakness. Not until me. Kill one to save a million. That's what he told me when he took me as his prisoner. Kill one to save a million. That's what he's been trying to tell himself ever since he took me into his arms.

The Dare - Elle Kennedy 2020-06-16

Get ready for another binge-worthy romance from New York Times bestselling author Elle Kennedy! College was supposed to be my chance to get over my ugly-duckling complex and spread my wings. Instead, I wound up in a sorority full of mean girls. I already have a hard time fitting in, so when my Kappa Chi sisters issue the challenge, I can't say no. The dare: seduce the hottest new hockey player in the junior class. Conor Edwards is a regular at Greek Row parties...and in Greek Row sorority beds. He's the one you fall for before you learn that guys like him don't give girls like me a second glance. Except Mr. Popular throws me for a loop—rather than laughing in my face, he does me a solid by letting me take him upstairs to pretend we're getting busy. Even crazier, now he wants to keep pretending. Turns out Conor loves games, and he thinks it's fun to pull the wool over my frenemies' eyes. But resisting his easy charm and surfer-boy hotness is darn near impossible. Though I'm realizing there's much more to Conor's story than his fan club can see. And the longer this silly ruse goes on, the greater the danger of it all blowing up in my face.

Mr. Big - Delancey Stewart 2017-08-29

He's tortured and dark, angsty and arrogant. You want the truth? He's kind of an A-hole. He's also the CEO. Everything in my life goes according to plan, and that's the way I like it. I got the degree. I got the job. Now I just need to prove that I have what it takes to succeed in the real world. If there's one thing that's not in my plans, it's falling in love with my boss. Most relationships don't start with one person calling the other out in public for being an arrogant jerk. Then again, most CEOs don't cut their own employees in line at the

coffeehouse and bark orders at people like they own the place. Maybe pissing Oliver Cody off isn't the right move. And now that he's part of my world, all my plans go straight to hell. Nettle & Bone - T. Kingfisher 2022-04-26

From Hugo, Nebula, and Locus award-winning author T. Kingfisher comes an original and subversive fantasy adventure. *A very special hardcover edition, featuring gold foil stamp on the casing and custom endpapers illustrated by the author.* This isn't the kind of fairytale where the princess marries a prince. It's the one where she kills him. Marra never wanted to be a hero. As the shy, convent-raised, third-born daughter, she escaped the traditional fate of princesses, to be married away for the sake of an uncaring throne. But her sister wasn't so fortunate—and after years of silence, Marra is done watching her suffer at the hands of a powerful and abusive prince. Seeking help for her rescue mission, Marra is offered the tools she needs, but only if she can complete three seemingly impossible tasks: —build a dog of bones —sew a cloak of nettles —capture moonlight in a jar But, as is the way in tales of princes and witches, doing the impossible is only the beginning. Hero or not—now joined by a disgraced ex-knight, a reluctant fairy godmother, an enigmatic gravewitch and her fowl familiar—Marra might finally have the courage to save her sister, and topple a throne. "Nettle & Bone is the kind of book that immediately feels like an old friend. Fairytale mythic resonance meets homey pragmatism in this utterly delightful story. It's creepy, funny, heartfelt, and full of fantastic characters I absolutely loved!" —Melissa Caruso, author of The Tethered Mage At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

When Iris and her brother get invited to the film set in Ireland, she's pretty sure the trip will be a nightmare. Except Iris can't deny the rugged beauty of the Irish countryside. In an ocean of All-American boys sporting polo shirts and innocent smiles, Knox is the obvious suspect. As evidence piles up against the bad boy of Sinclair, Charlie becomes more and more certain it isn't Knox. But when her drink is dosed at a party and she wakes up on Knox's couch the next morning, Charlie's left with more questions than answers when it comes to Knox Jagger. How can Charlie ever hope to uncover the truth behind a guy so closed off he's become . . . Hard Knox. ***Hard Knox is the first book in The Outsider Chronicles, although each book that follows will highlight different couples and each can be read as a stand-alone.***
